[57] **CLAIM**

The ornamental design for a blow gun, substantially as shown in the drawing.

DESCRIPTION

FIG. 1 is a plan view of the design of the blow gun in accordance with the invention;

FIG. 2 is an end view of the blow gun of FIG. 1 showing the cup end compression ring thereof;

FIG. 3 is an enlarged plan view of the pull bowl and neck adjacent the stabilizer shank of the blow gun of FIG. 1; and

FIG. 4 is an enlarged plan view of the foregrip at the opposite end of the stabilizer shank of the blow gun of FIG. 1.

In the various figures of the drawing, the various stippling and hatching is intended as surface shading only and does not connote color.
