[57] CLAIM

The ornamental design for a wide angle strobe light for emergency vehicles or the like, substantially as shown and described.

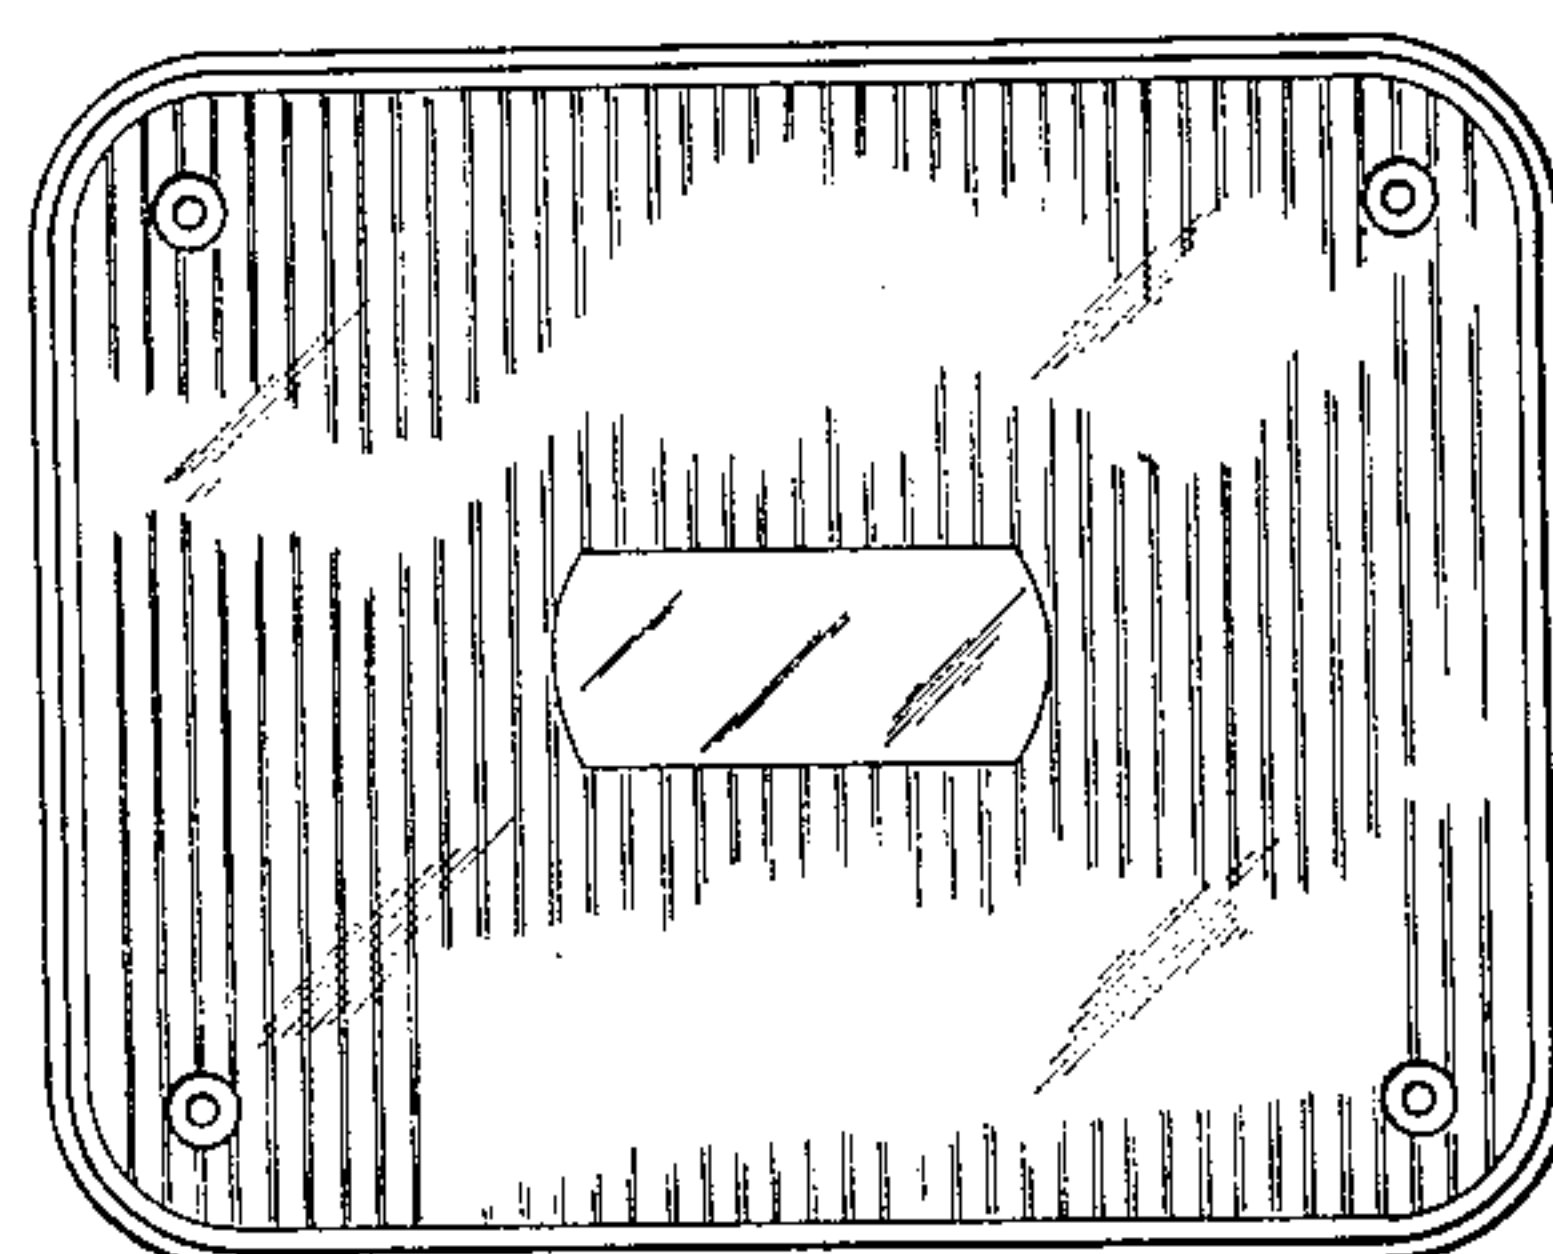

