[57] CLAIM

The ornamental design for a calling card telephone, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of a calling card telephone showing our new design; FIG. 2 is a left side elevational view thereof; FIG. 3 is a front elevational view; FIG. 4 is a top plan view thereof; and FIG. 5 is a bottom plan view.

The broken line showing of card, handset and pushbuttons is for illustrative purposes only and forms no part of the claimed design.
