[57] CLAIM

The ornamental design for a key blank, as shown and described.

DESCRIPTION

FIG. I is a perspective view of a key blank in upright position showing my new design;
FIG. II is a perspective view thereof with the key blank in lying position;
FIG. III is a side view thereof;
FIG. IV is a front view thereof; and
FIG. V is a plan view of the key blank in upright position.
The characteristic feature of my design resides in the specific configuration of the shank portion of the key blank, as best identified and illustrated in the drawings.

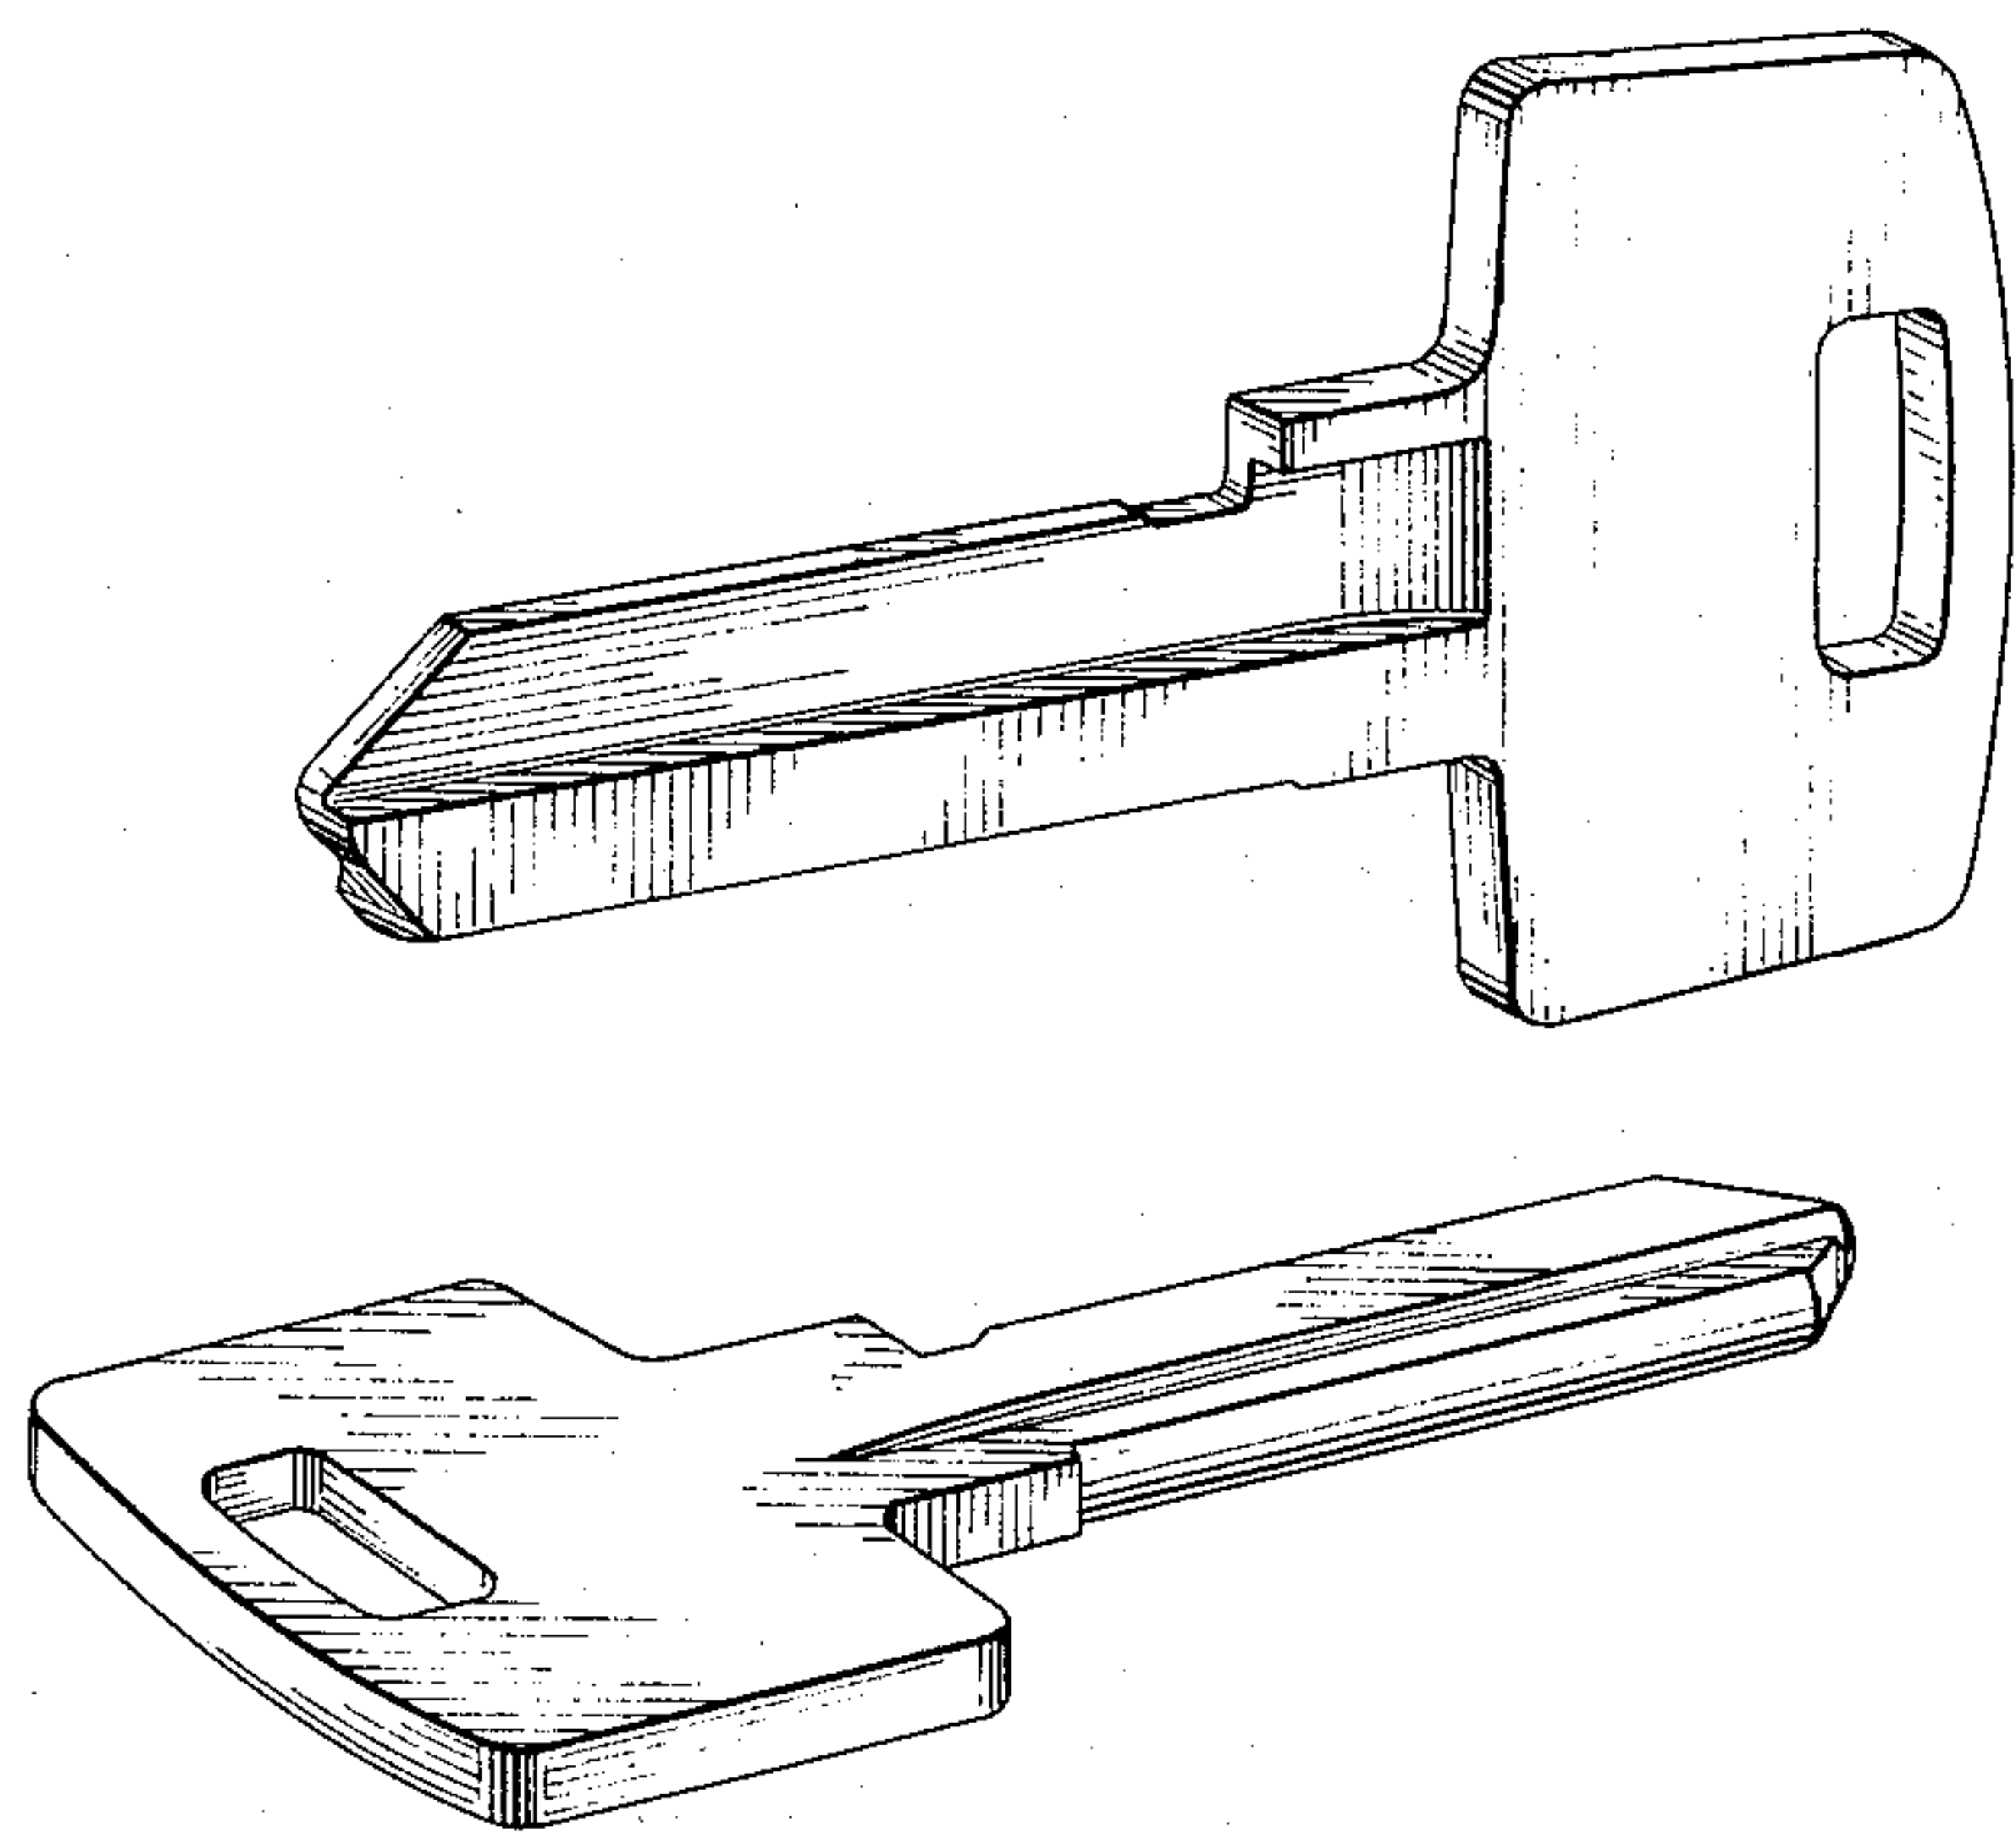

FIG. I

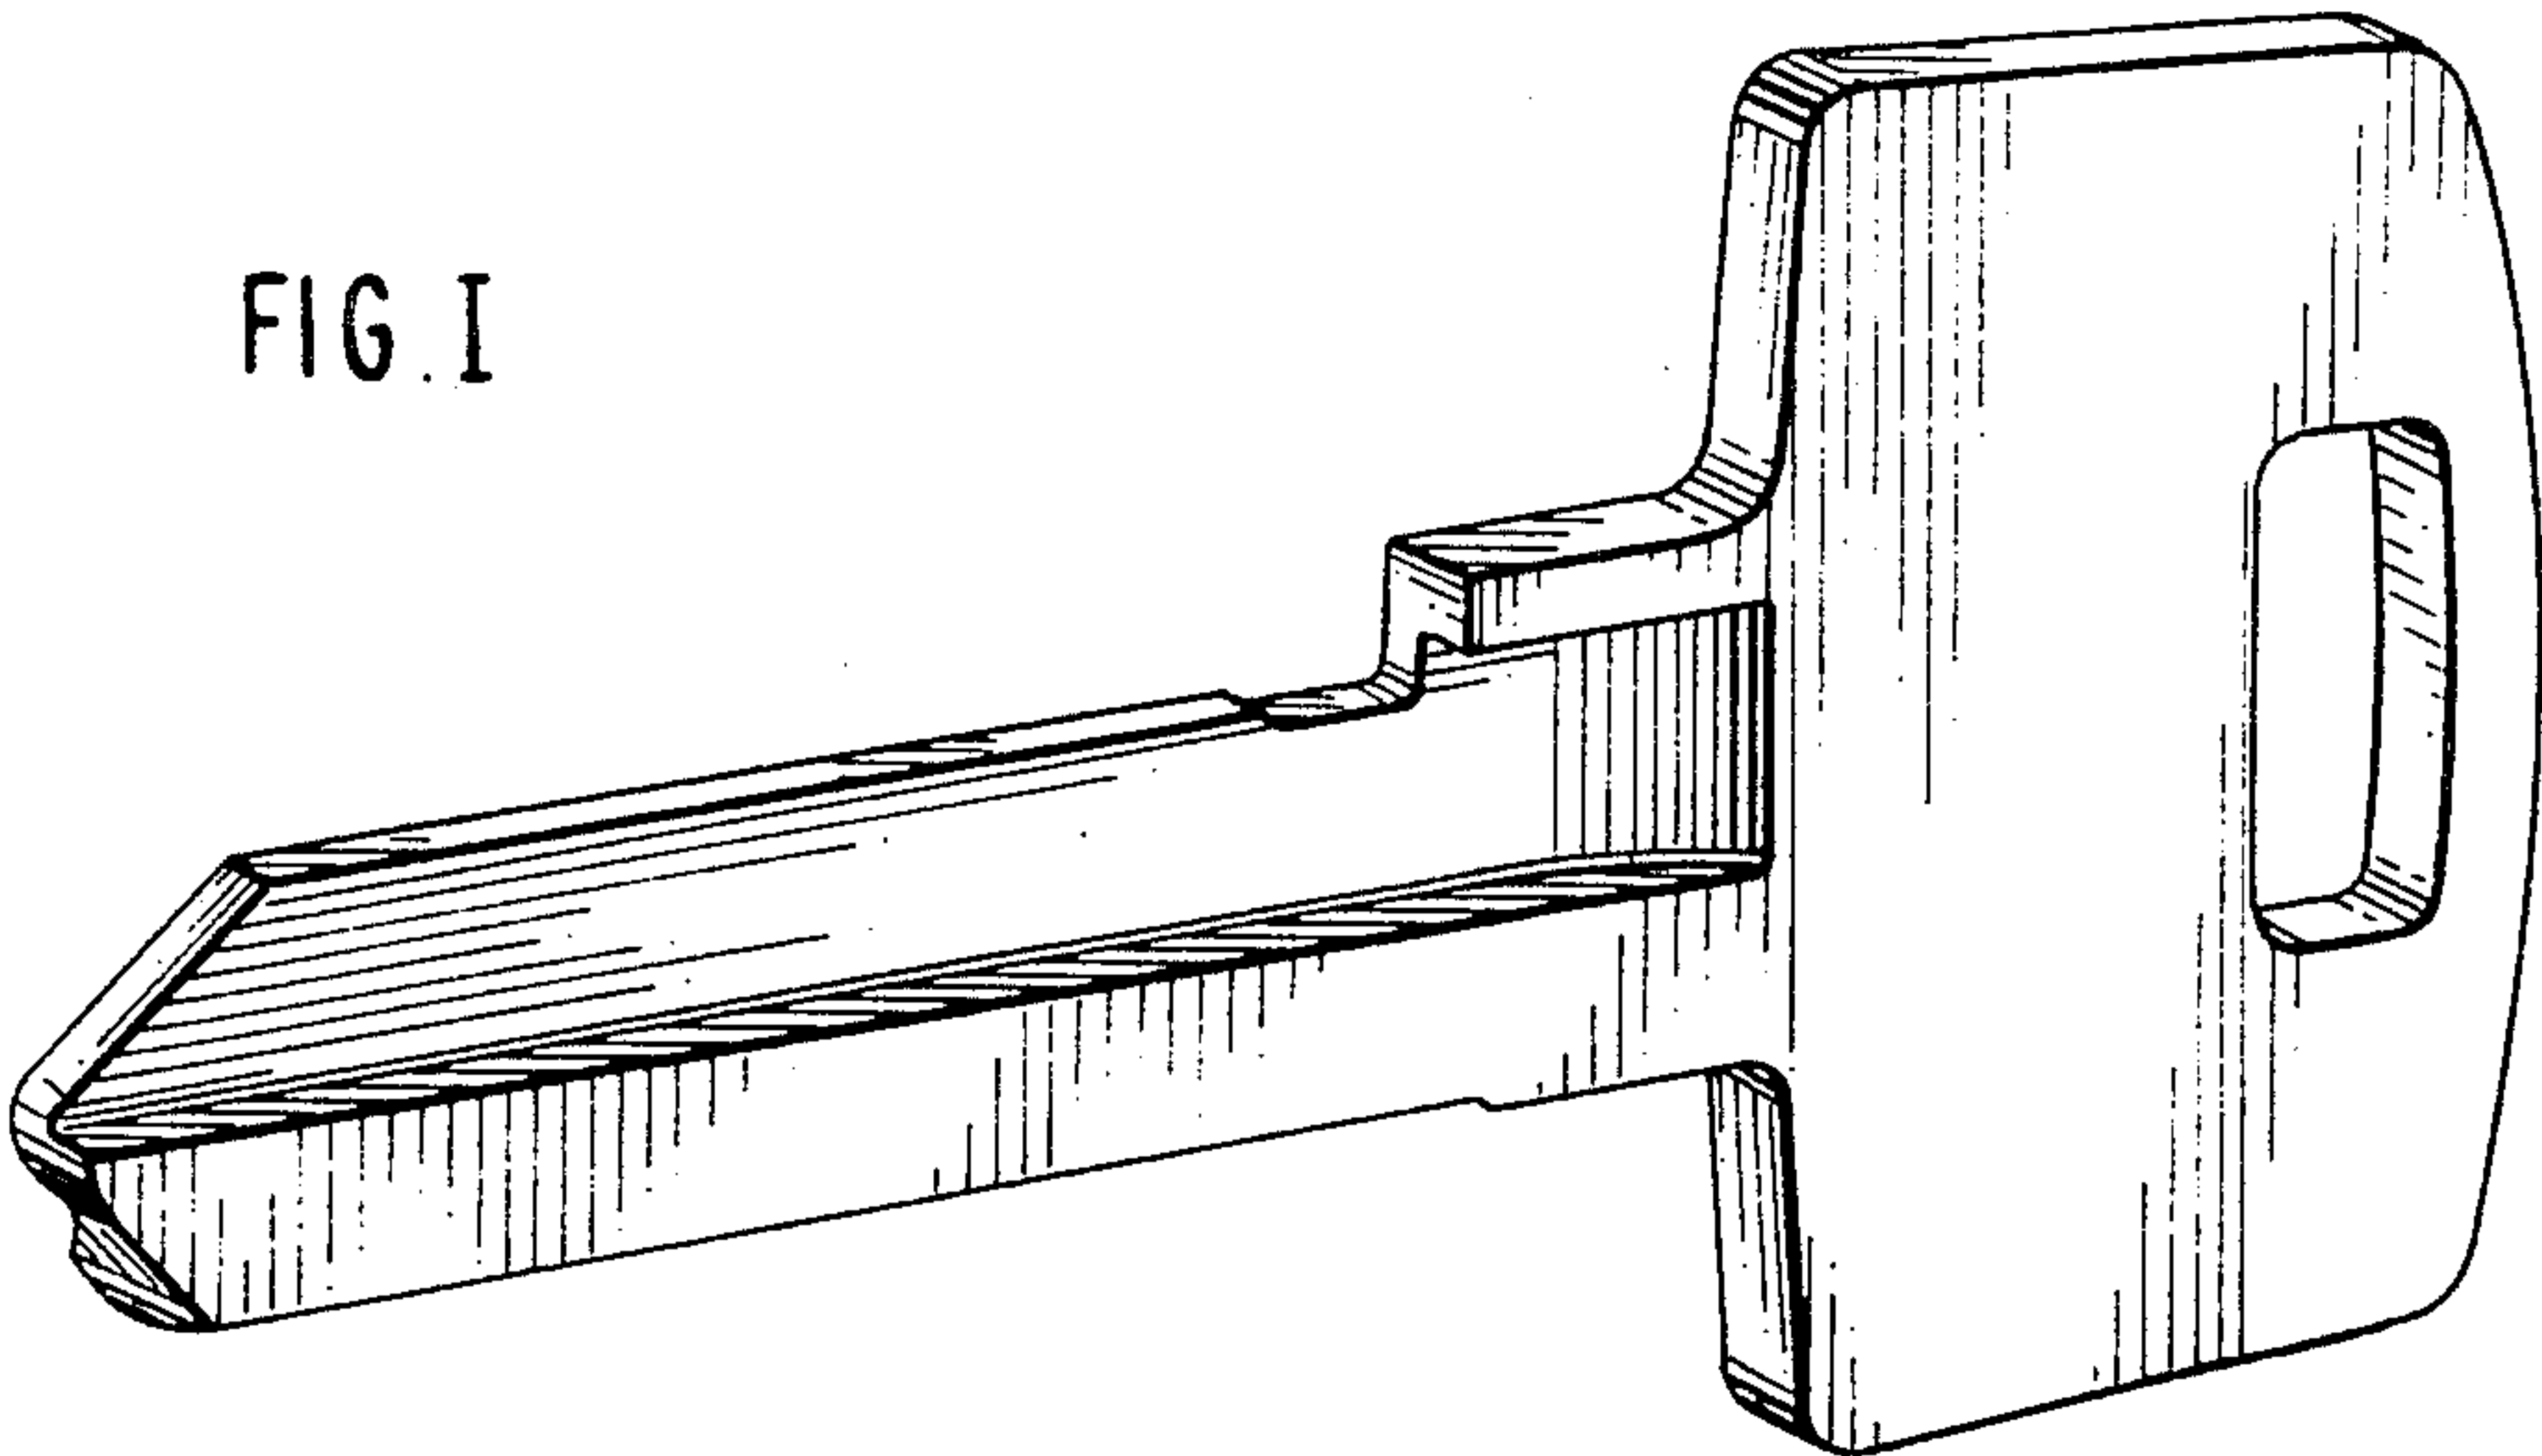

FIG. II

