[57] CLAIM

The ornamental design for an acoustic pickup for stringed instrument, substantially as shown and described.

## **DESCRIPTION**

FIG. 1 is a front, top and left side perspective view of an acoustic pickup for a stringed instrument showing my new design, with the dot-dash fragmentary cord included for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a left side elevational view thereof; and

FIG. 7 is a bottom plan view thereof.
