[57] CLAIM

The ornamental design for a cash classifying and totalizing machine, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a cash classifying and totalizing machine showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a left side elevational view thereof; and

FIG. 6 is a perspective view thereof with the front door opened.

The rear of the cash classifying and totaling machine is plane and unornamented.
