[57] CLAIM

The ornamental design for a storm door handle unit, as shown and described.

DESCRIPTION

FIG. 1 is a reduced front perspective view of the outer element of the storm door handle unit showing my new design, shown separately for clarity of illustration and the broken line showing of a portion of a door being for illustrative purposes only;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a right side elevational view thereof;
FIG. 6 is a left side elevational view thereof; and
FIG. 7 is a front elevational view of the inner elements, again shown separately for clarity of illustration.
The rear surfaces of the individual elements are unornamented.
