[57] **CLAIM**

The ornamental design for a bottle, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a bottle showing my new design;
FIG. 2 is a front perspective view; and
FIG. 3 is a side elevational view.
The appearance of the rear is substantially the same as the front with the exception that the oval ornamentation shown at the top half of the bottle is omitted.
The irregular areas seen at the bottom edge extend over the bottom surface.
