[57] **CLAIM**

The ornamental design for spectacle frame, substantially as shown and described.

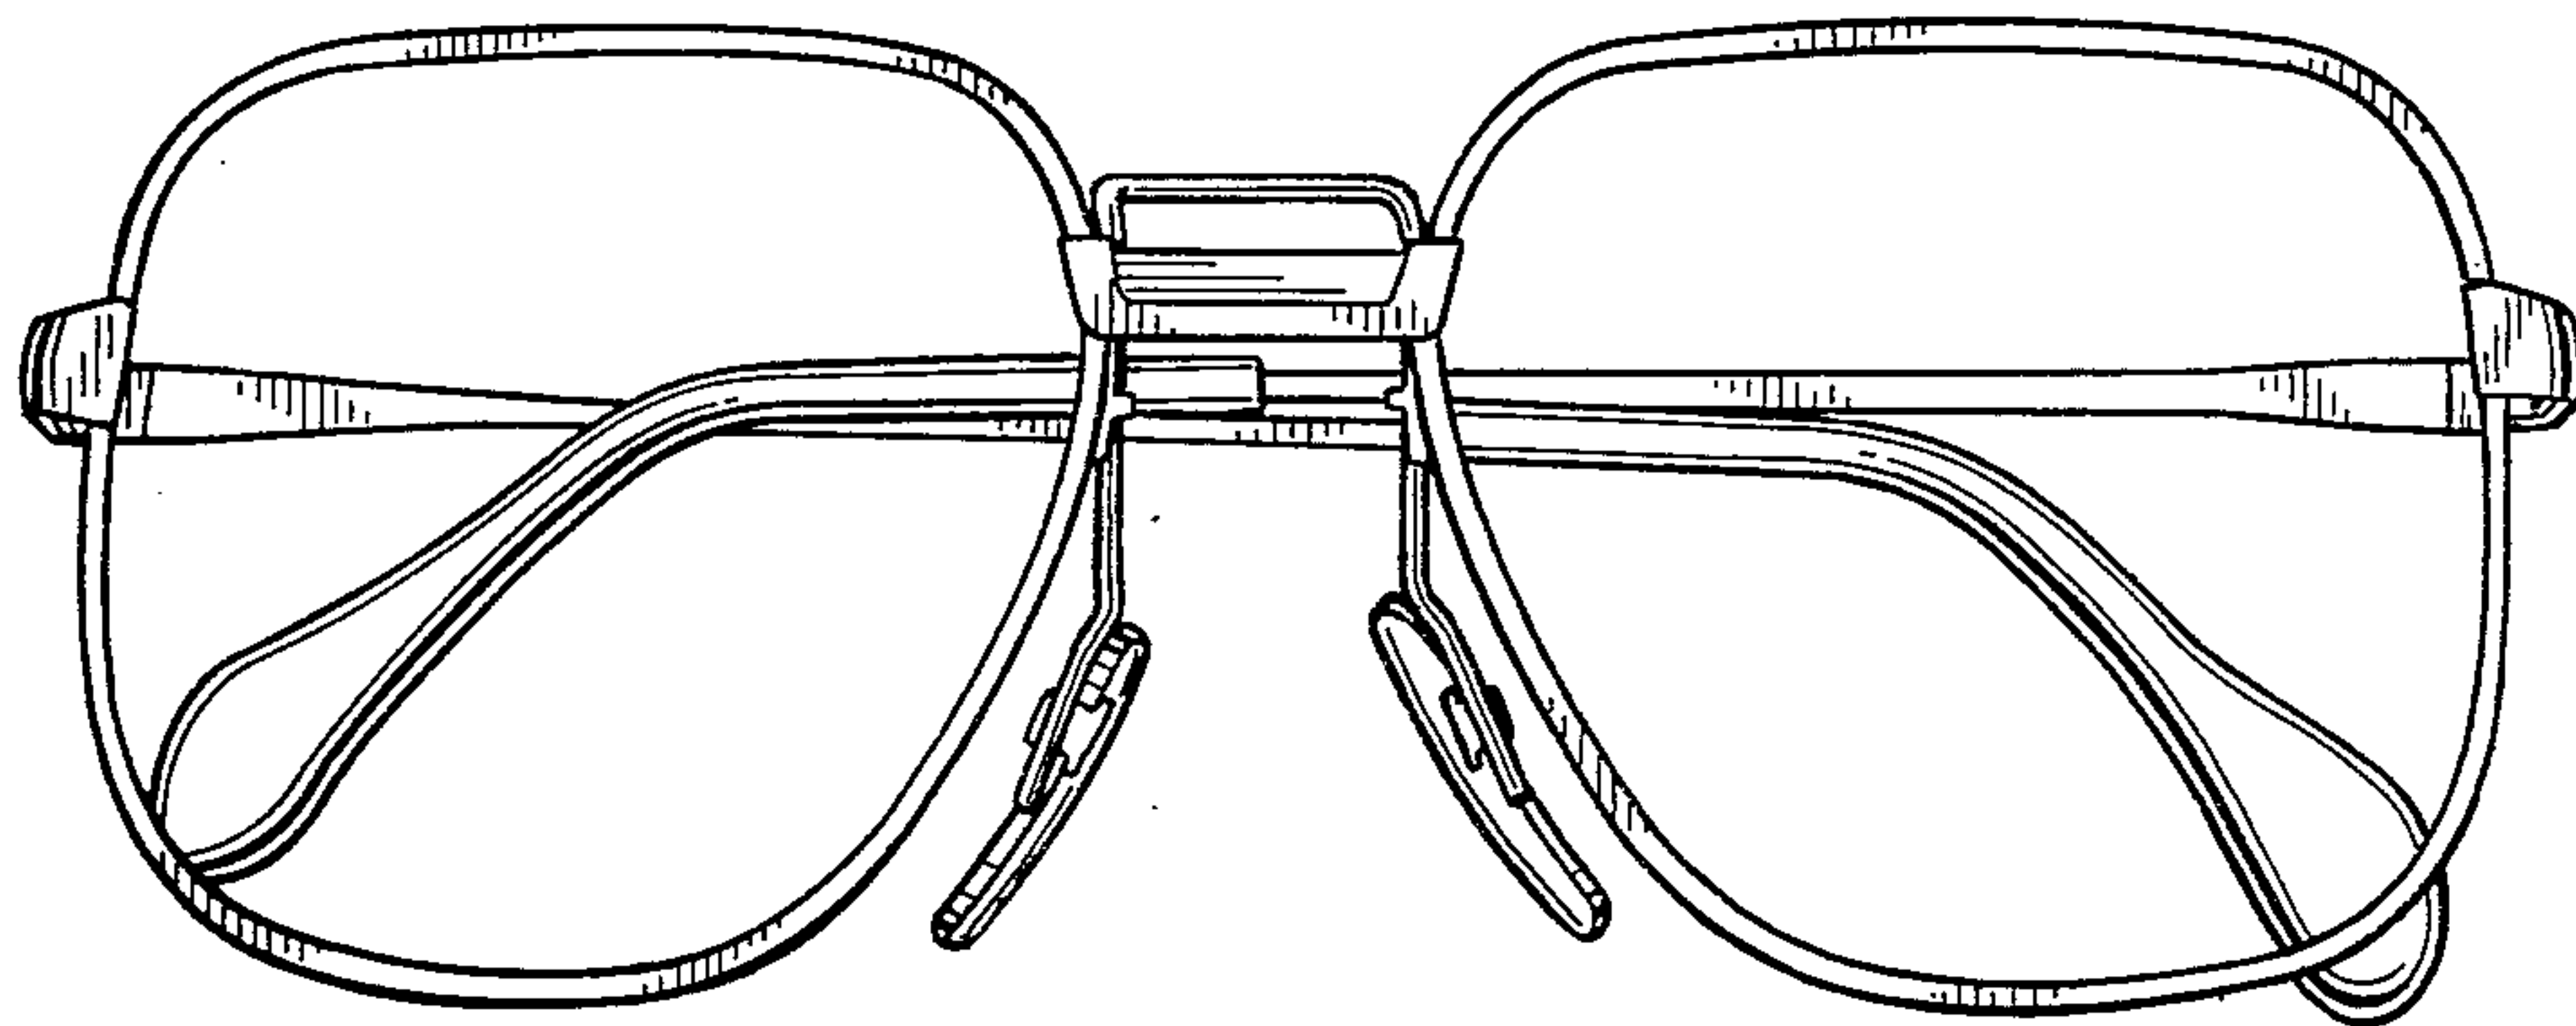

DESCRIPTION

FIG. 1 is a front elevational view of the spectacle frame showing my new design, the sliding adjustable nose piece being in its lowest position;

FIG. 2 is a fragmentary rear perspective view thereof, with the nose piece being in an up position and the temples being fragmentarily shown for convenience of illustration;

FIG. 3 is a front elevational view thereof, with the nose piece being in an up position;

FIG. 4 is a fragmentary rear perspective view thereof, with the nose piece being in the lowest position, the temple being fragmentarily shown for convenience of illustration.

