[57] **CLAIM**

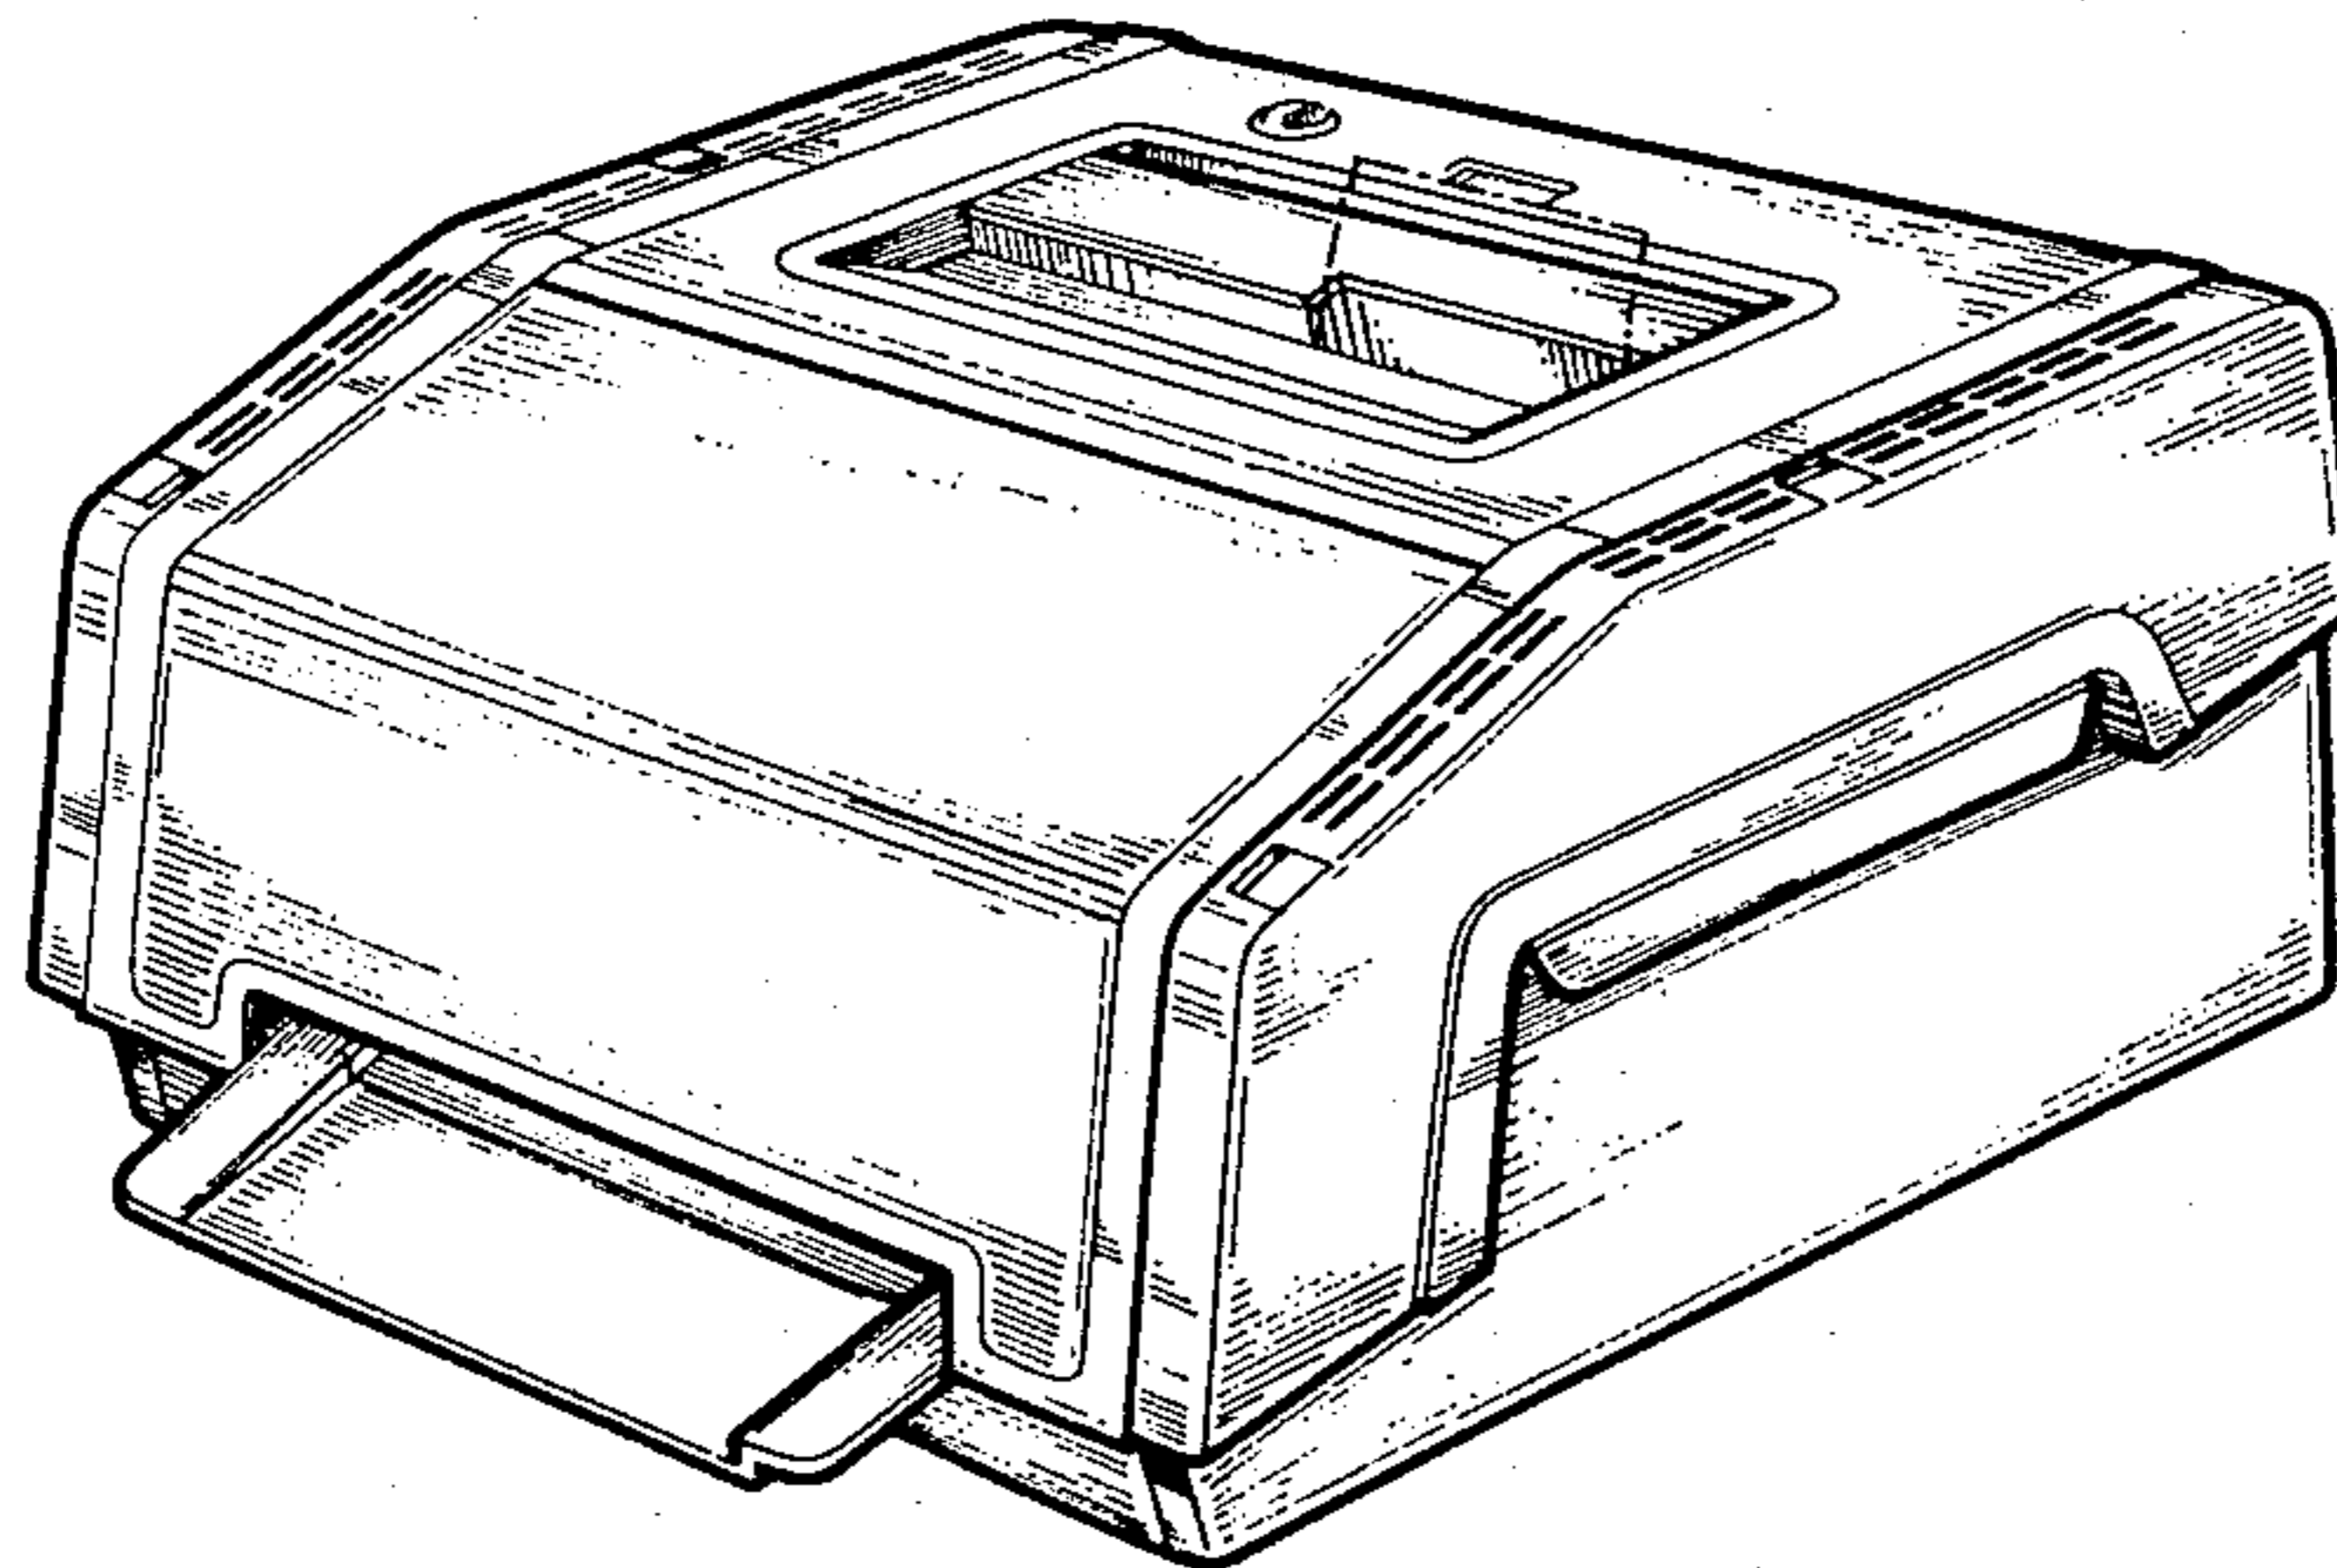

The ornamental design for a printer for