[57] **CLAIM**

The ornamental design for a drapery module unit for doors, windows and the like, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a drapery module unit for doors, windows and the like showing my new design, wherein the drapery module unit is fragmentally shown and broken away to show indeterminate length; FIG. 2 is a front perspective view thereof, showing the same in a retracted condition; FIG. 3 is a rear elevational view thereof, showing a portion of the same for compactness of illustration; FIG. 4 is a top plan view of FIG. 3; and FIG. 5 is a top plan view of FIG. 3, showing the same in retracted condition.