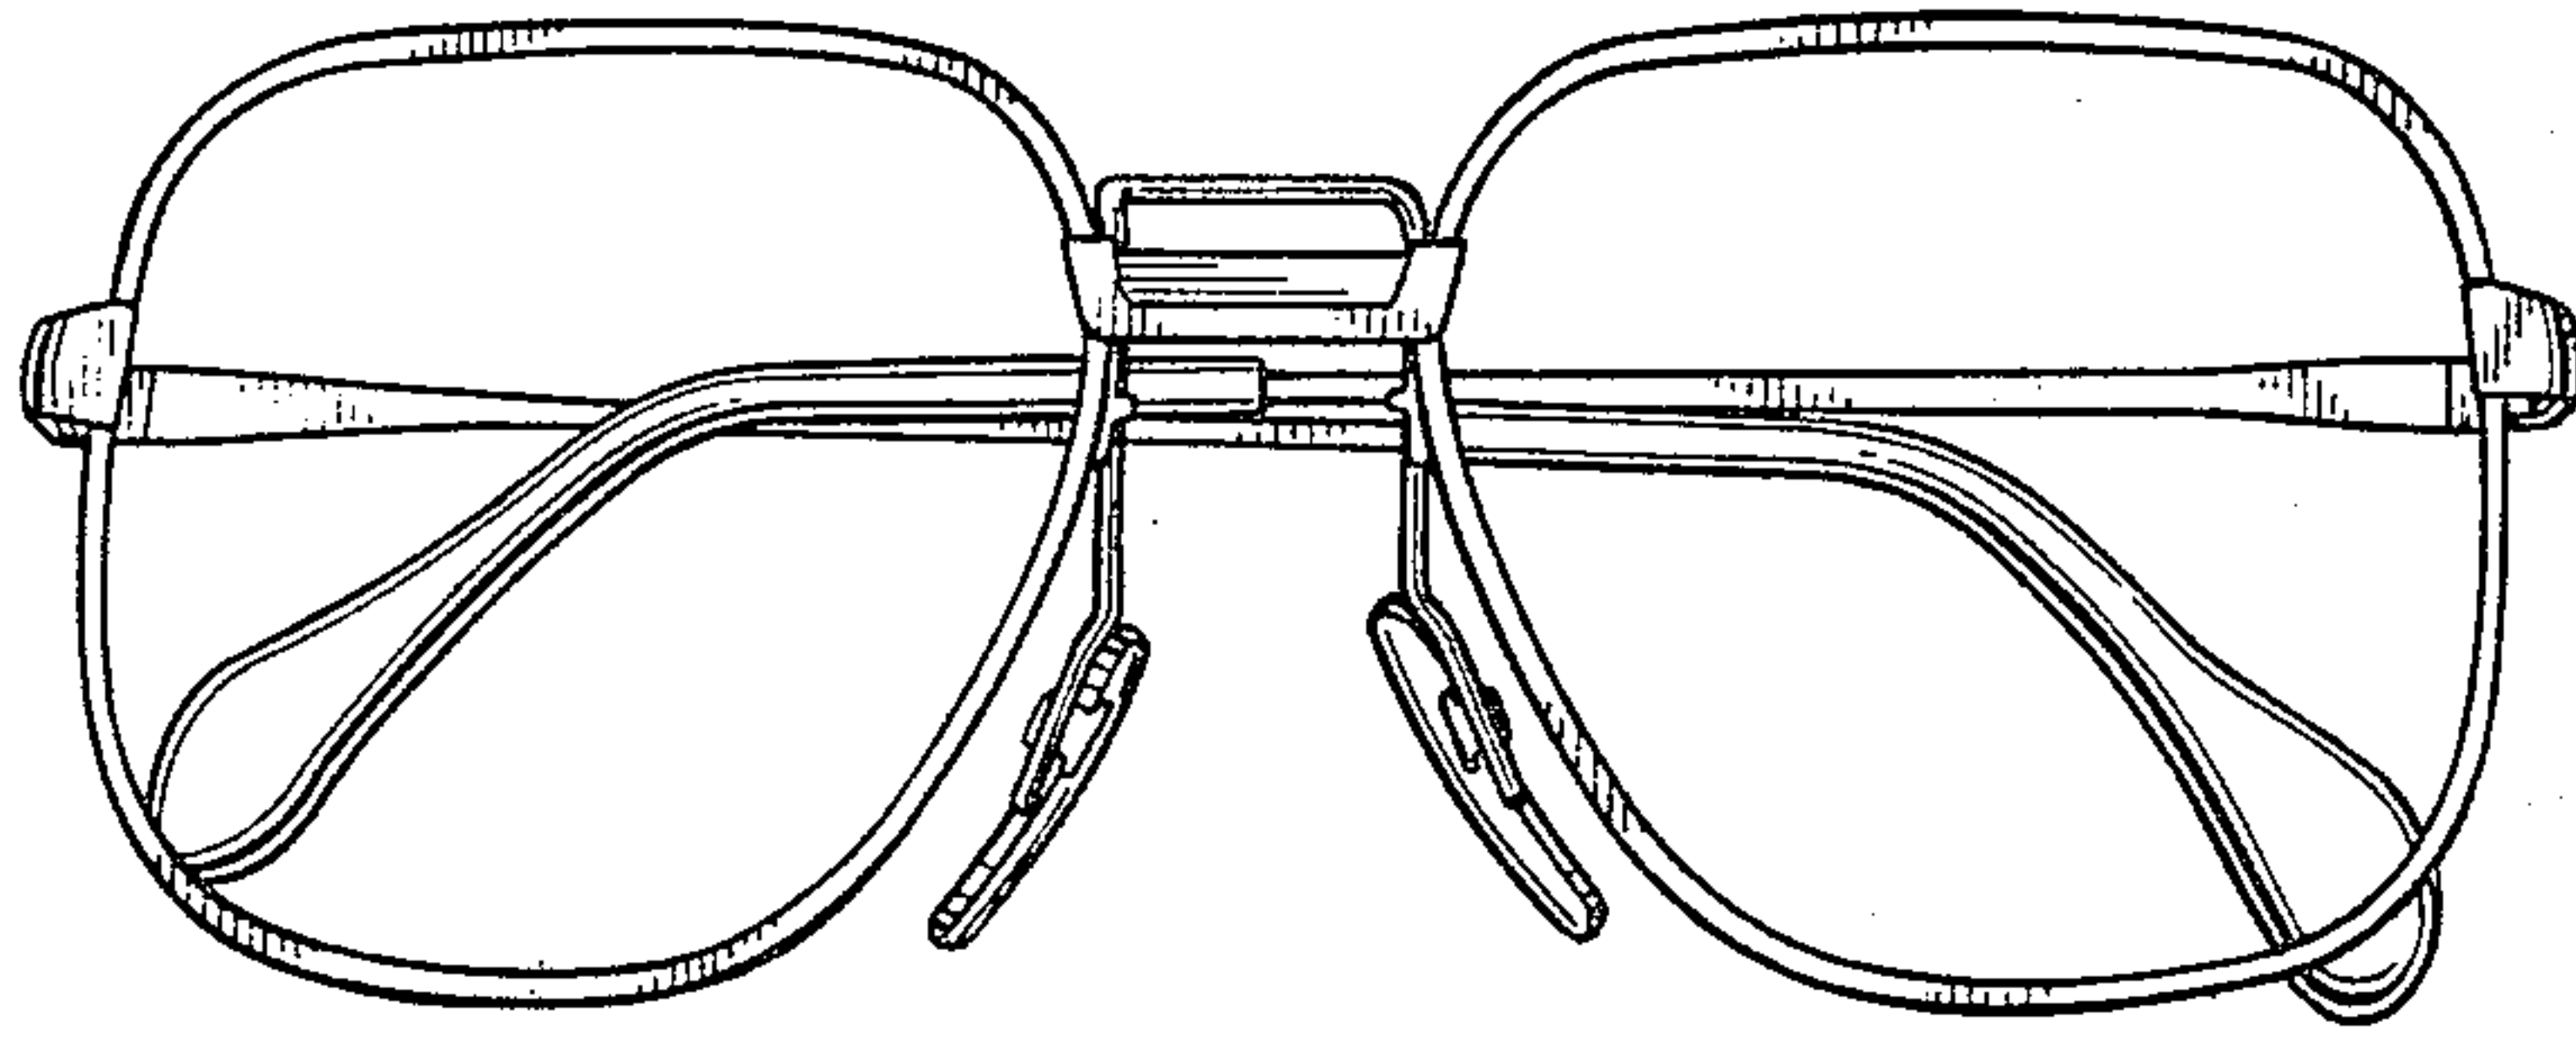

