[57] **CLAIM**

The ornamental design for a combination telephone handset and console stand assembly, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from above of a combined telephone handset and console stand assembly showing my new design;

FIG. 2 is a similar perspective view thereof with the handset spaced apart from the console stand;

FIG. 3 is a top plan view of the console stand;

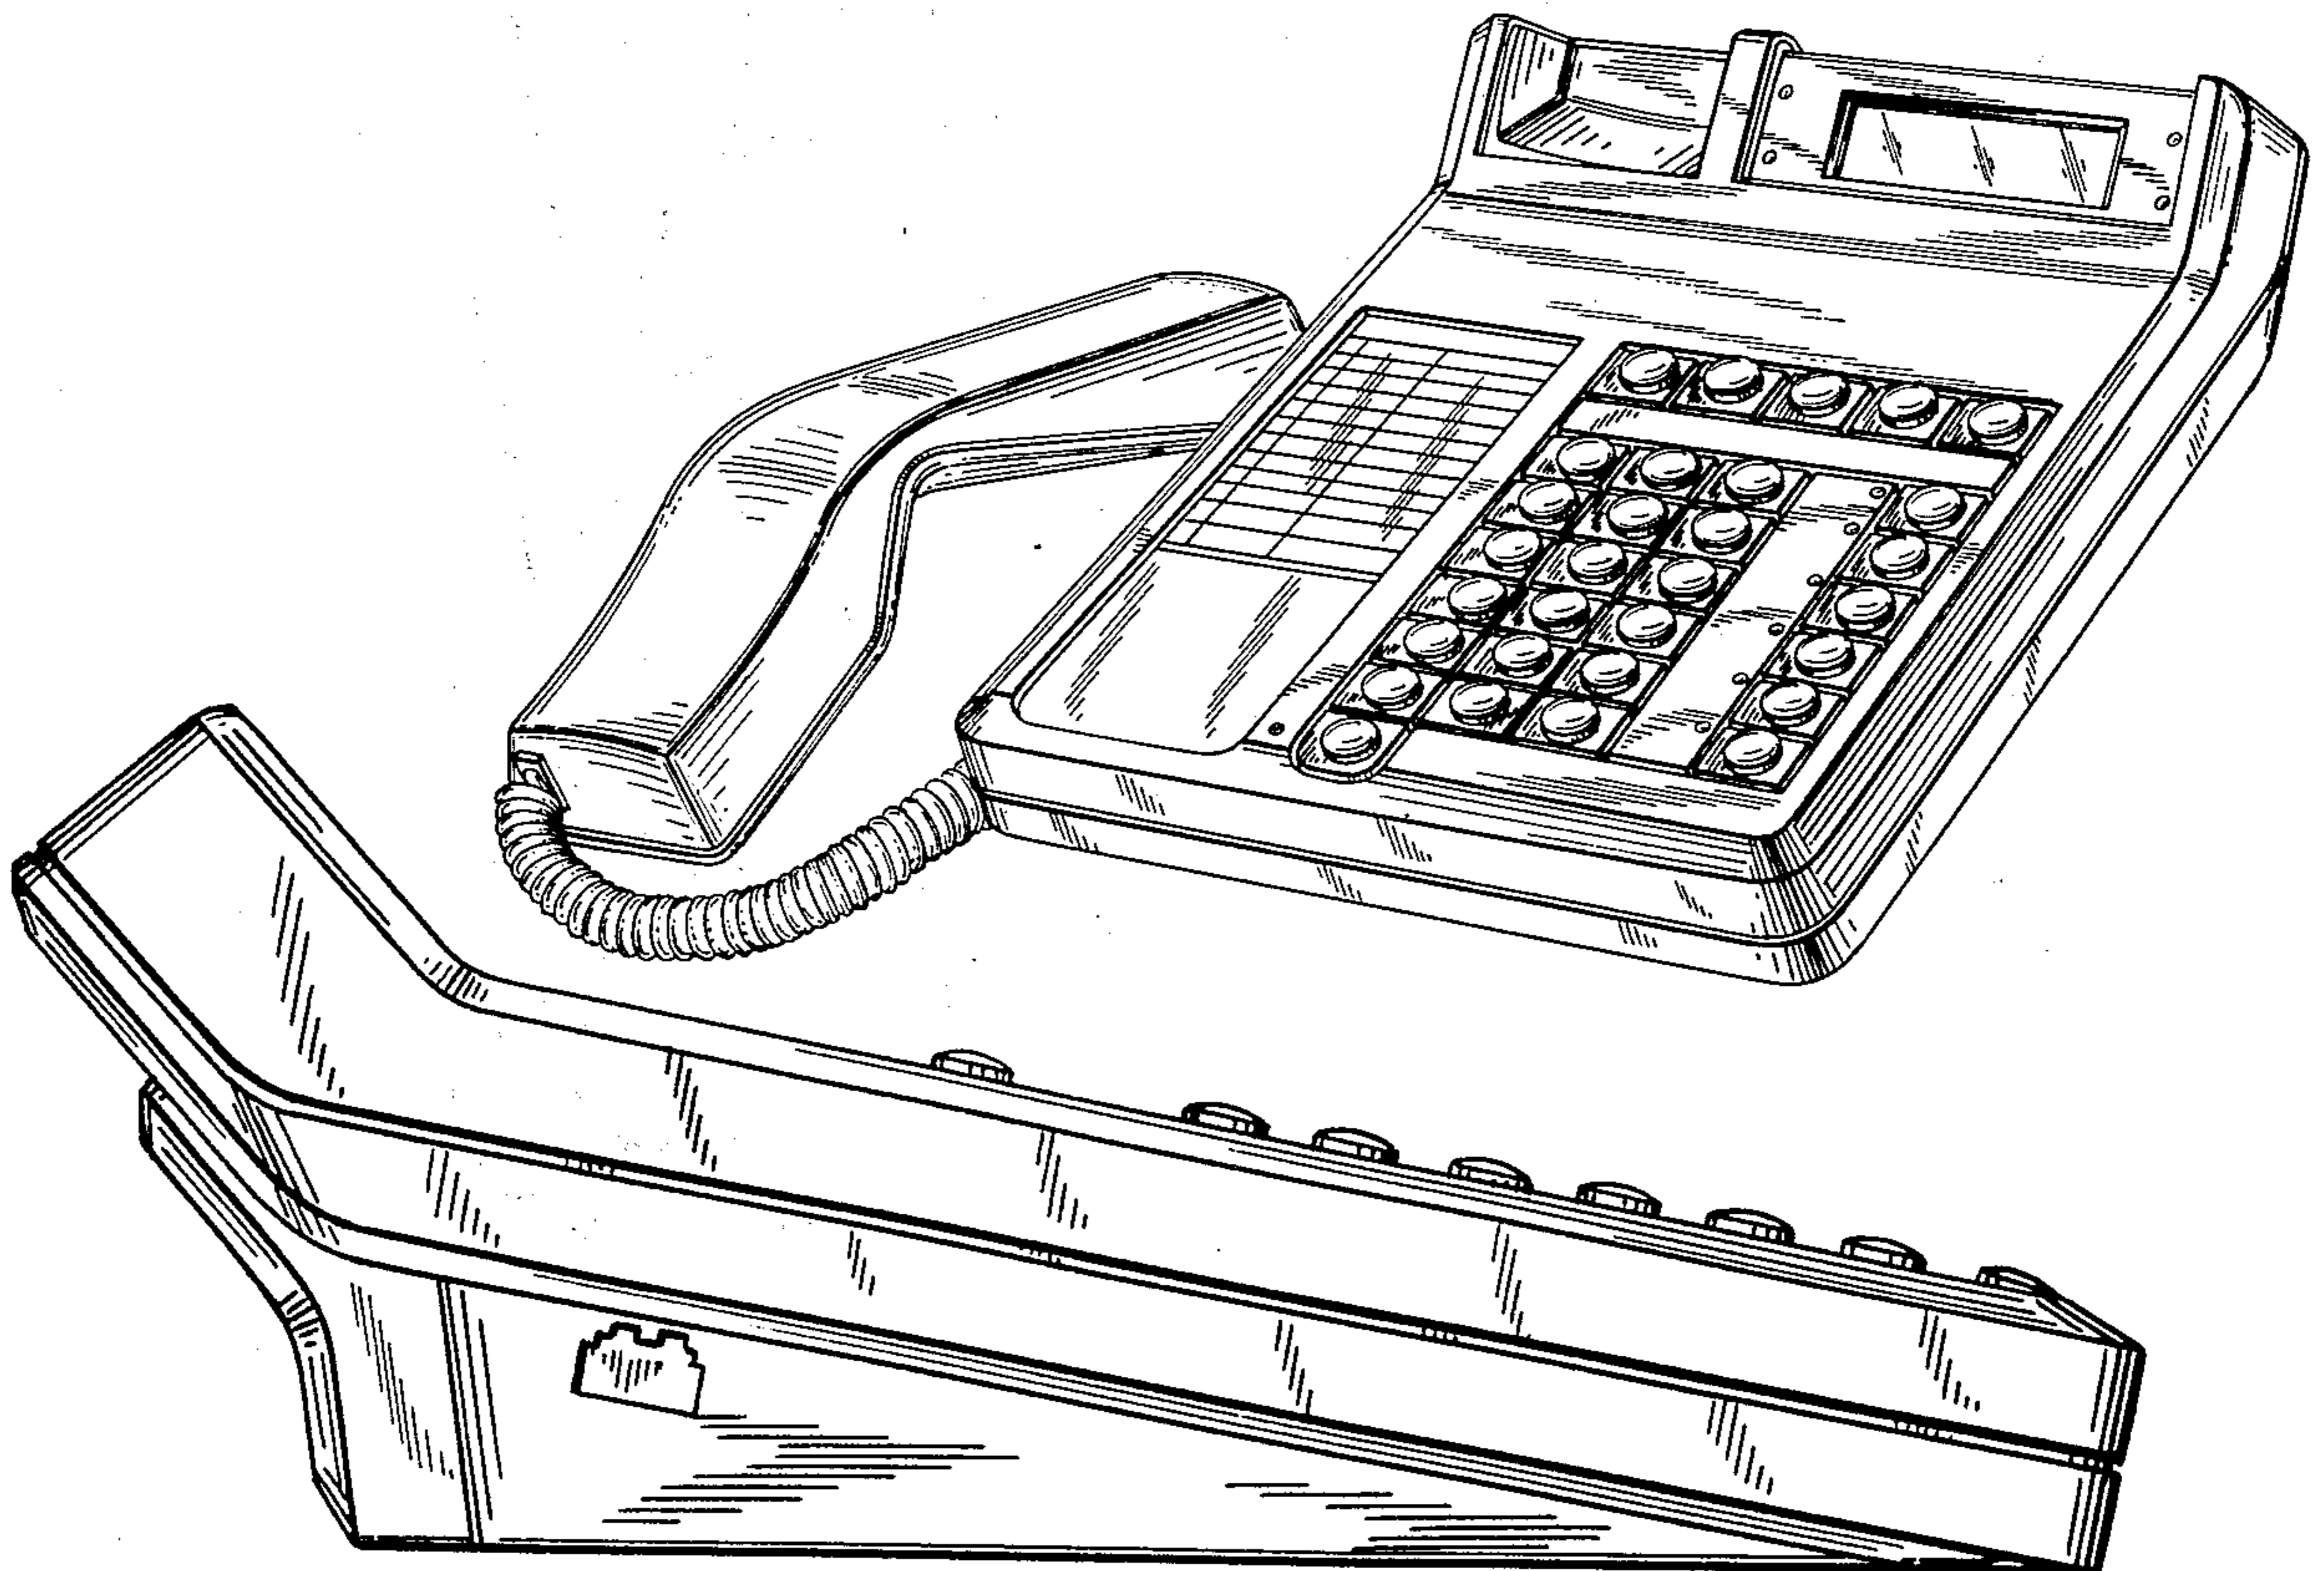

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a rear elevational view thereof; and,

FIG. 7 is a perspective view from above of a second embodiment thereof.

The console stand assembly is shown independently of combination with the handset in some views for the sake of clarity of illustration and exposition.
