[57] CLAIM

The ornamental design for a combined fryer and steamer, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a combined fryer and steamer, showing my new design; the rear elevational view being a mirror image thereof;
FIG. 2 is a right side elevational view thereof; the left side elevational view being a mirror image thereof except for the electrical connection;
FIG. 3 is an exploded front perspective view thereof showing the lid, the steamer tray and the base; and
FIG. 4 is a top perspective view showing the poacher tray.