FIG. 1

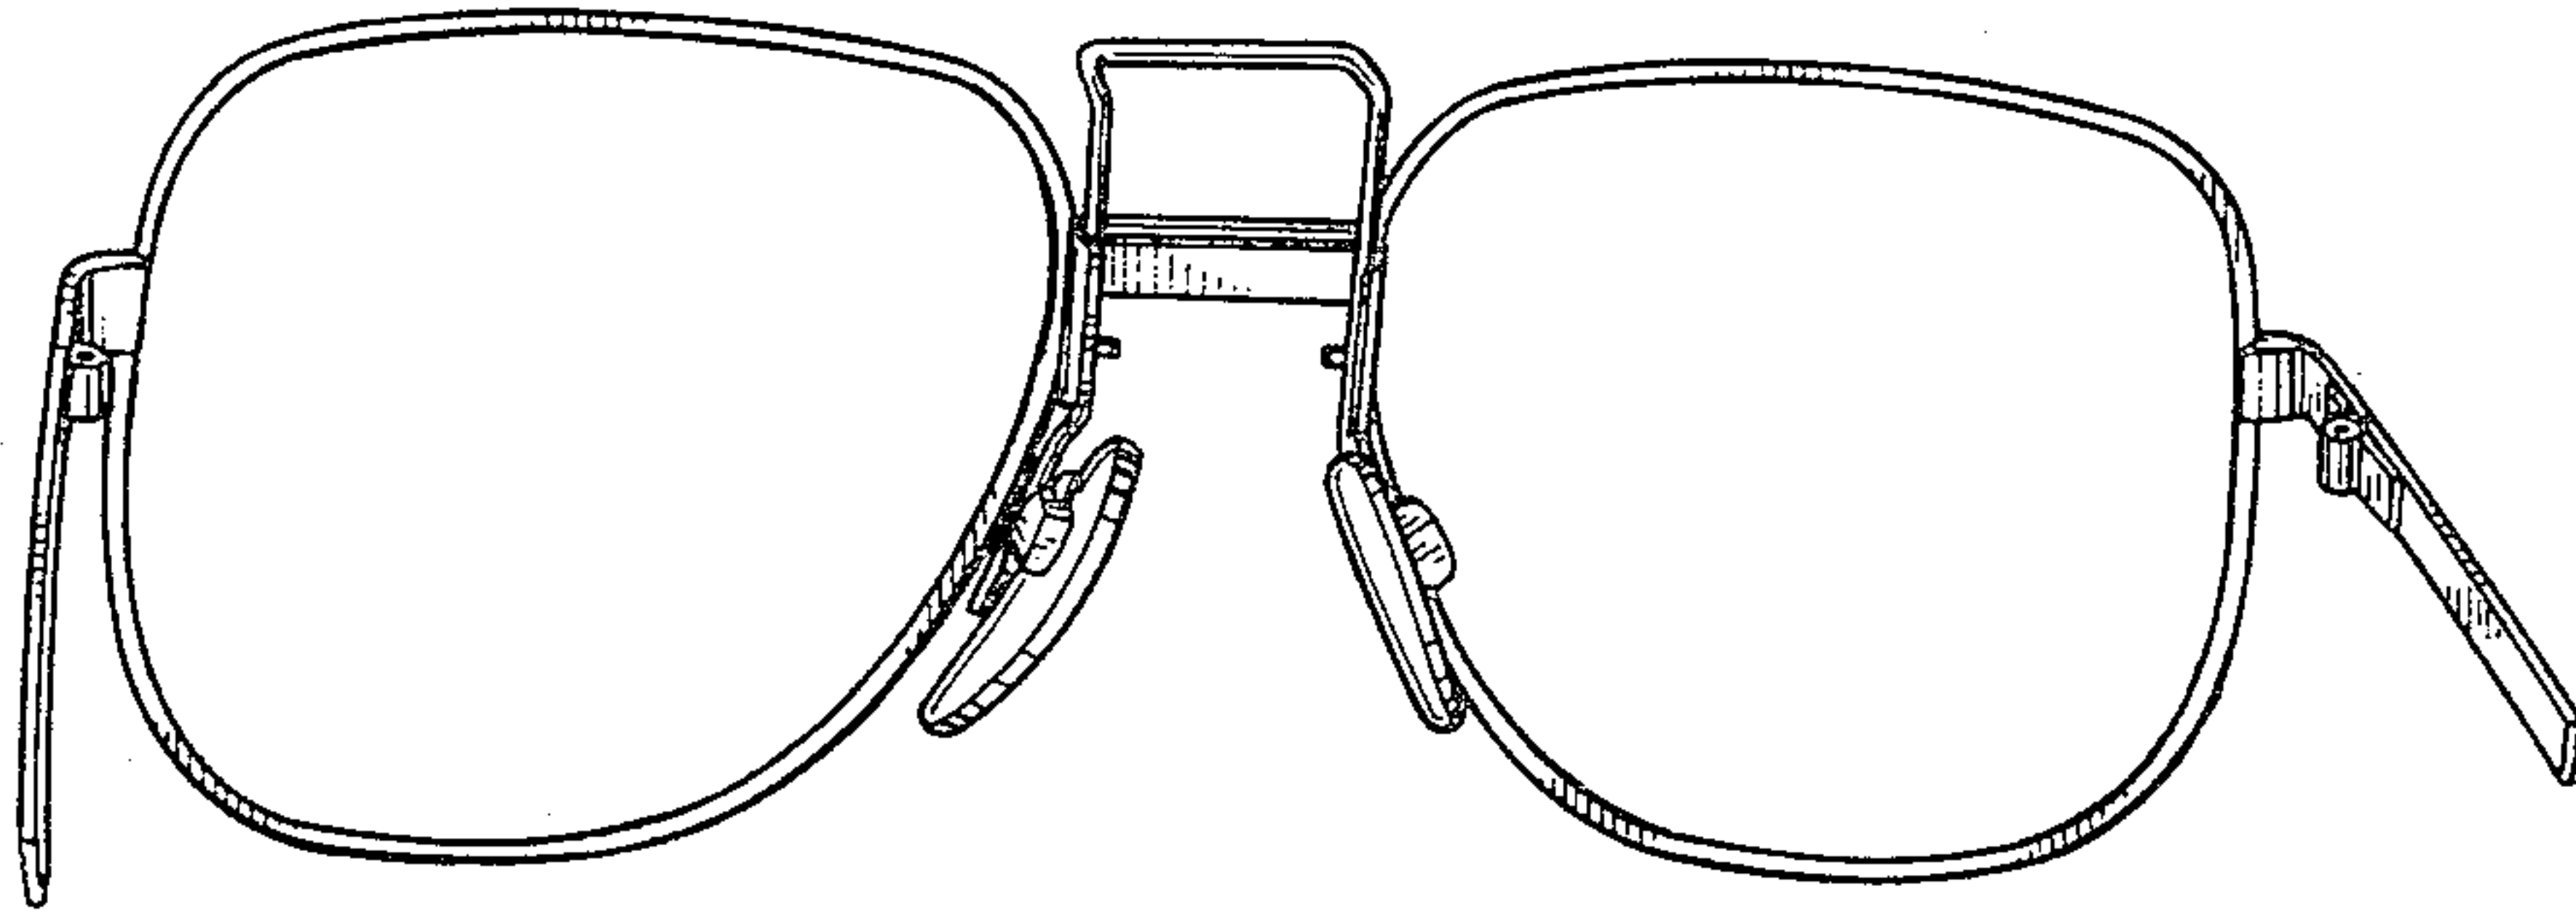

FIG. 2

