[57] CLAIM

The ornamental design for a combined air dam and headlight mounting for motorcycle, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of a combined air dam and headlight mounting for motorcycle embodying our new design in position of use, it being understood that the broken lines are for illustration purposes only;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof; and

FIG. 6 is a left side elevational view, the right side elevational view being substantially a mirror image thereof.
