[57] CLAIM

The ornamental design for a visual orientation device for pedestrians, as described and shown.

DESCRIPTION

FIG. 1 is a perspective view of a visual orientation device for pedestrians, showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a top plan view thereof. The broken line disclosure is for illustrative purposes only and forms no part of the claimed design.