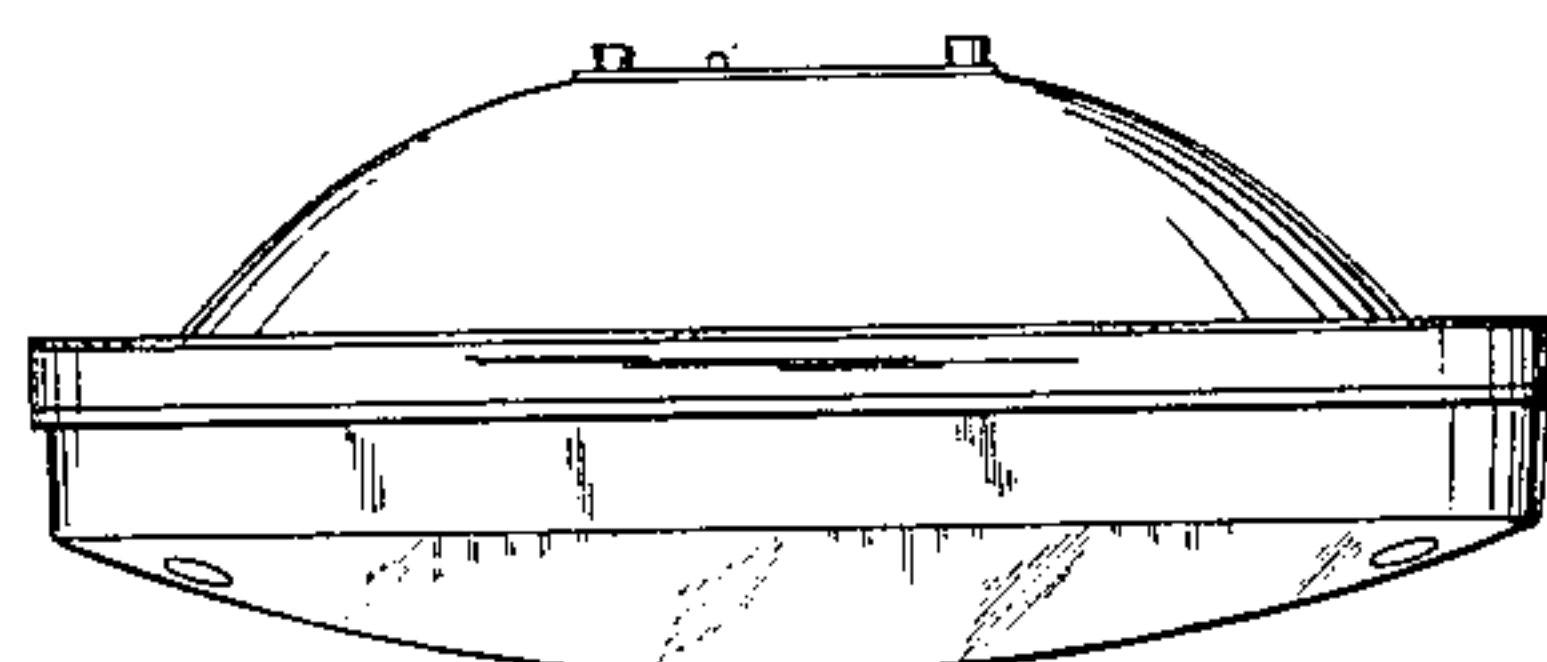

DESCRIPTION

FIG. 1 is a top view of a wide angle strobe light