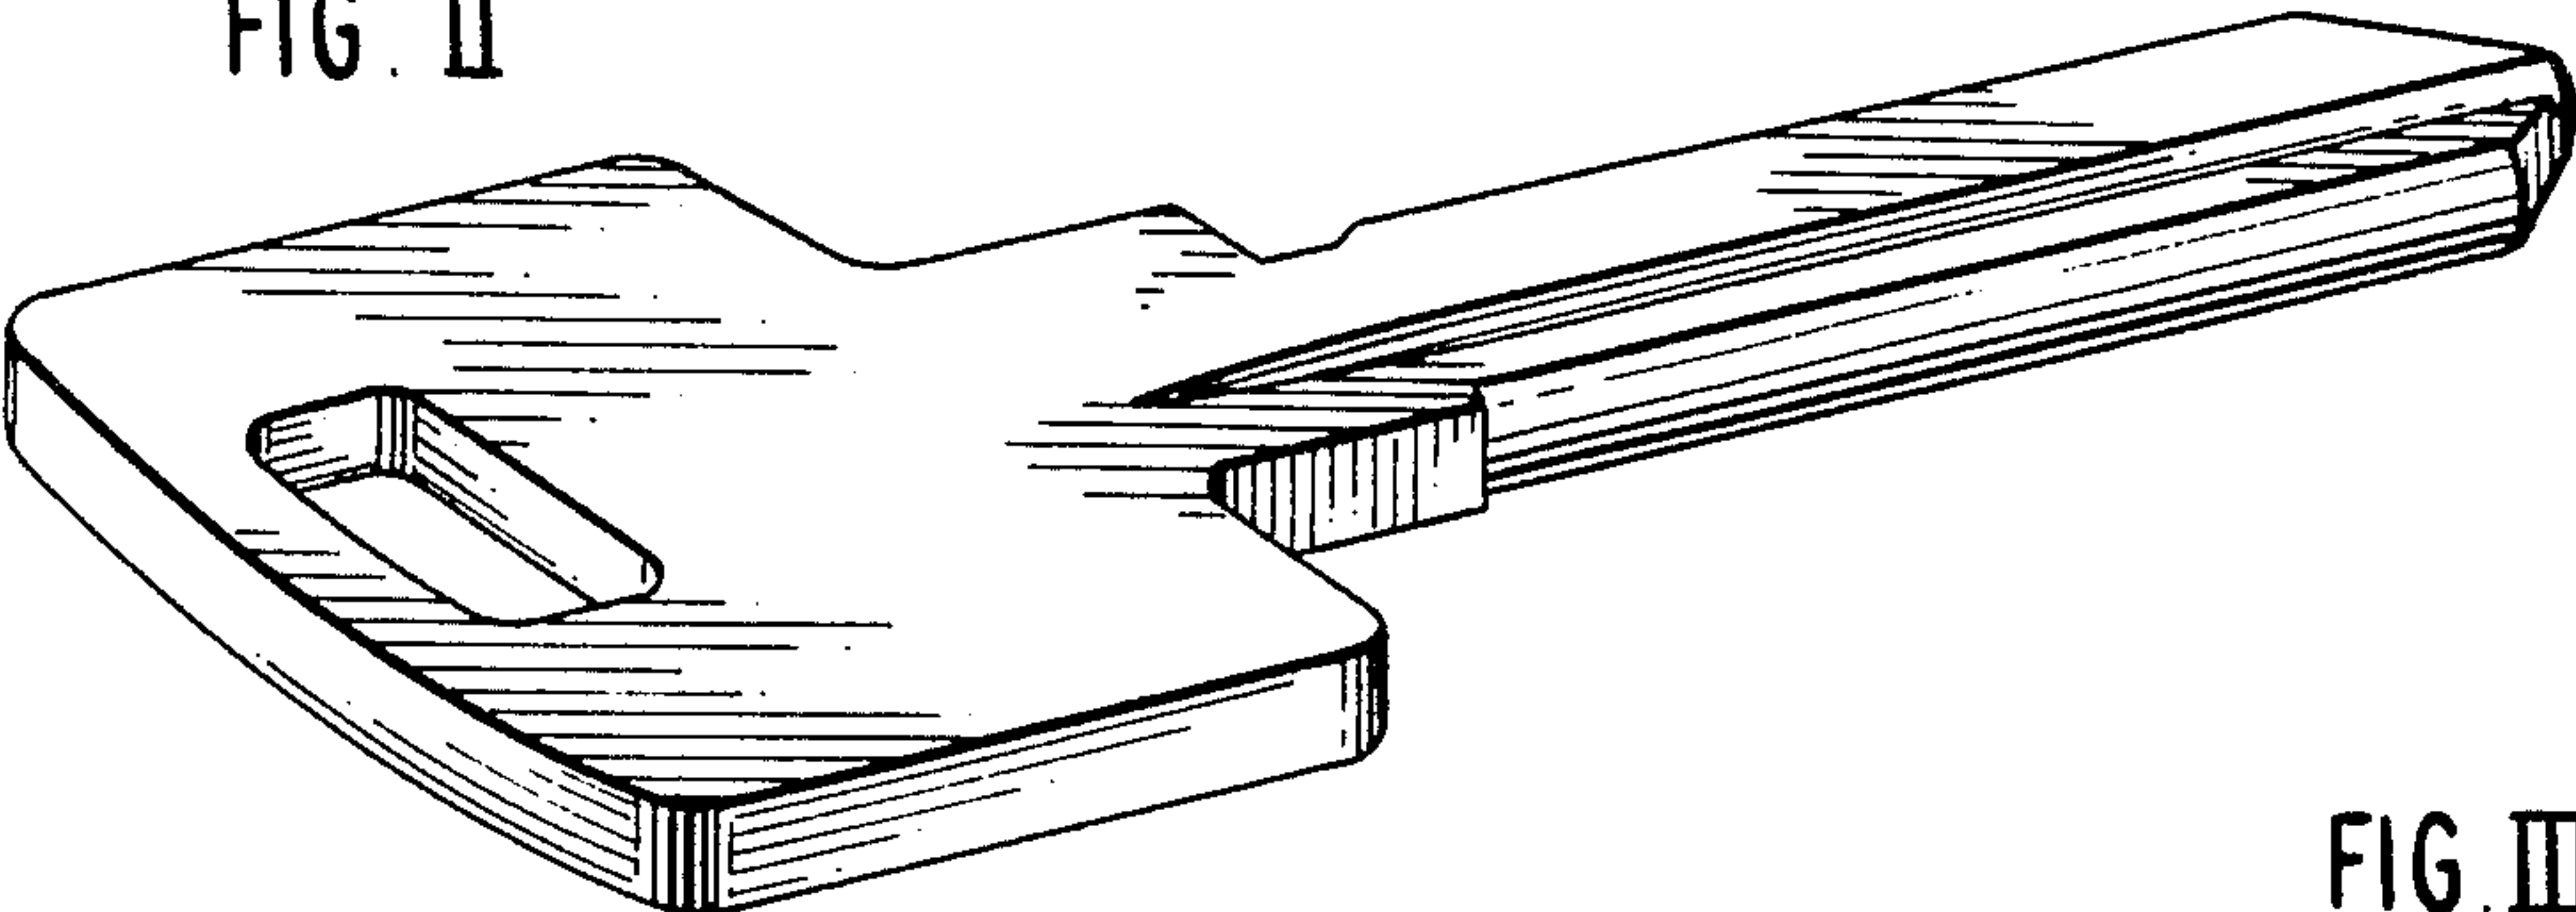

FIG. III

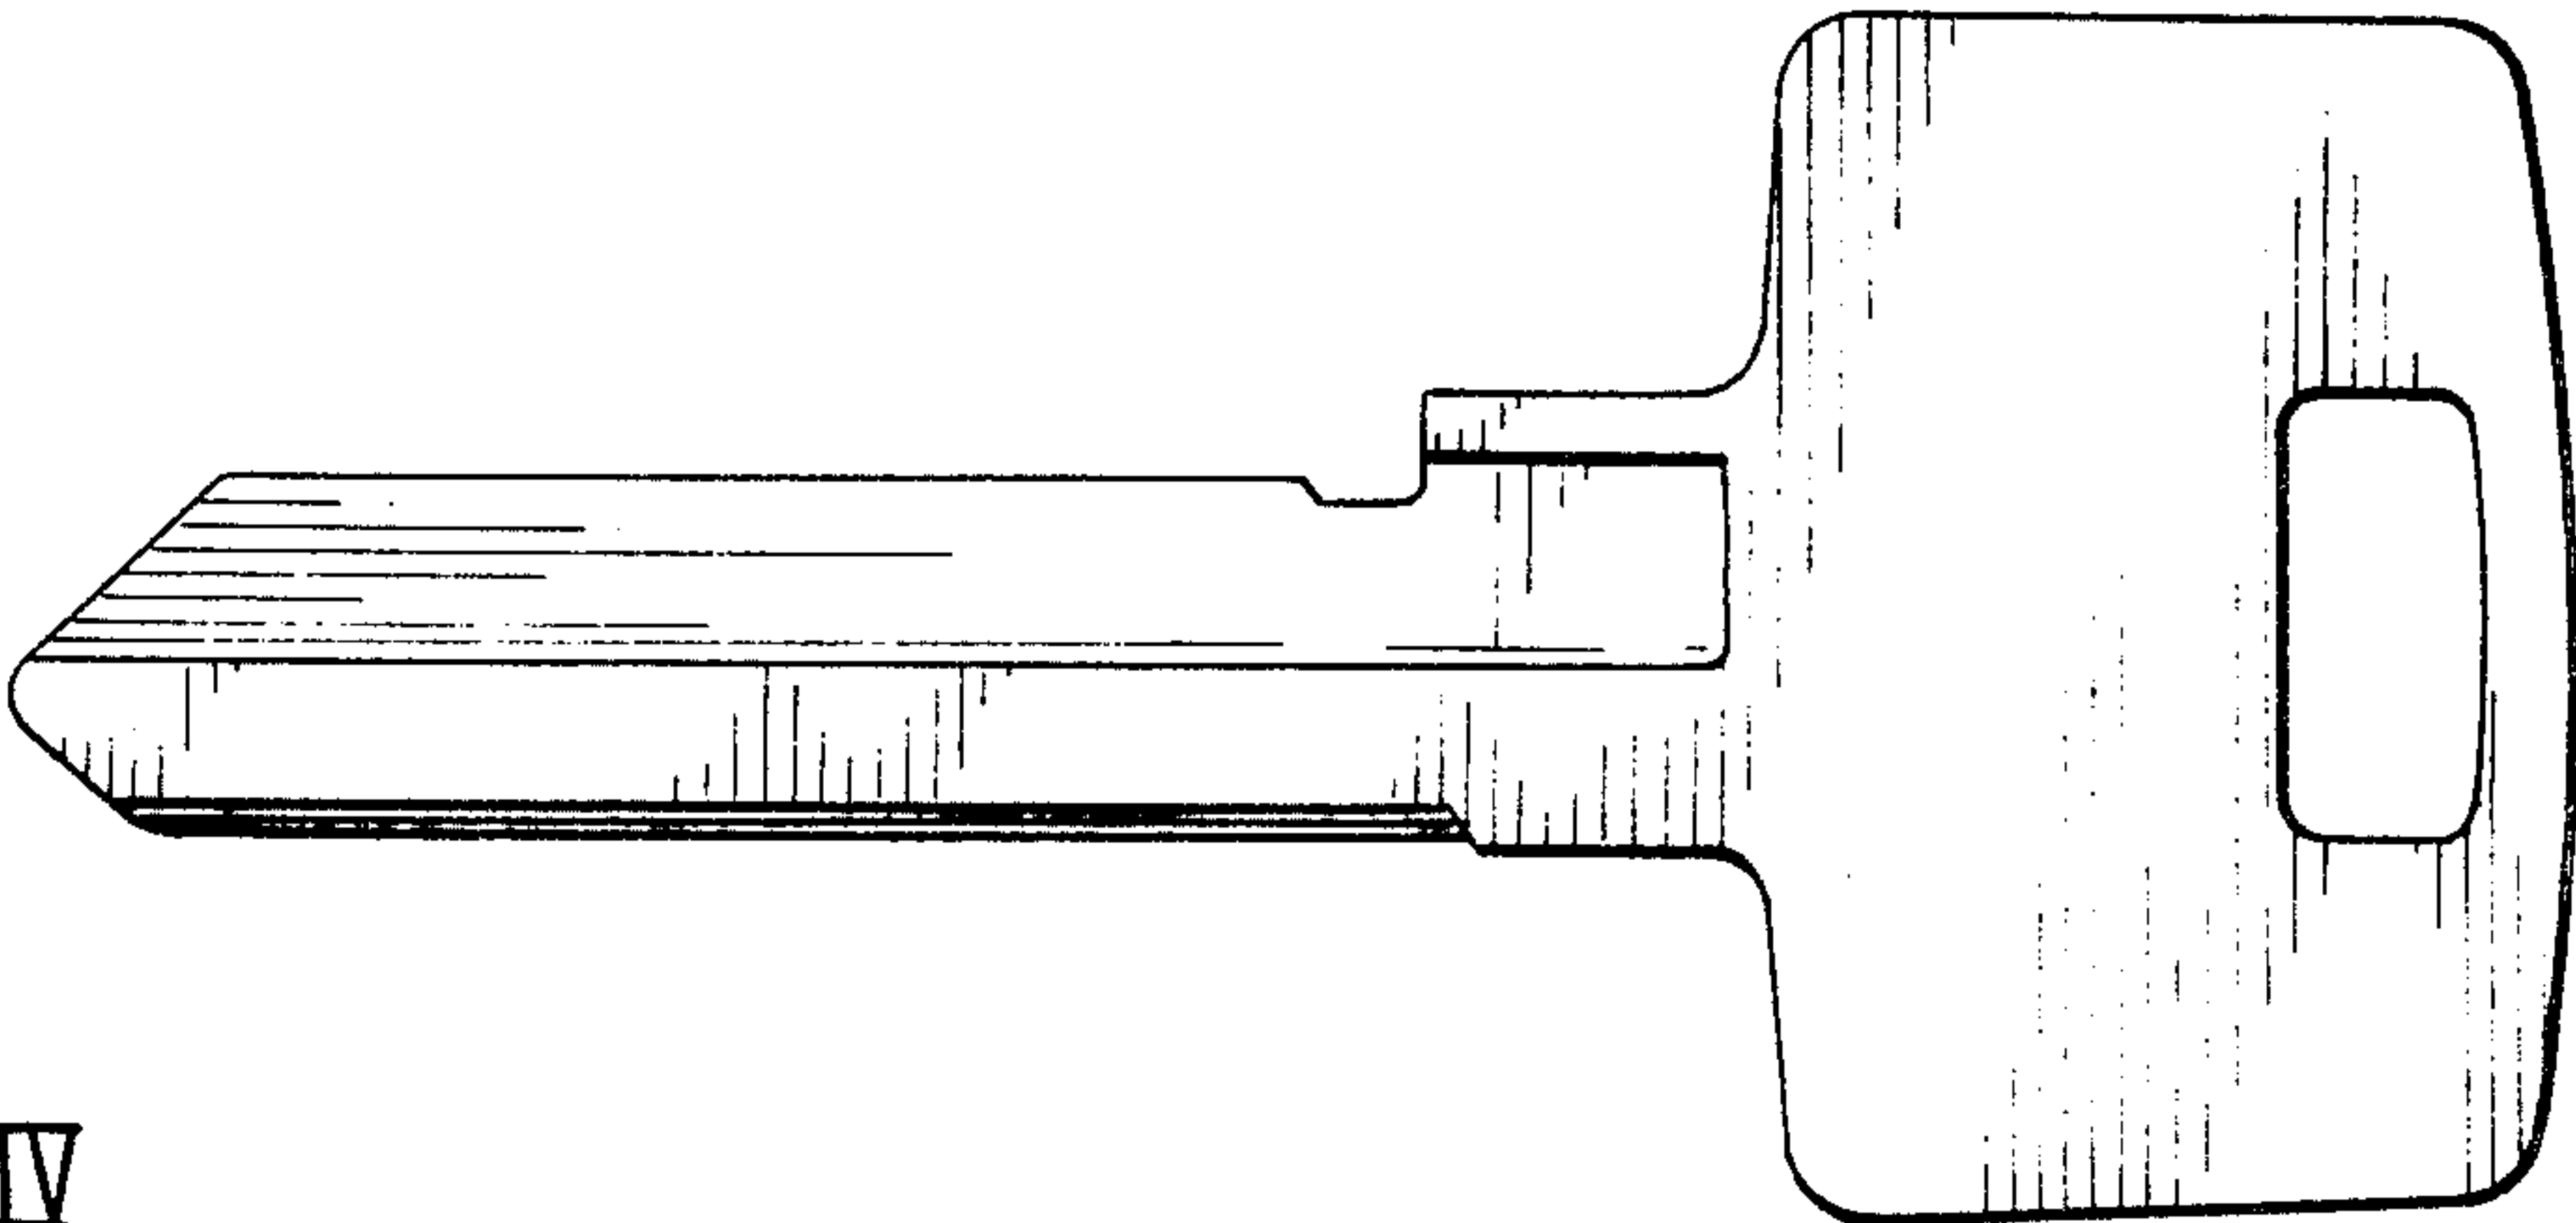

FIG. IV

FIG. V