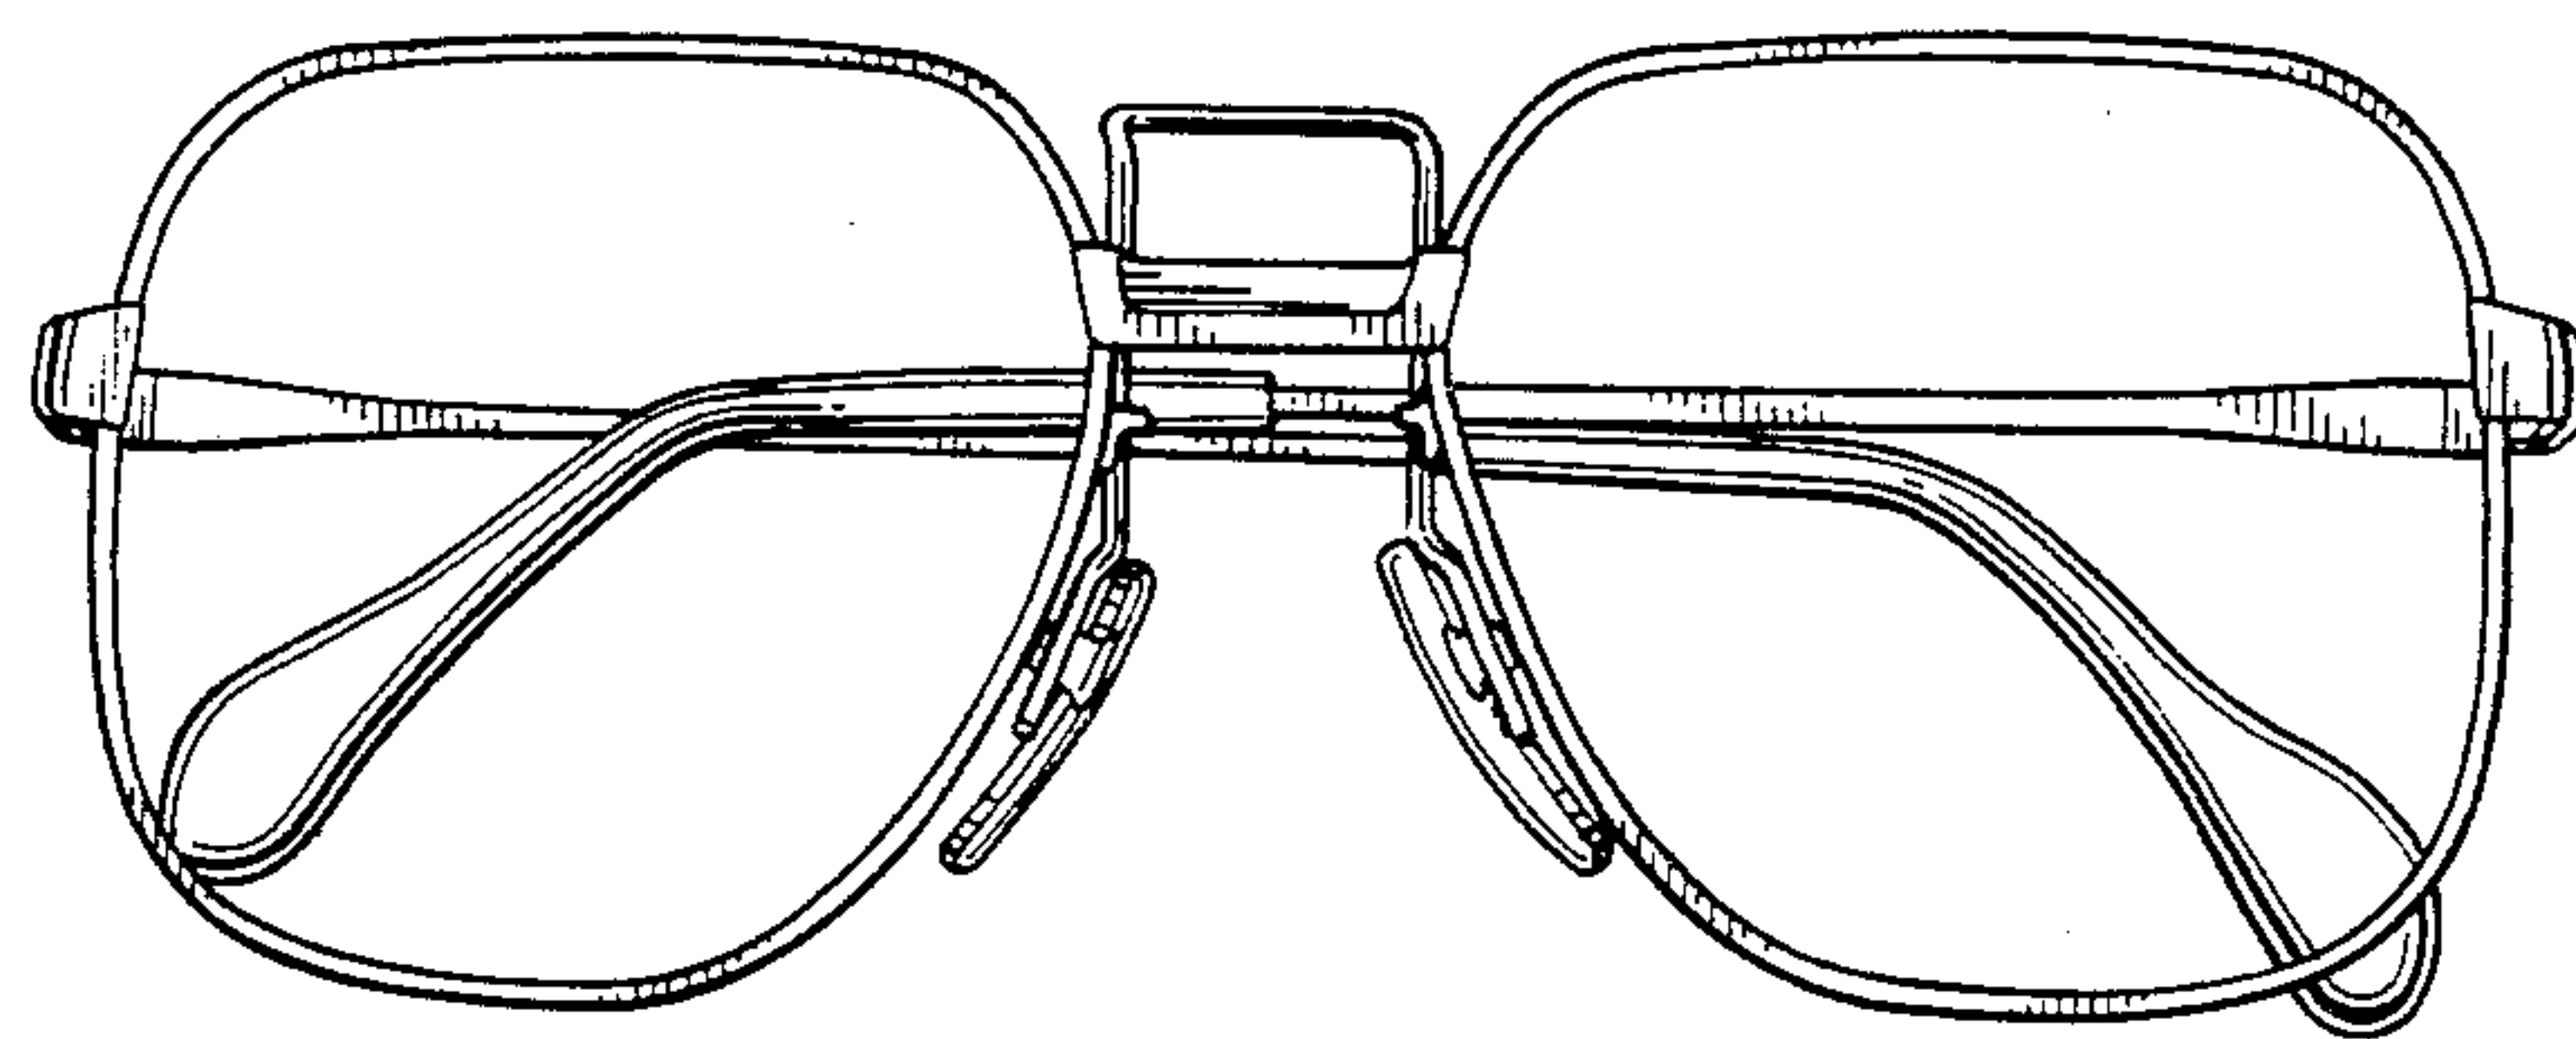

