[57] CLAIM

The ornamental design for a combined measuring stick and backscratcher, as shown and described.

DESCRIPTION

FIG. 1 is a front and top-left perspective view of a combined measuring stick and backscratcher showing my new design broken away for ease of illustration; FIG. 2 is a rear perspective view thereof; FIG. 3 is a fragmentary front and top-right perspective view of the top portion of another embodiment of my new design of FIGS. 1-2, it being understood that the undulations on the central rib are continuous for the length of the article; FIG. 4 is a bottom plan view of FIG. 1 and FIG. 3.
