[57] **CLAIM**

The ornamental design for reflector, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a reflector showing our new design, it being understood that the pattern of prisms which is partially shown continues uniformly over the entire lens area;

FIG. 2 is a sectional view taken in the direction of the arrows along line 2—2 of FIG. 1;

FIG. 3 is a bottom plan view thereof, it being understood that the pattern of prisms that is partially shown continues uniformly over the entire lens area.

FIG. 1

FIG. 2

FIG. 3