FIG. 3

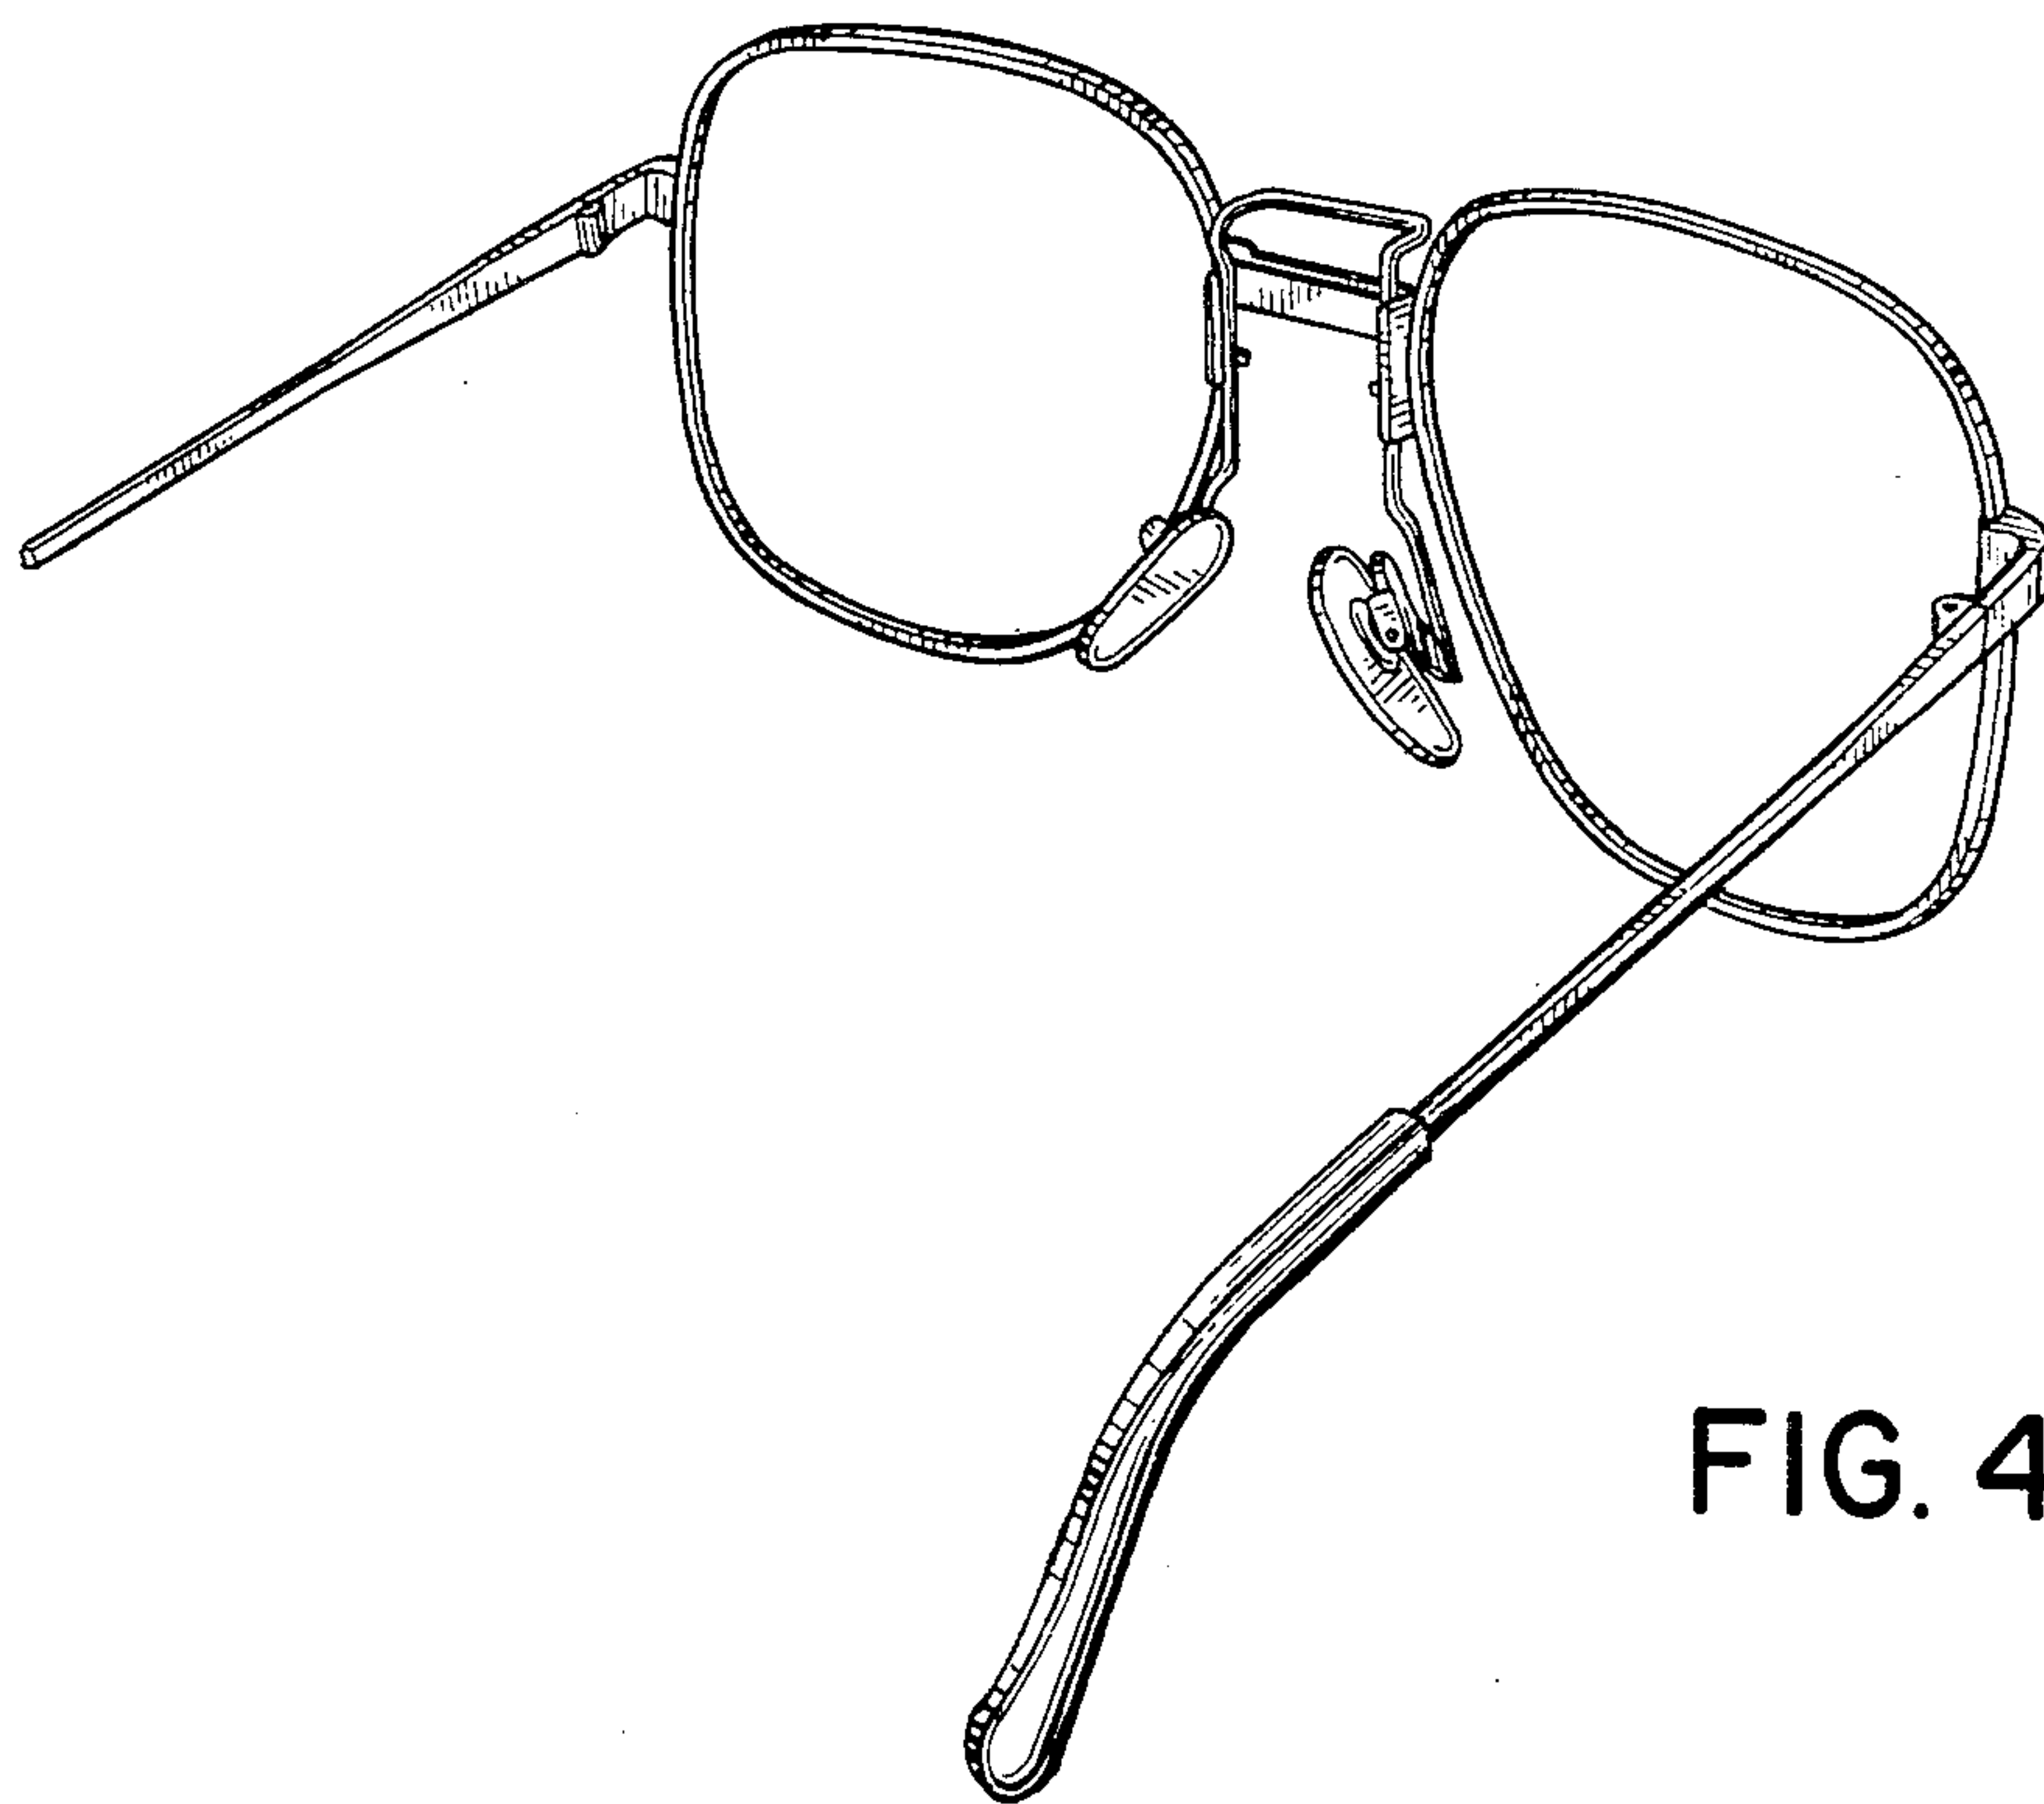

FIG. 4
