[57] **CLAIM**

The ornamental design for a costume, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a costume showing my new design, with the left sock obscured by the environmental broken line shoe and the shoe forming no part of the claimed design;
FIG. 2 is a front elevational view, with the broken line environmental shoes included; and
FIG. 3 is a rear elevational view.

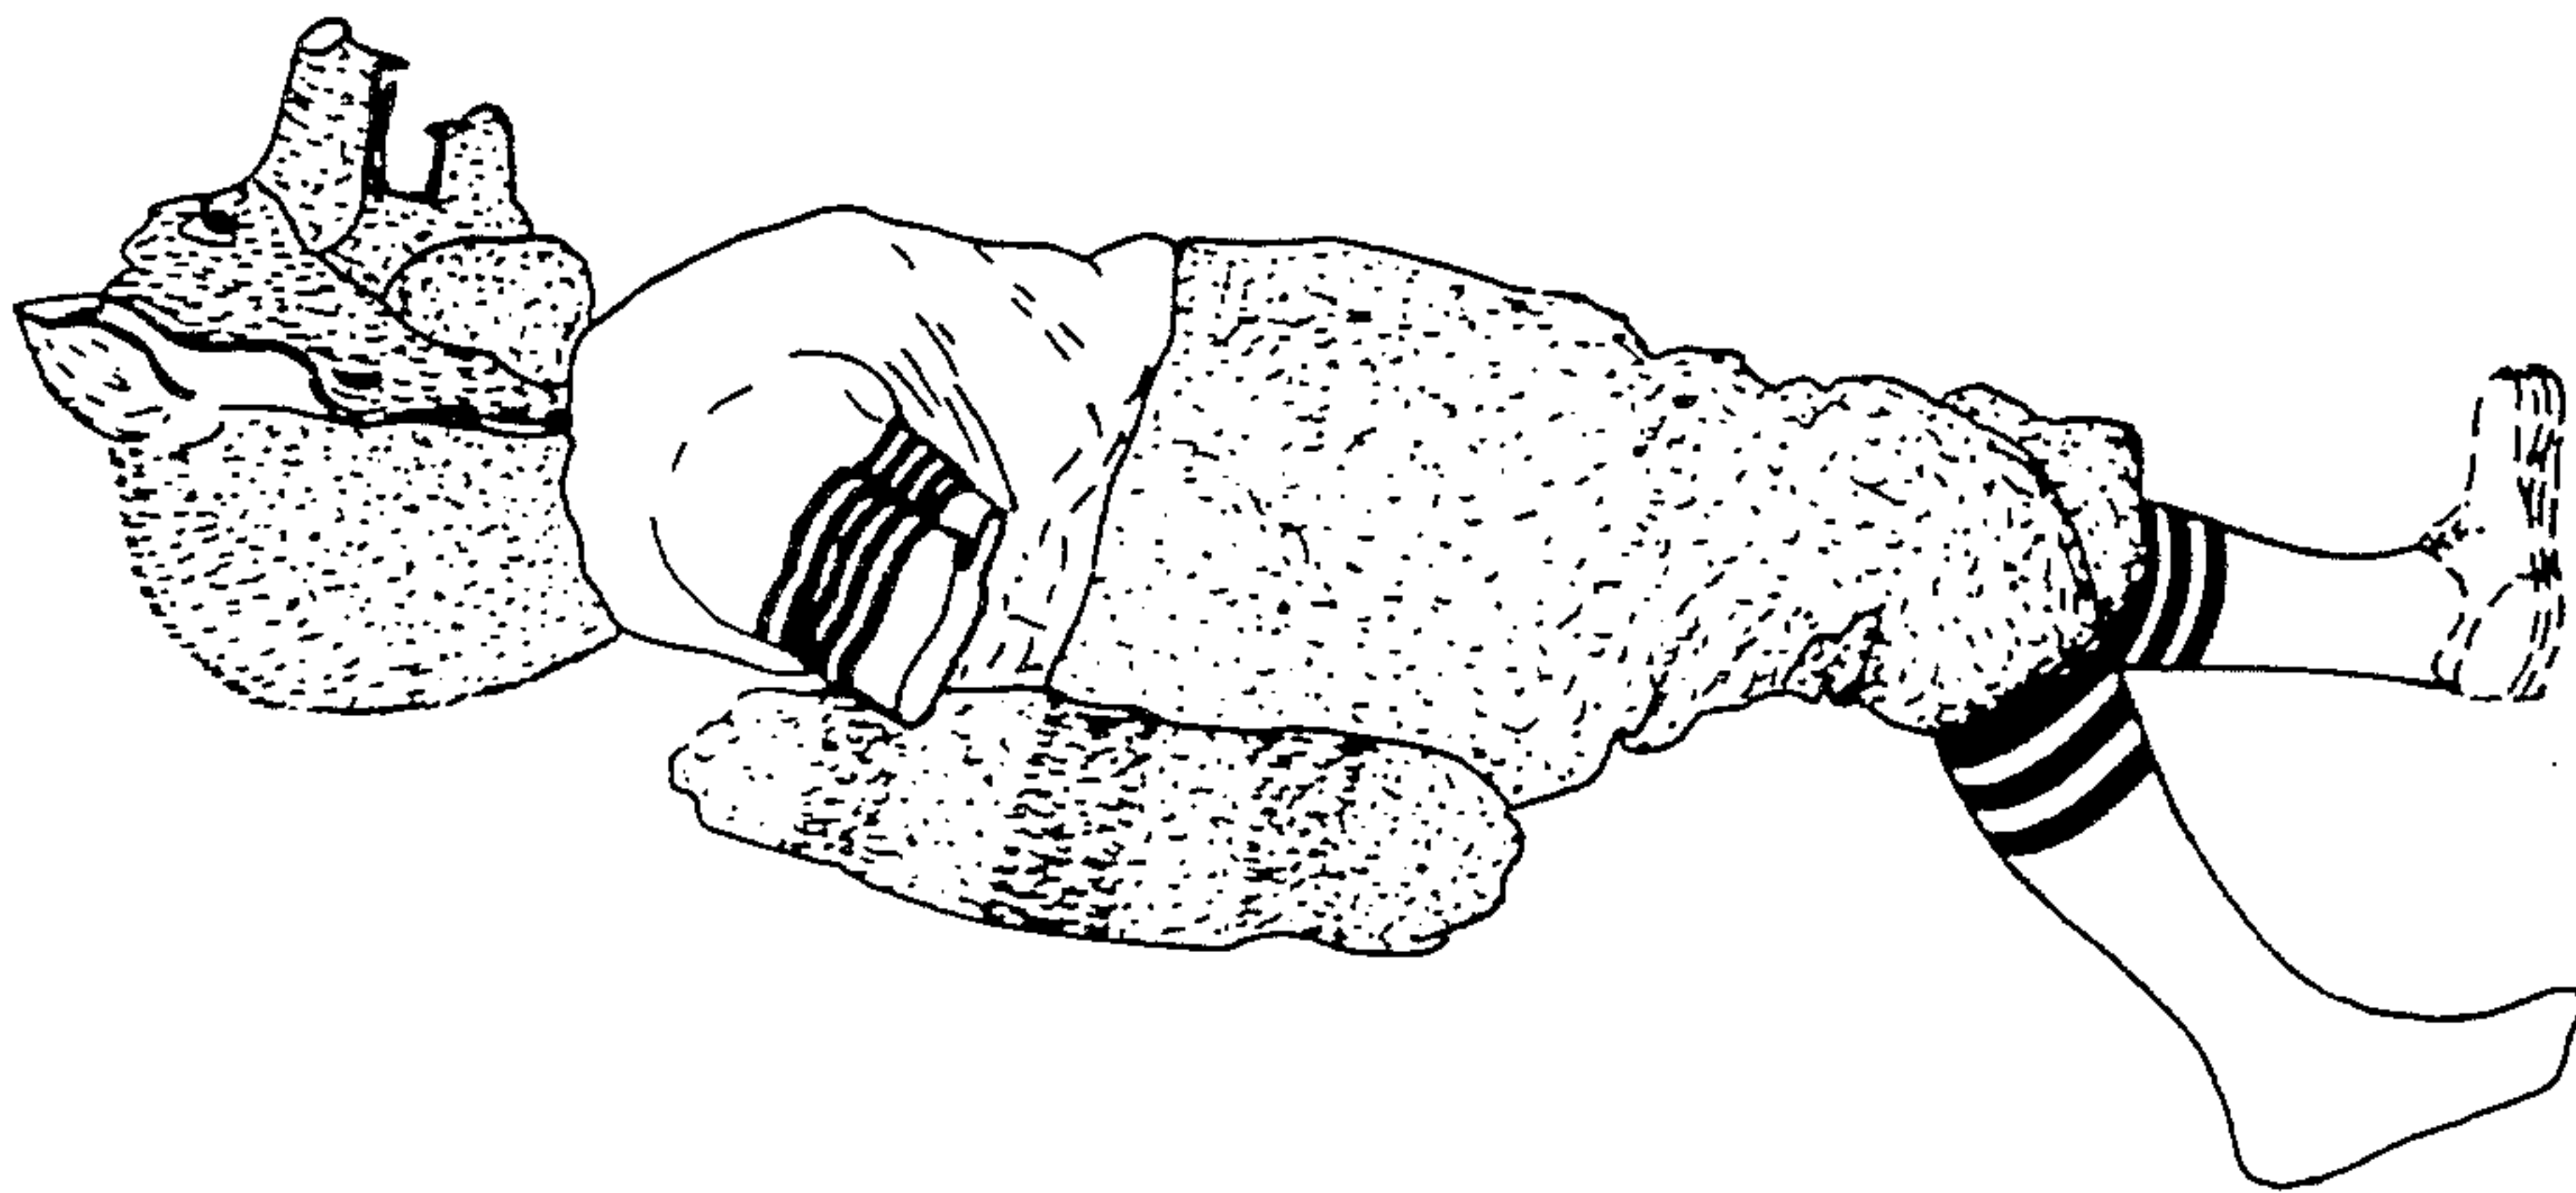

FIG. 1

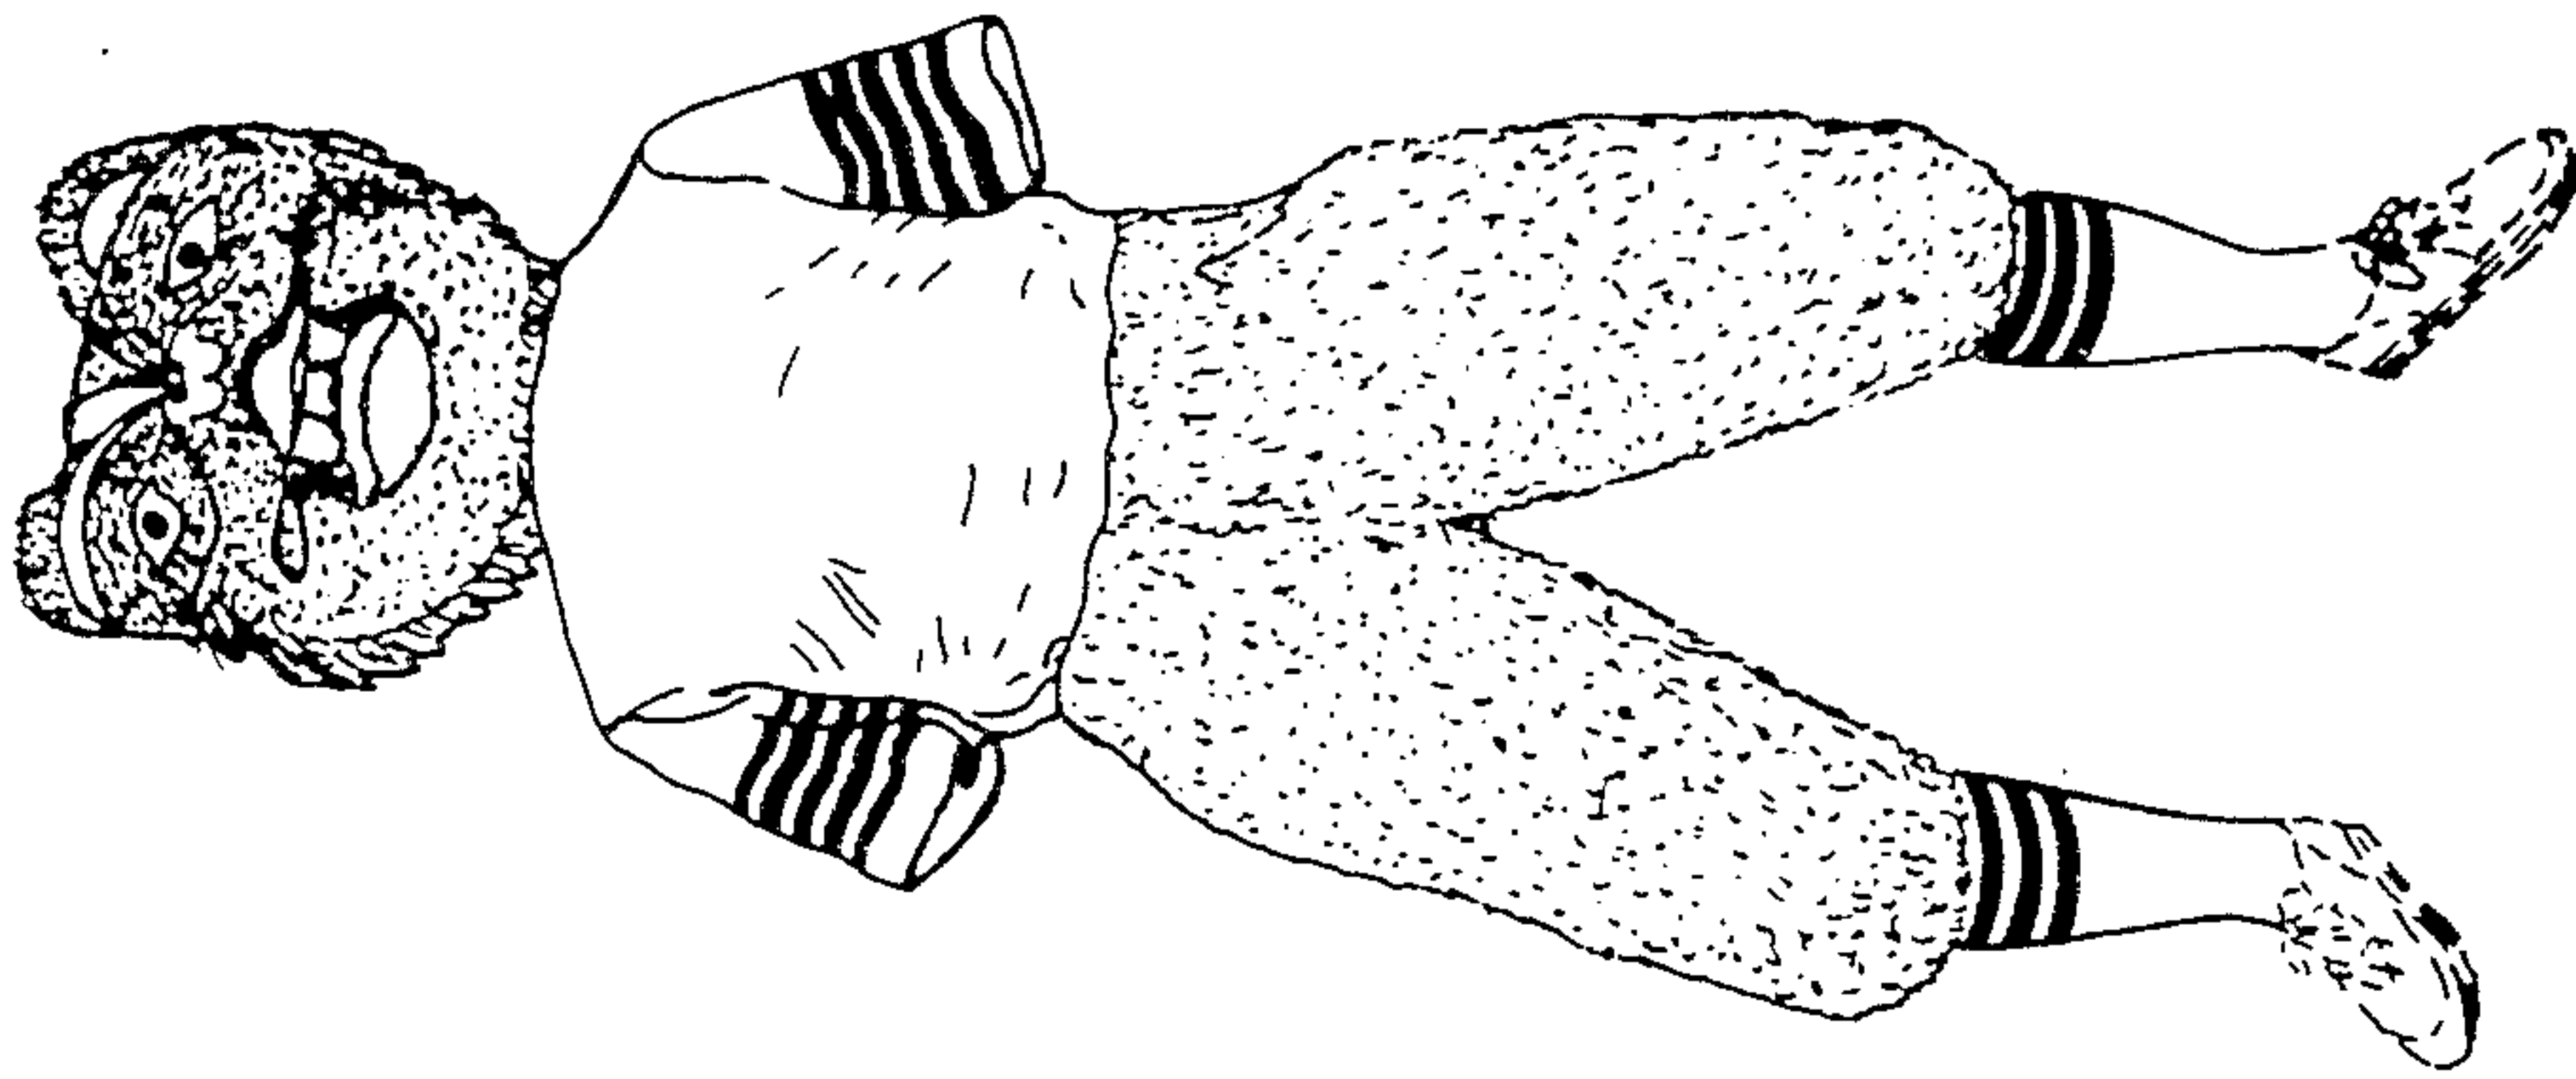

FIG. 2
