[57] CLAIM

The ornamental design for a telephone stand, as shown and described.

DESCRIPTION

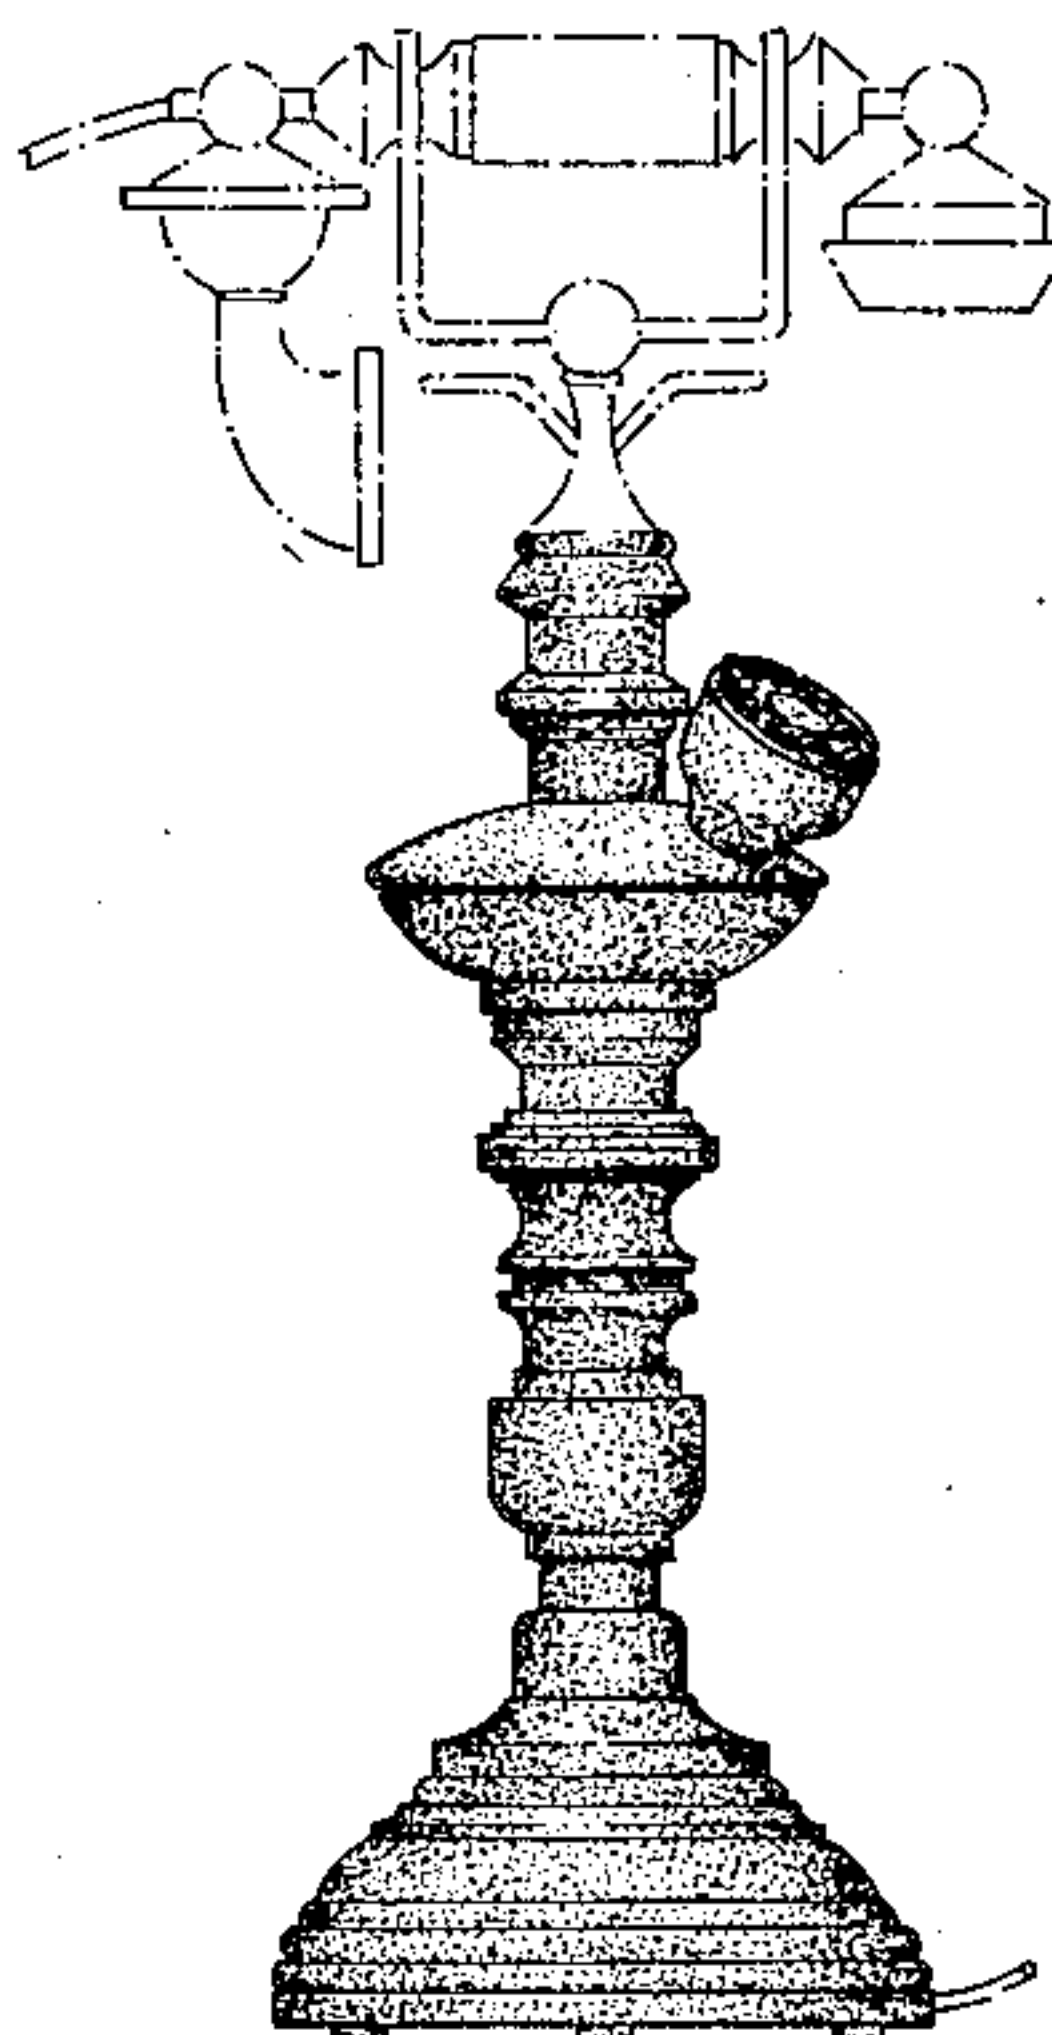

FIG. 1 is a front perspective view of a telephone stand showing my new design;

FIG. 2 is a front elevational view thereof, and views of the rear and opposite sides of the stand are substantially similar to this view;

FIG. 3 is a bottom plan view thereof; and

FIG. 4 is a top plan view thereof.

The outline of a telephone set in broken lines is shown for environmental associational purposes only.
