[57] **CLAIM**

The ornamental design for a personal computer, substantially as shown and described.

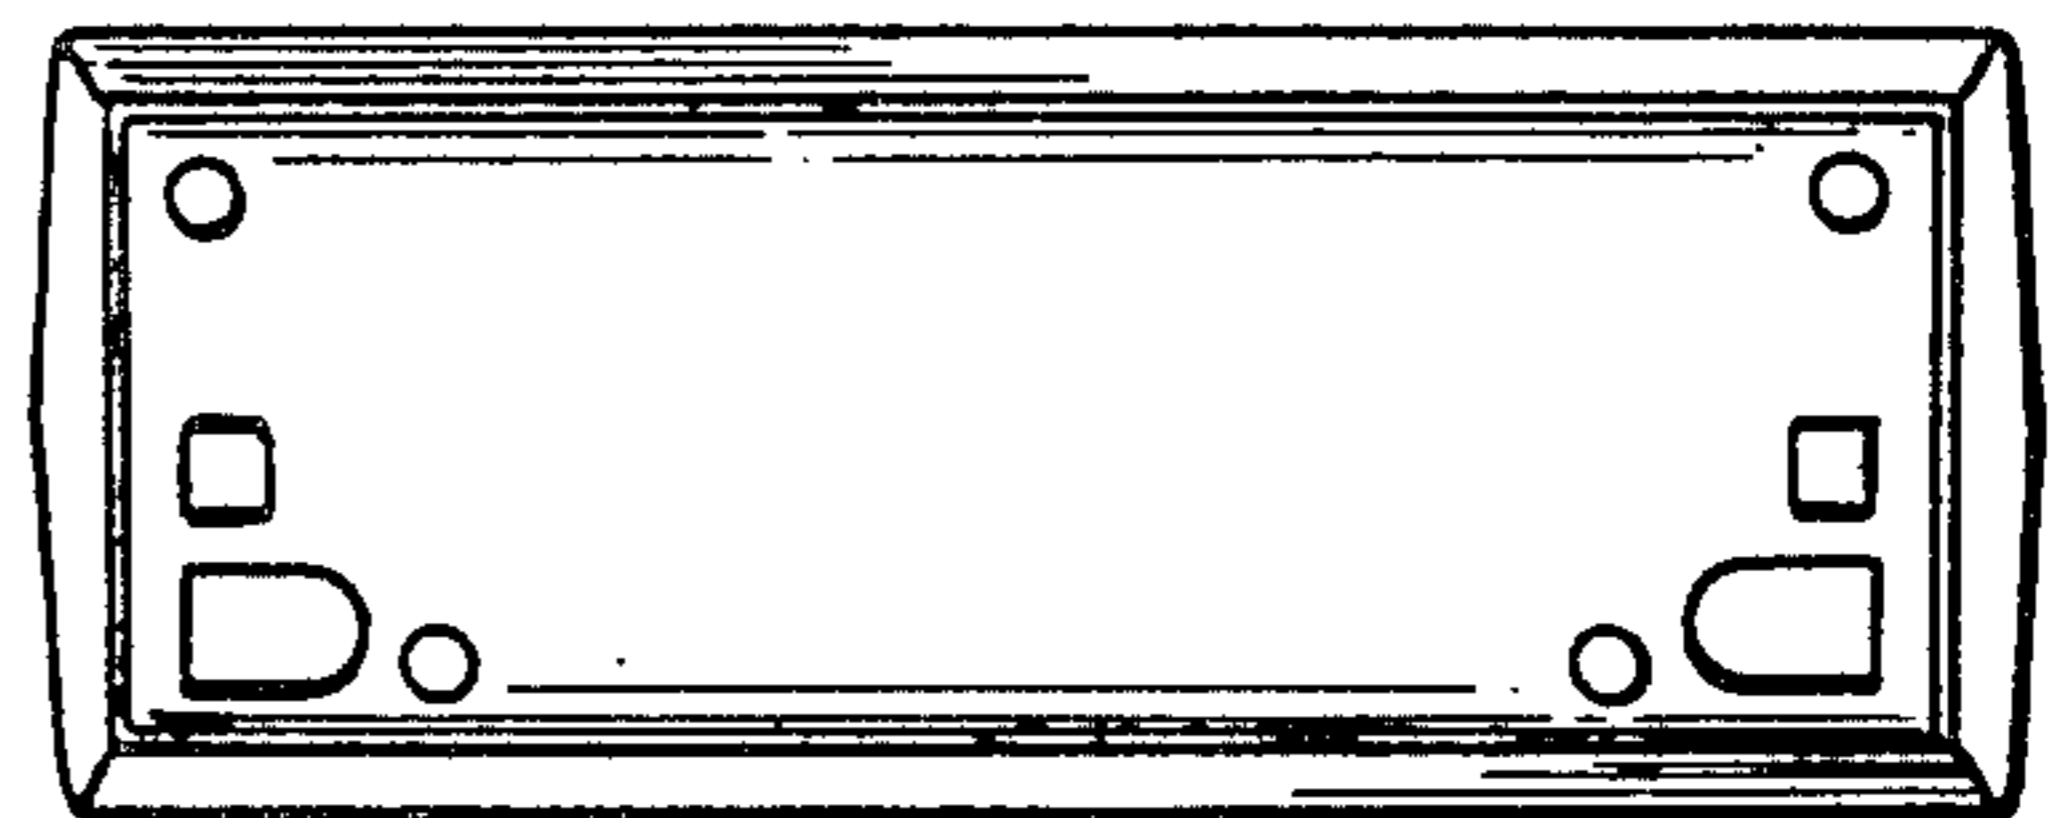

**DESCRIPTION**

FIG. 1 is a perspective view of a personal computer showing my new design, the computer being in a portable upright condition;  
FIG. 2 is a perspective view of the computer from the opposite side, inverted and laying on its side, and with the bottom panel which forms the keyboard in a partially open condition;  
FIG. 3 is a perspective view similar to FIG. 2 but with the panel which forms the keyboard resting in its operational condition; and  
FIG. 4 is a bottom elevational view of the computer in the portable condition.