for emergency vehicles or the like in accordance with my novel design, the light appearing the same from the bottom;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof; and

FIG. 4 is a side elevational view thereof, the light appearing the same from the opposite side.

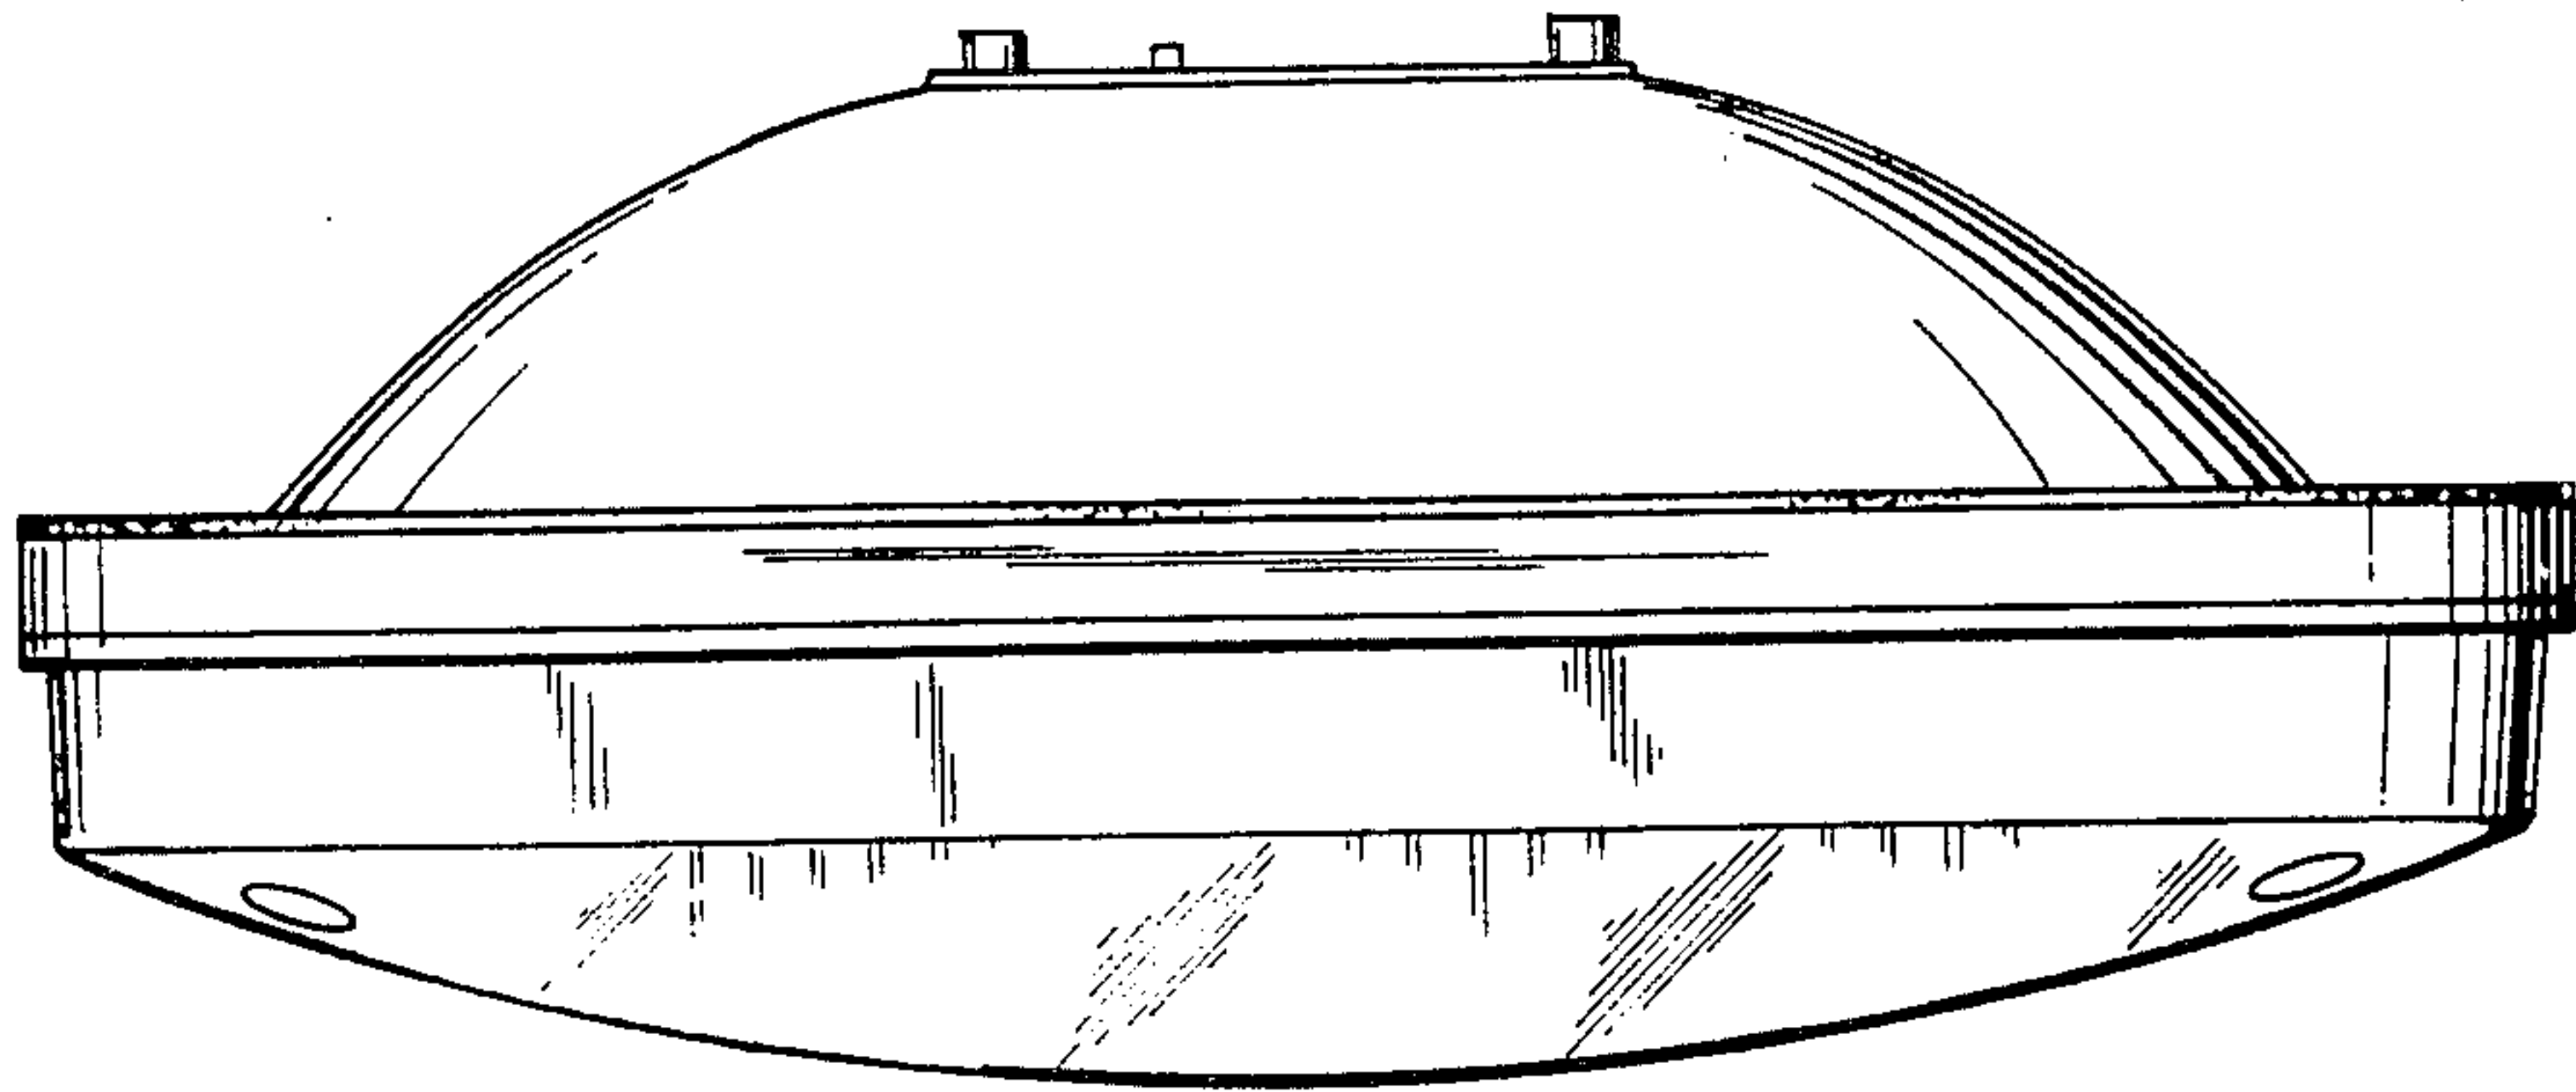

FIG. 1

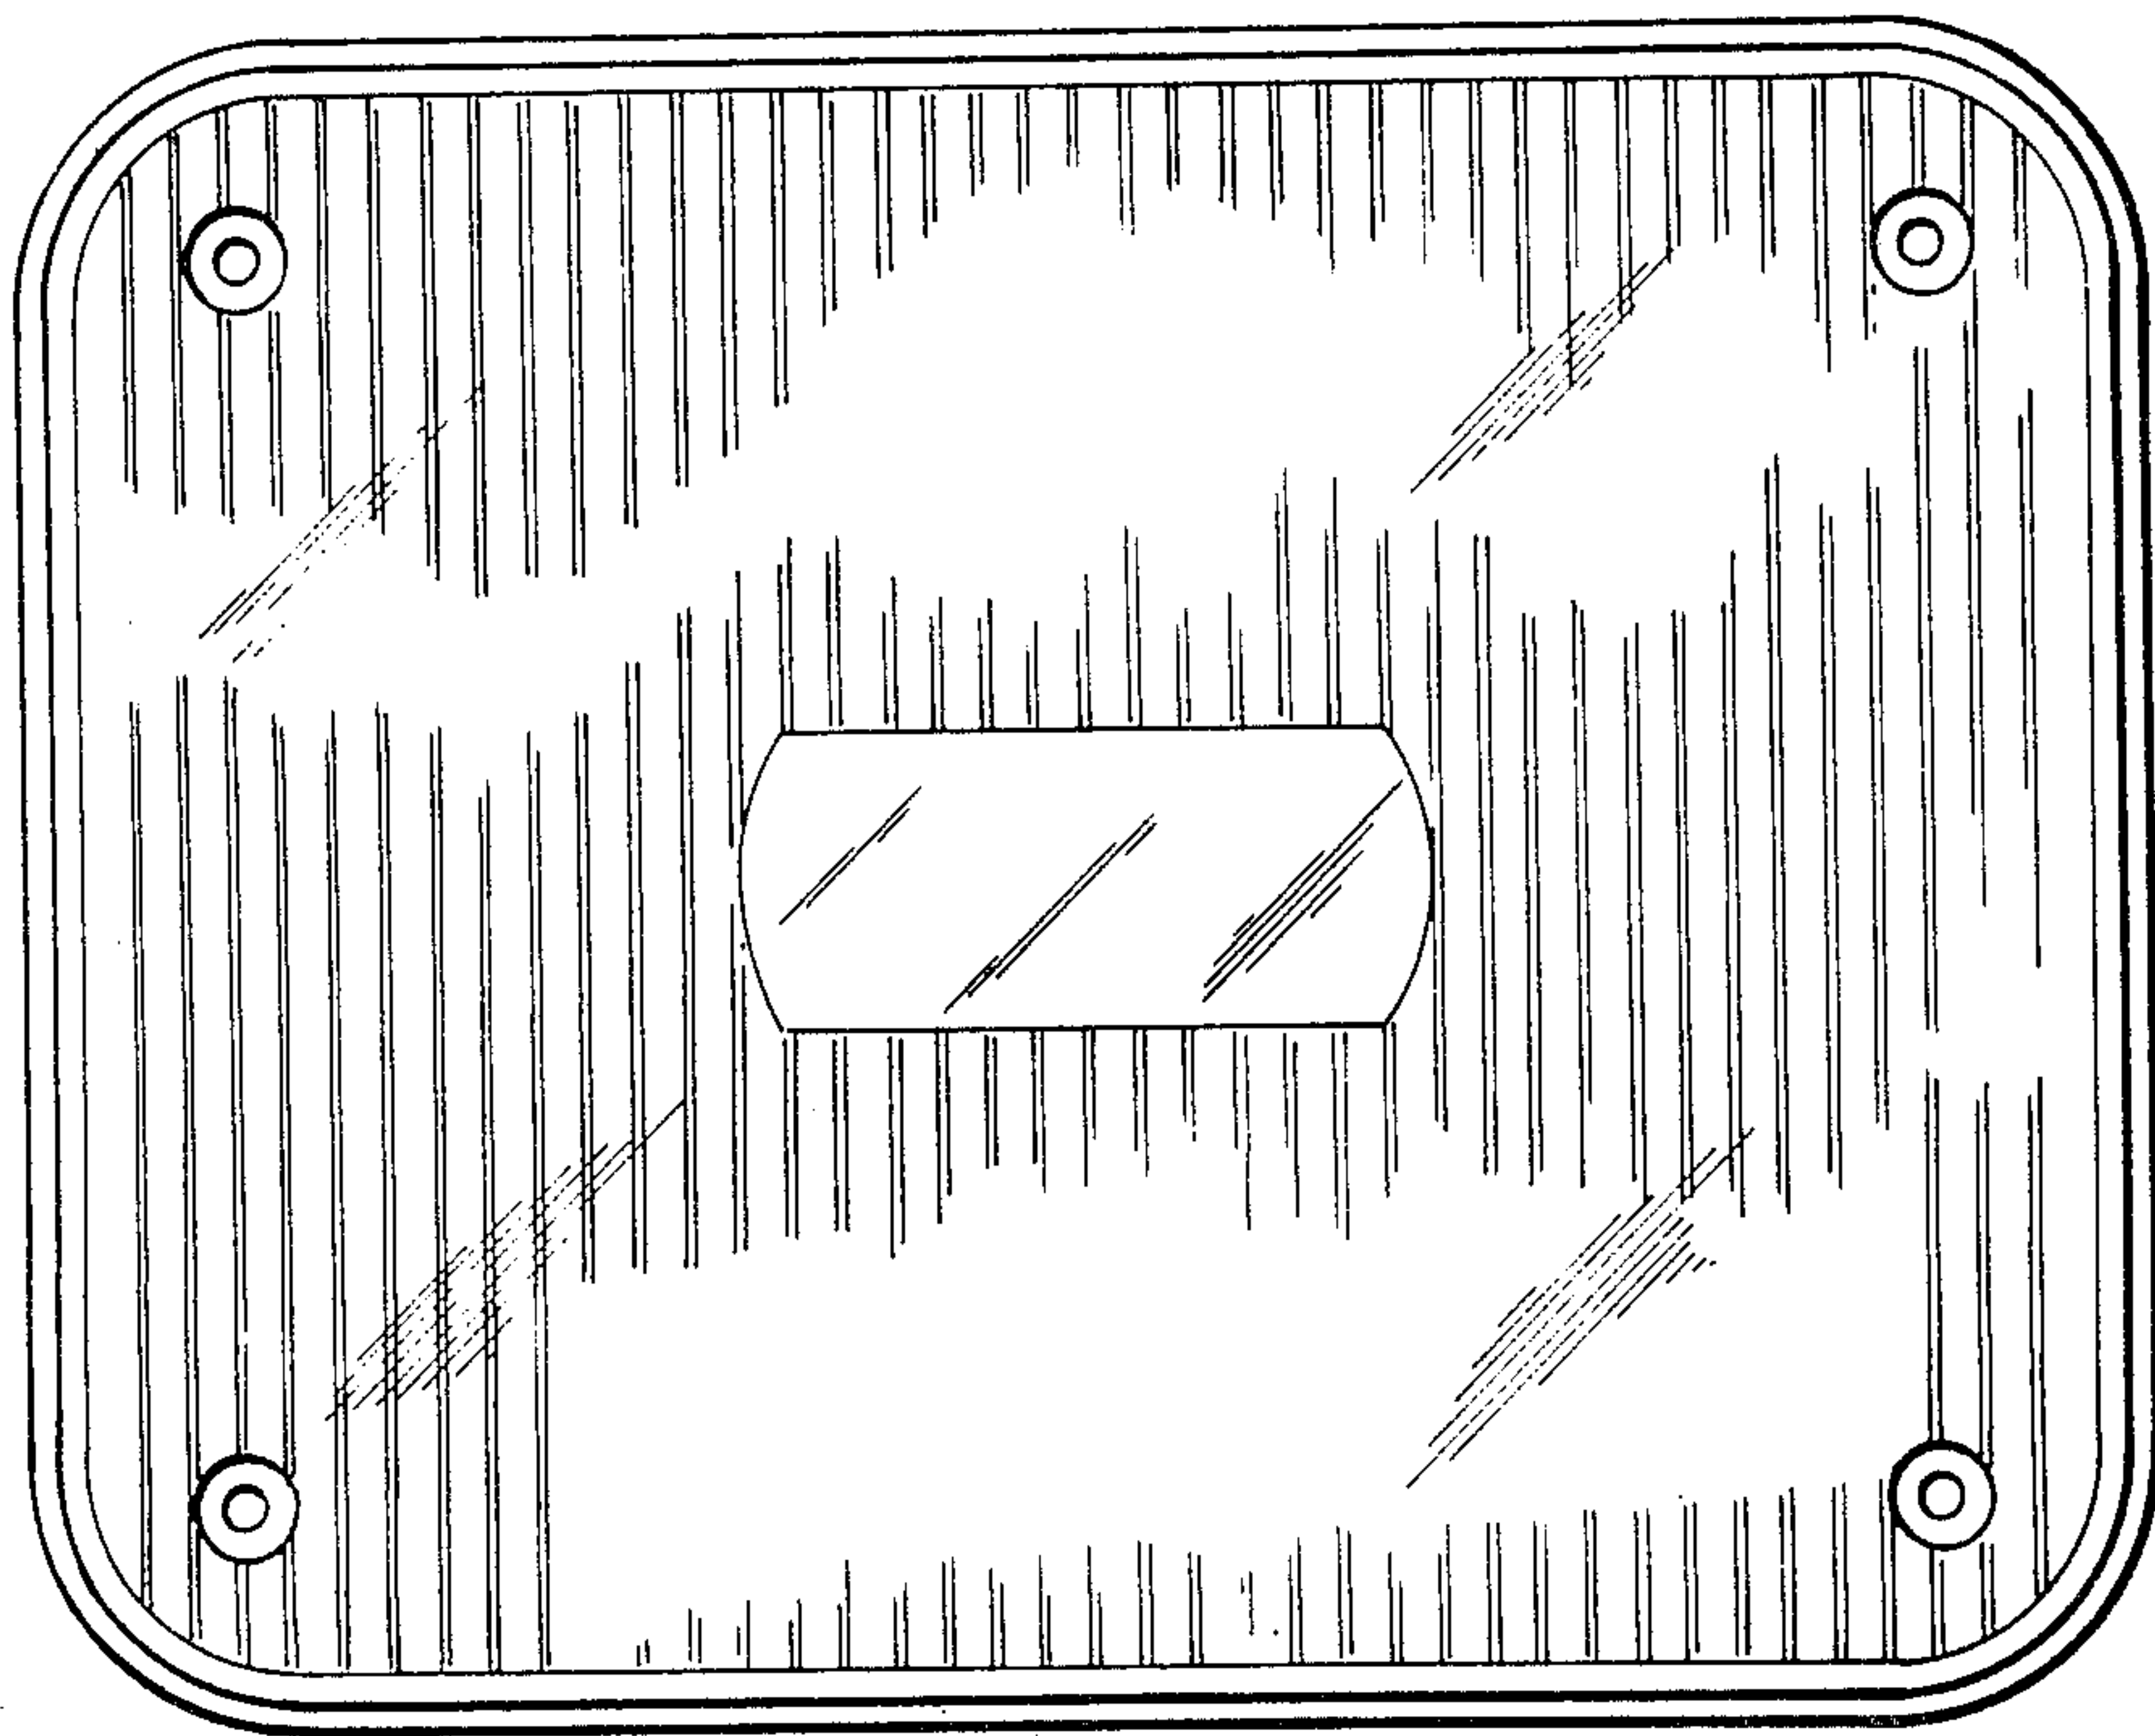

FIG. 2

