[57] CLAIM

The ornamental design for a combined carrying case and folding mat, substantially as shown and described.

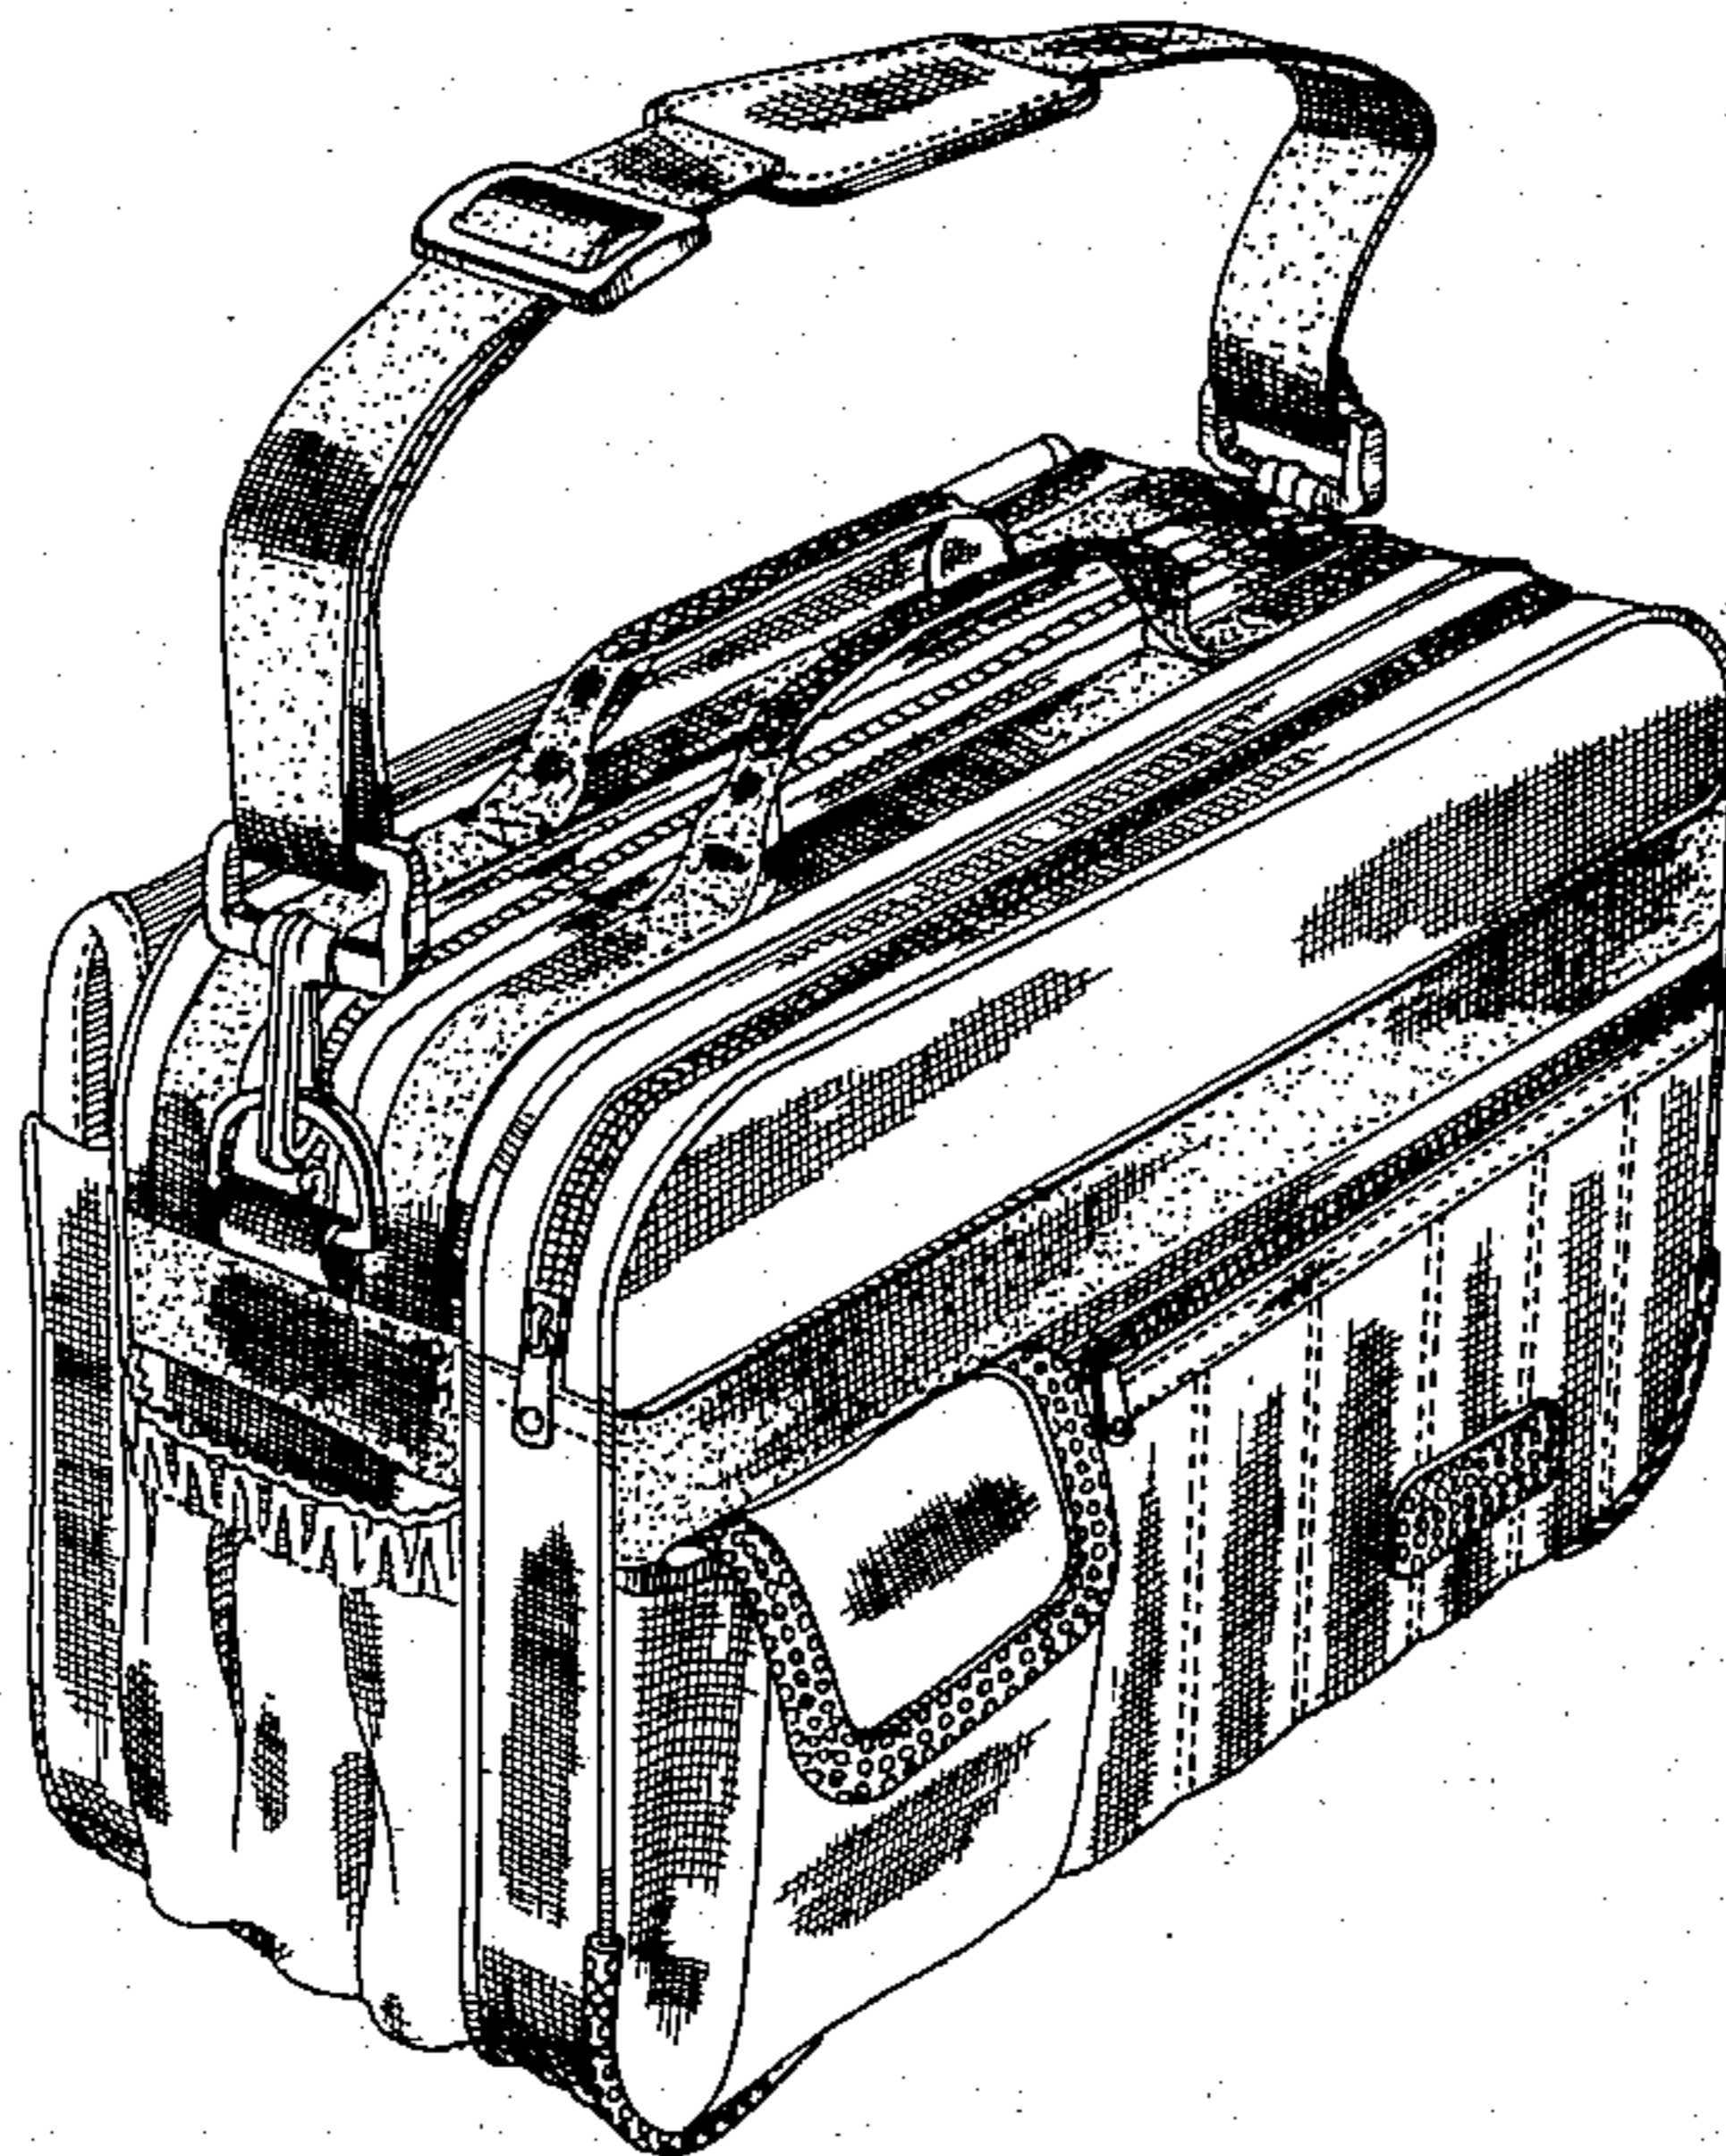

DESCRIPTION

FIG. 1 is a front perspective view of a combined carrying case and folding mat showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a bottom rear perspective view thereof; and FIG. 4 is a rear perspective view thereof with the main compartment open and showing the folding mat removed from the rear pocket and a tethered bag removed from the inside of the case. The undisclosed surfaces of the mat and bag are substantially the same as the portions shown.
