[57] CLAIM

The ornamental design for a force indicating unit for torque wrench, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a force indicating unit for torque wrench showing my new design with the torque wrench shown in broken lines for illustrative purposes only;

FIG. 2 is a top view of a force indicating unit for torque wrench showing my new design;

FIG. 3 is a side view thereof, the opposite side being a mirror image;

FIG. 4 is a bottom view thereof;

FIG. 5 is an end view thereof;

FIG. 6 is an opposite end view thereof.