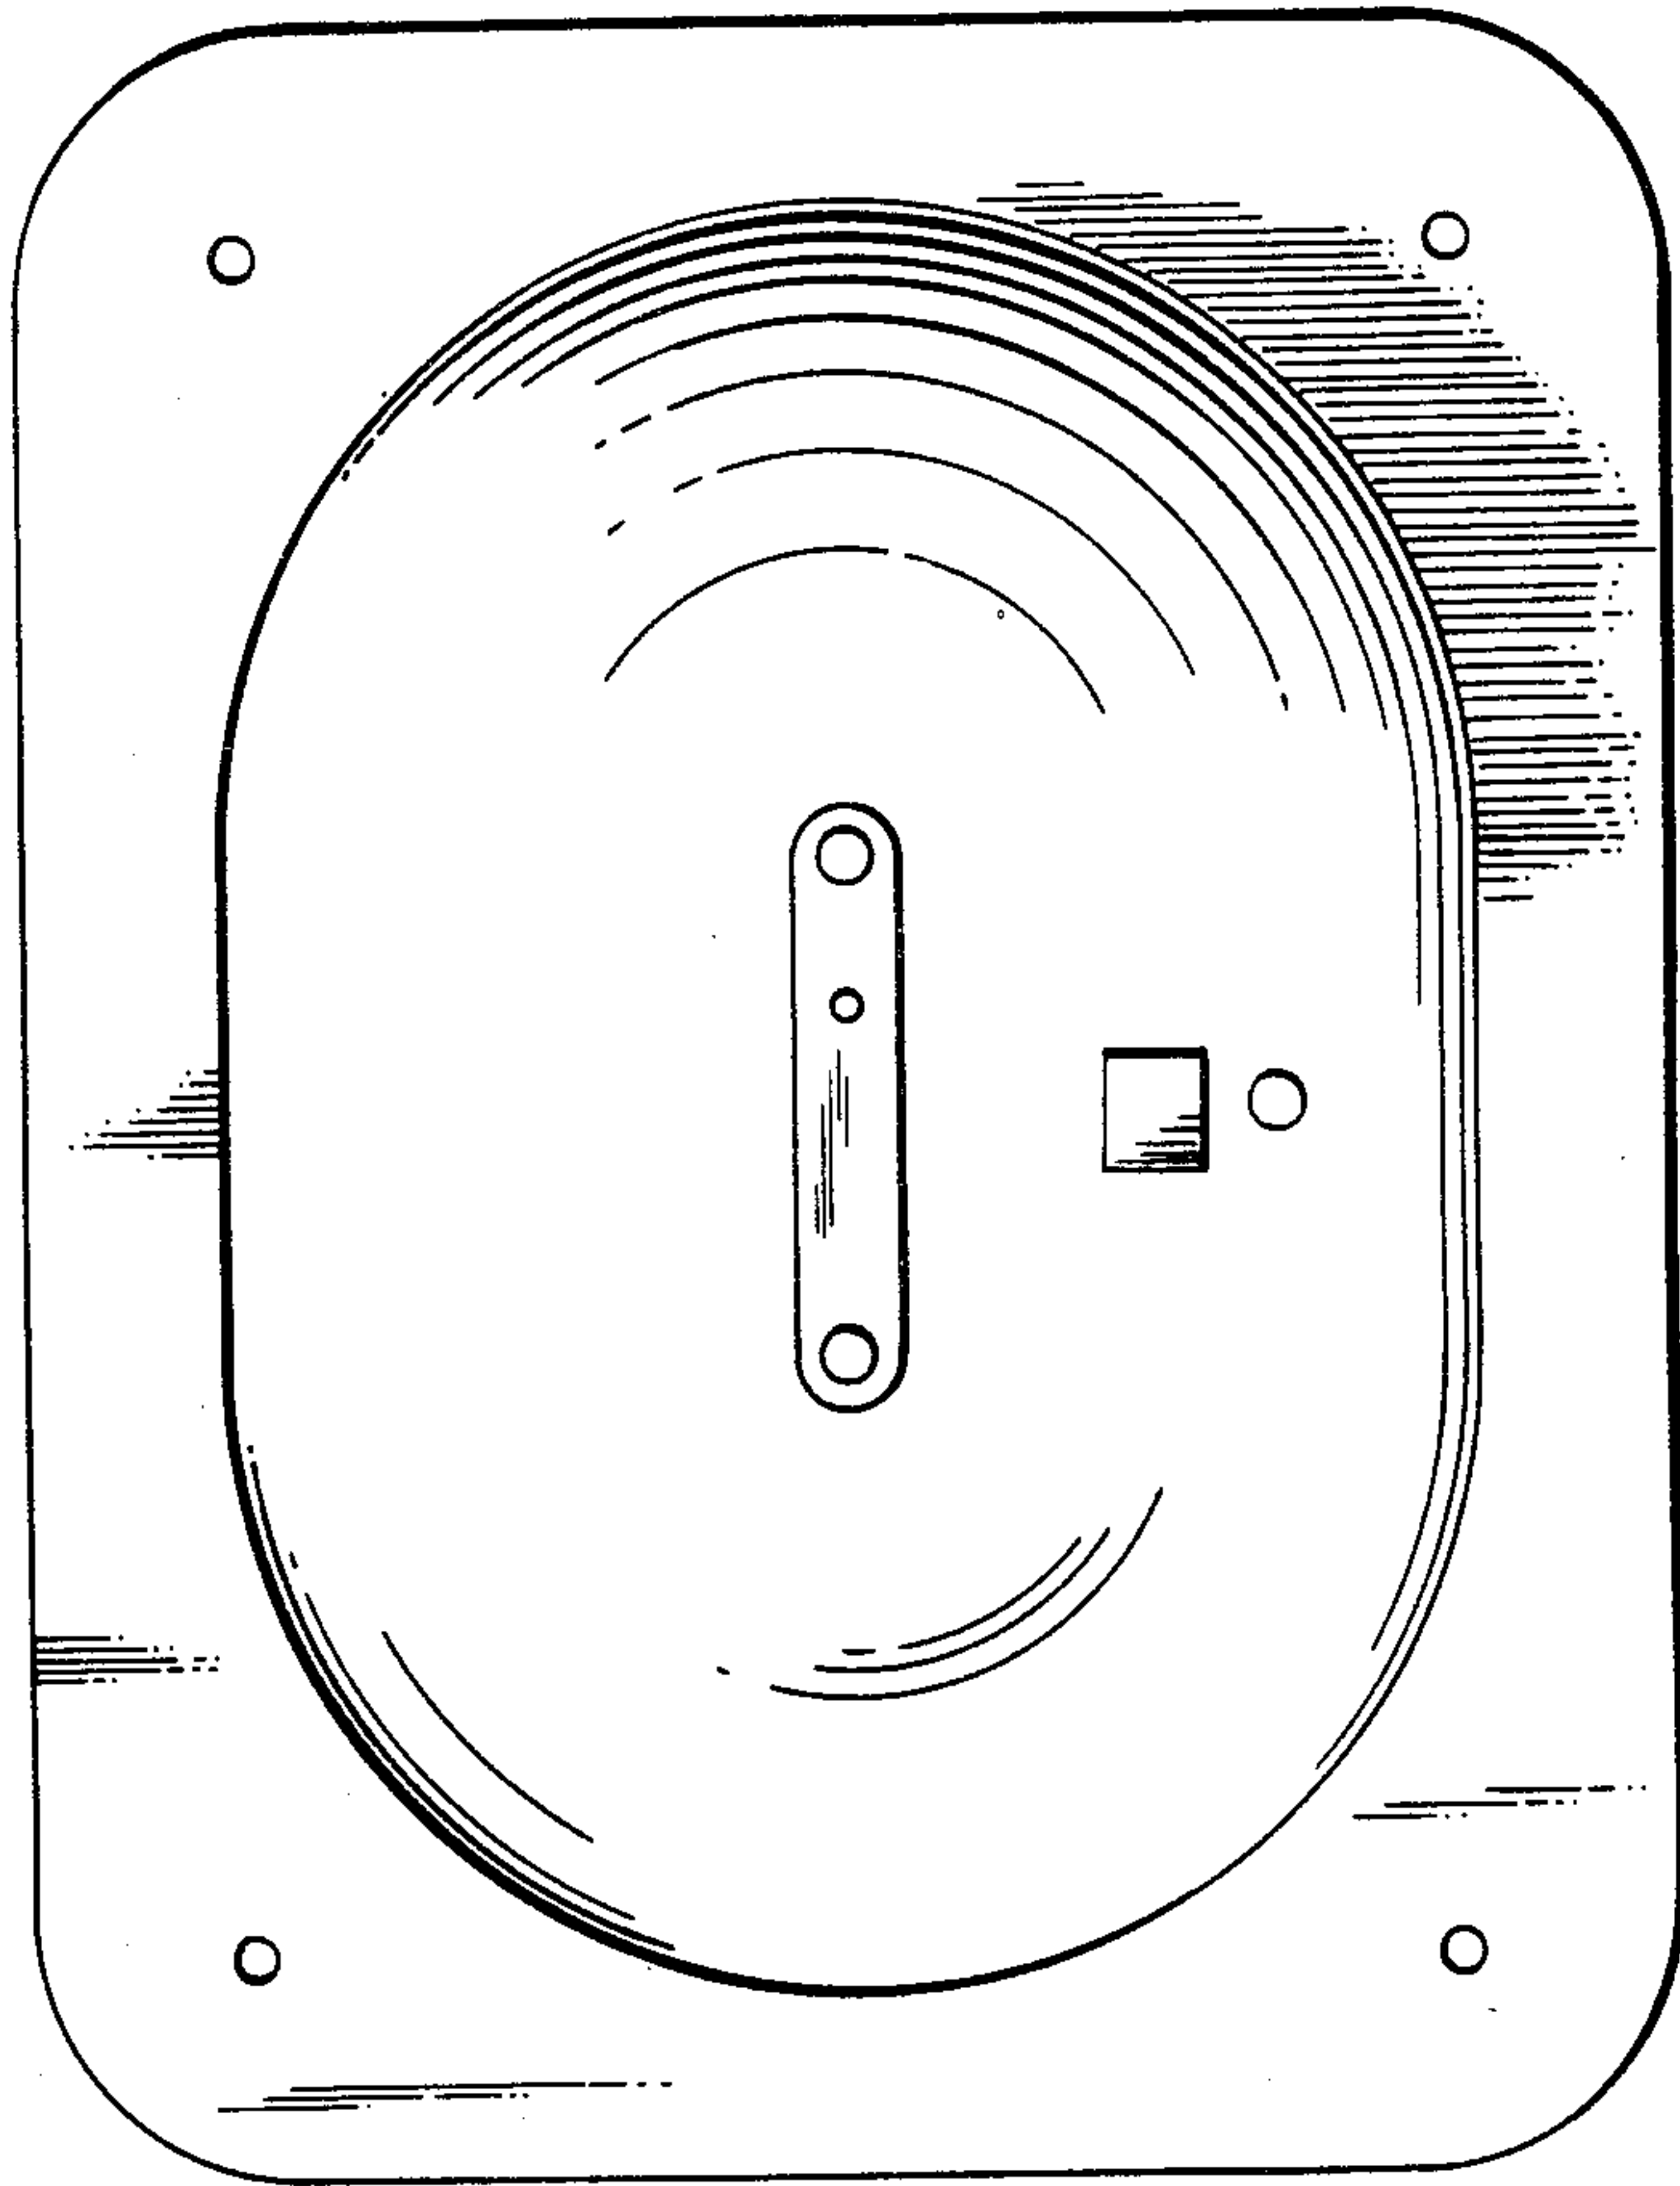

FIG. 3

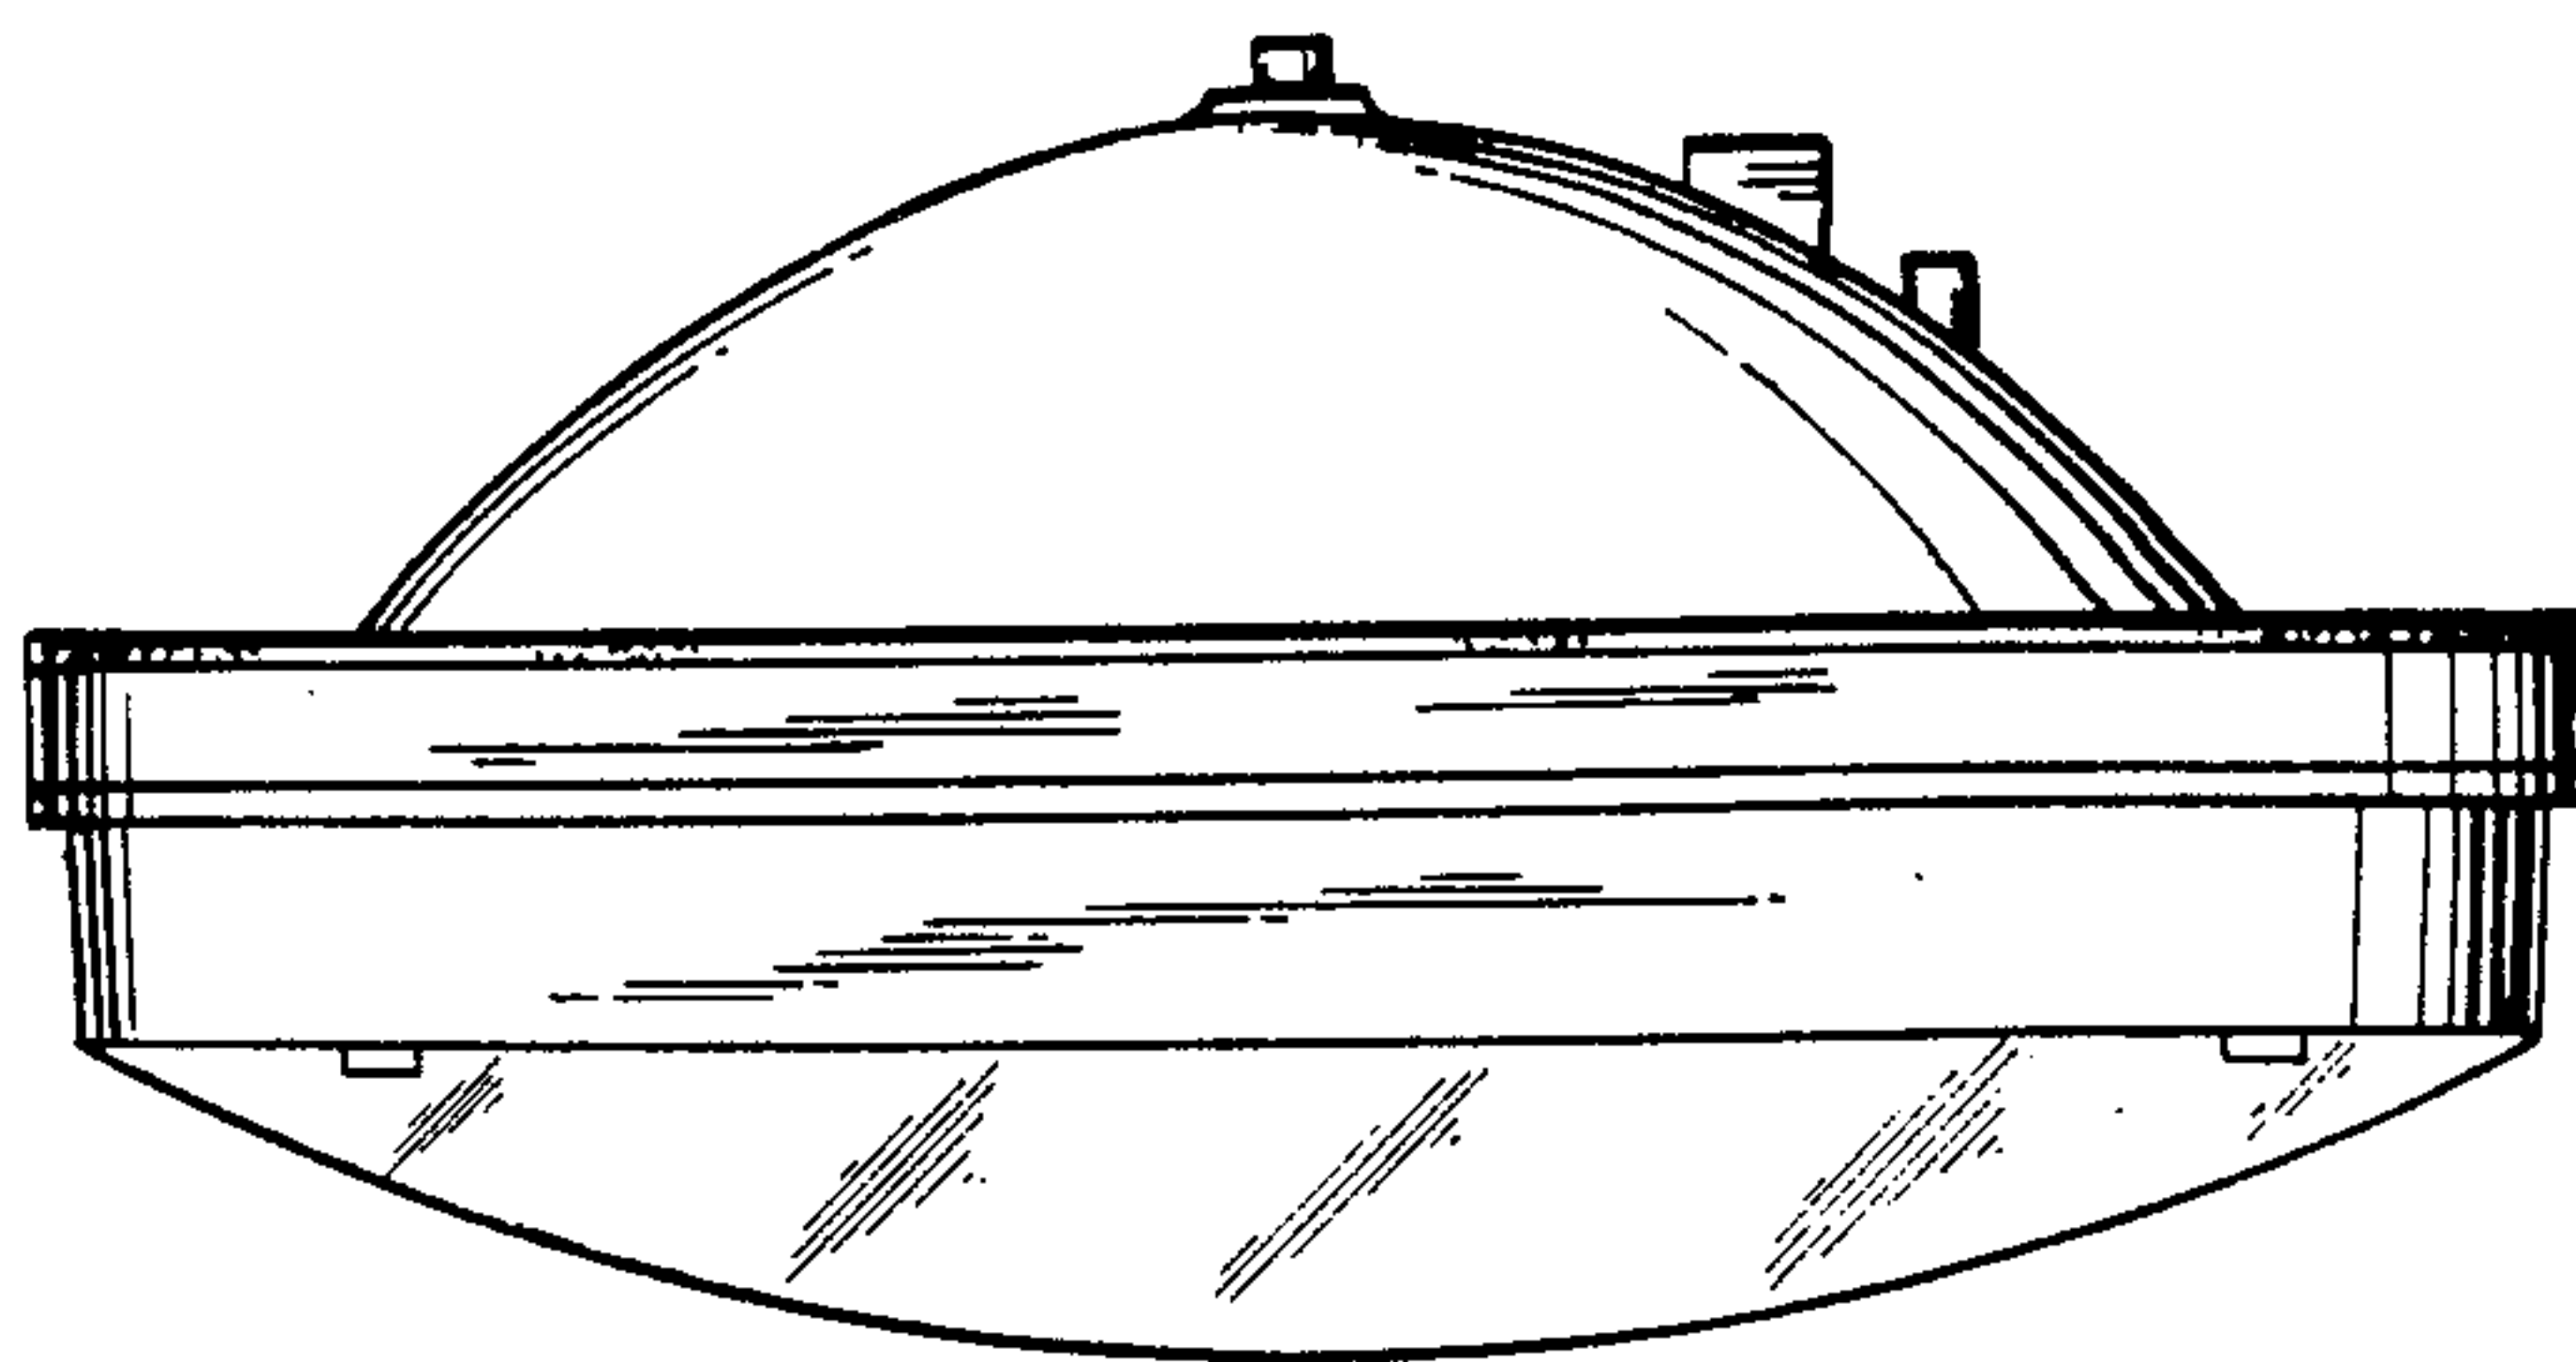

FIG. 4