data terminals with receipt/journal unit, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a printer for data terminals with receipt/journal unit showing my new design; and

FIG. 2 is a rear perspective view thereof.

The broken line showing of the end of a paper roll is for illustrative purposes only and forms no part of the claimed design.

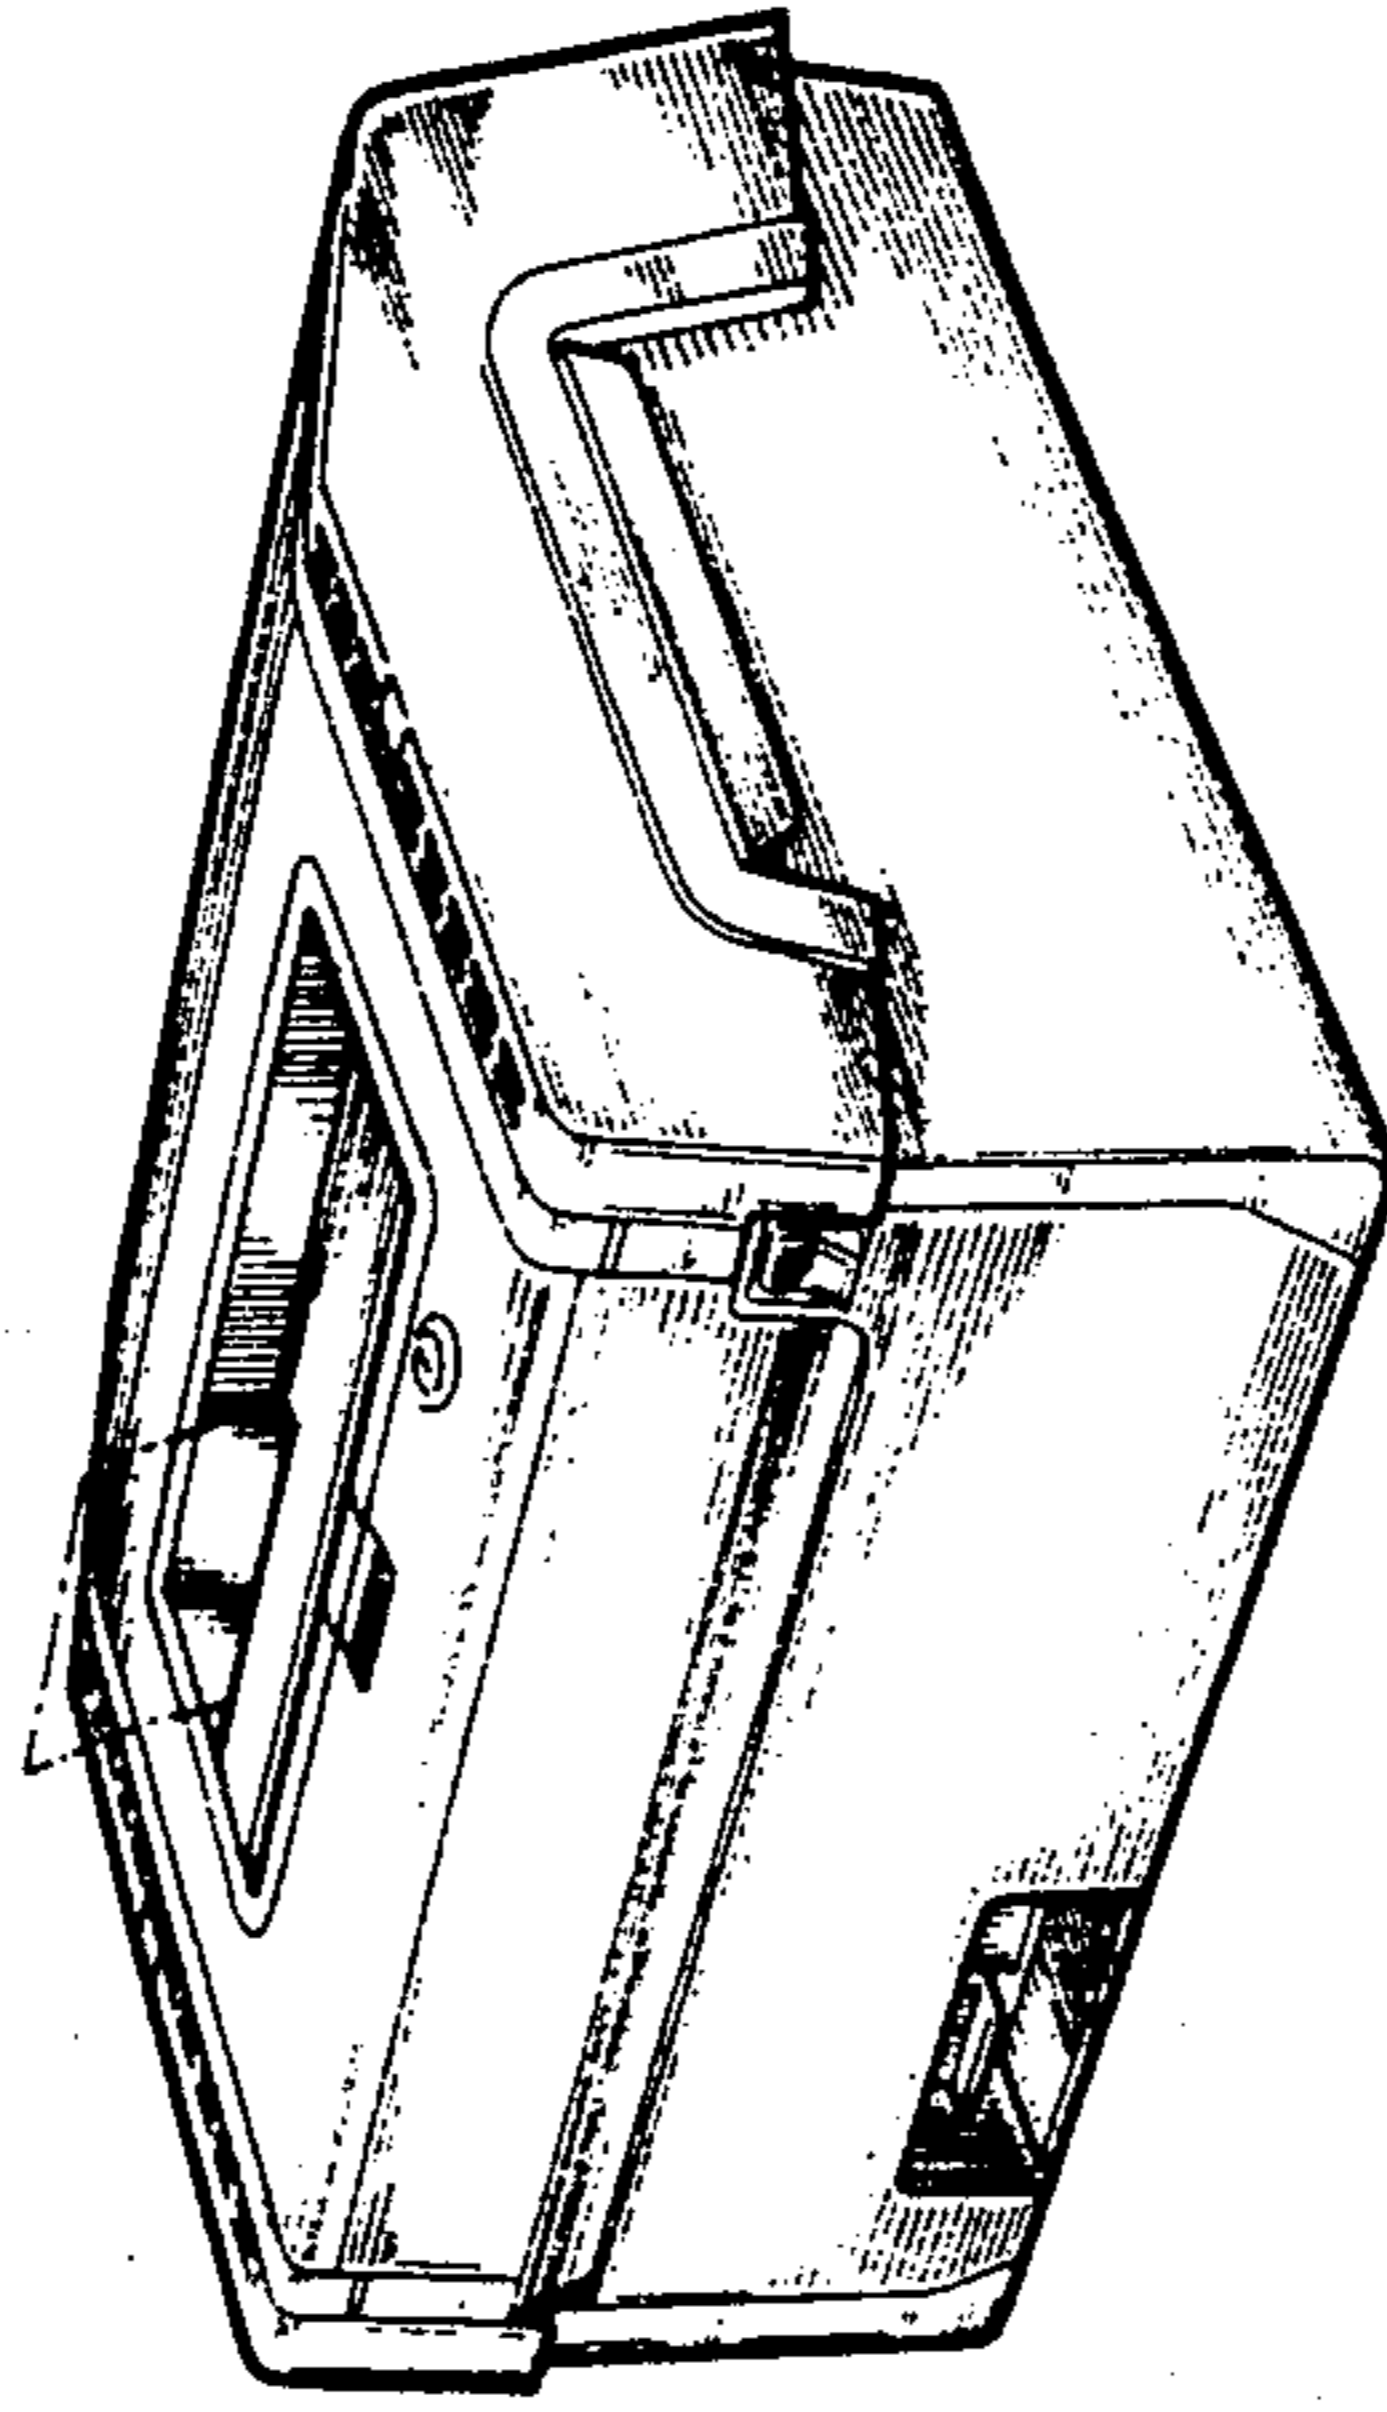

FIG. 2

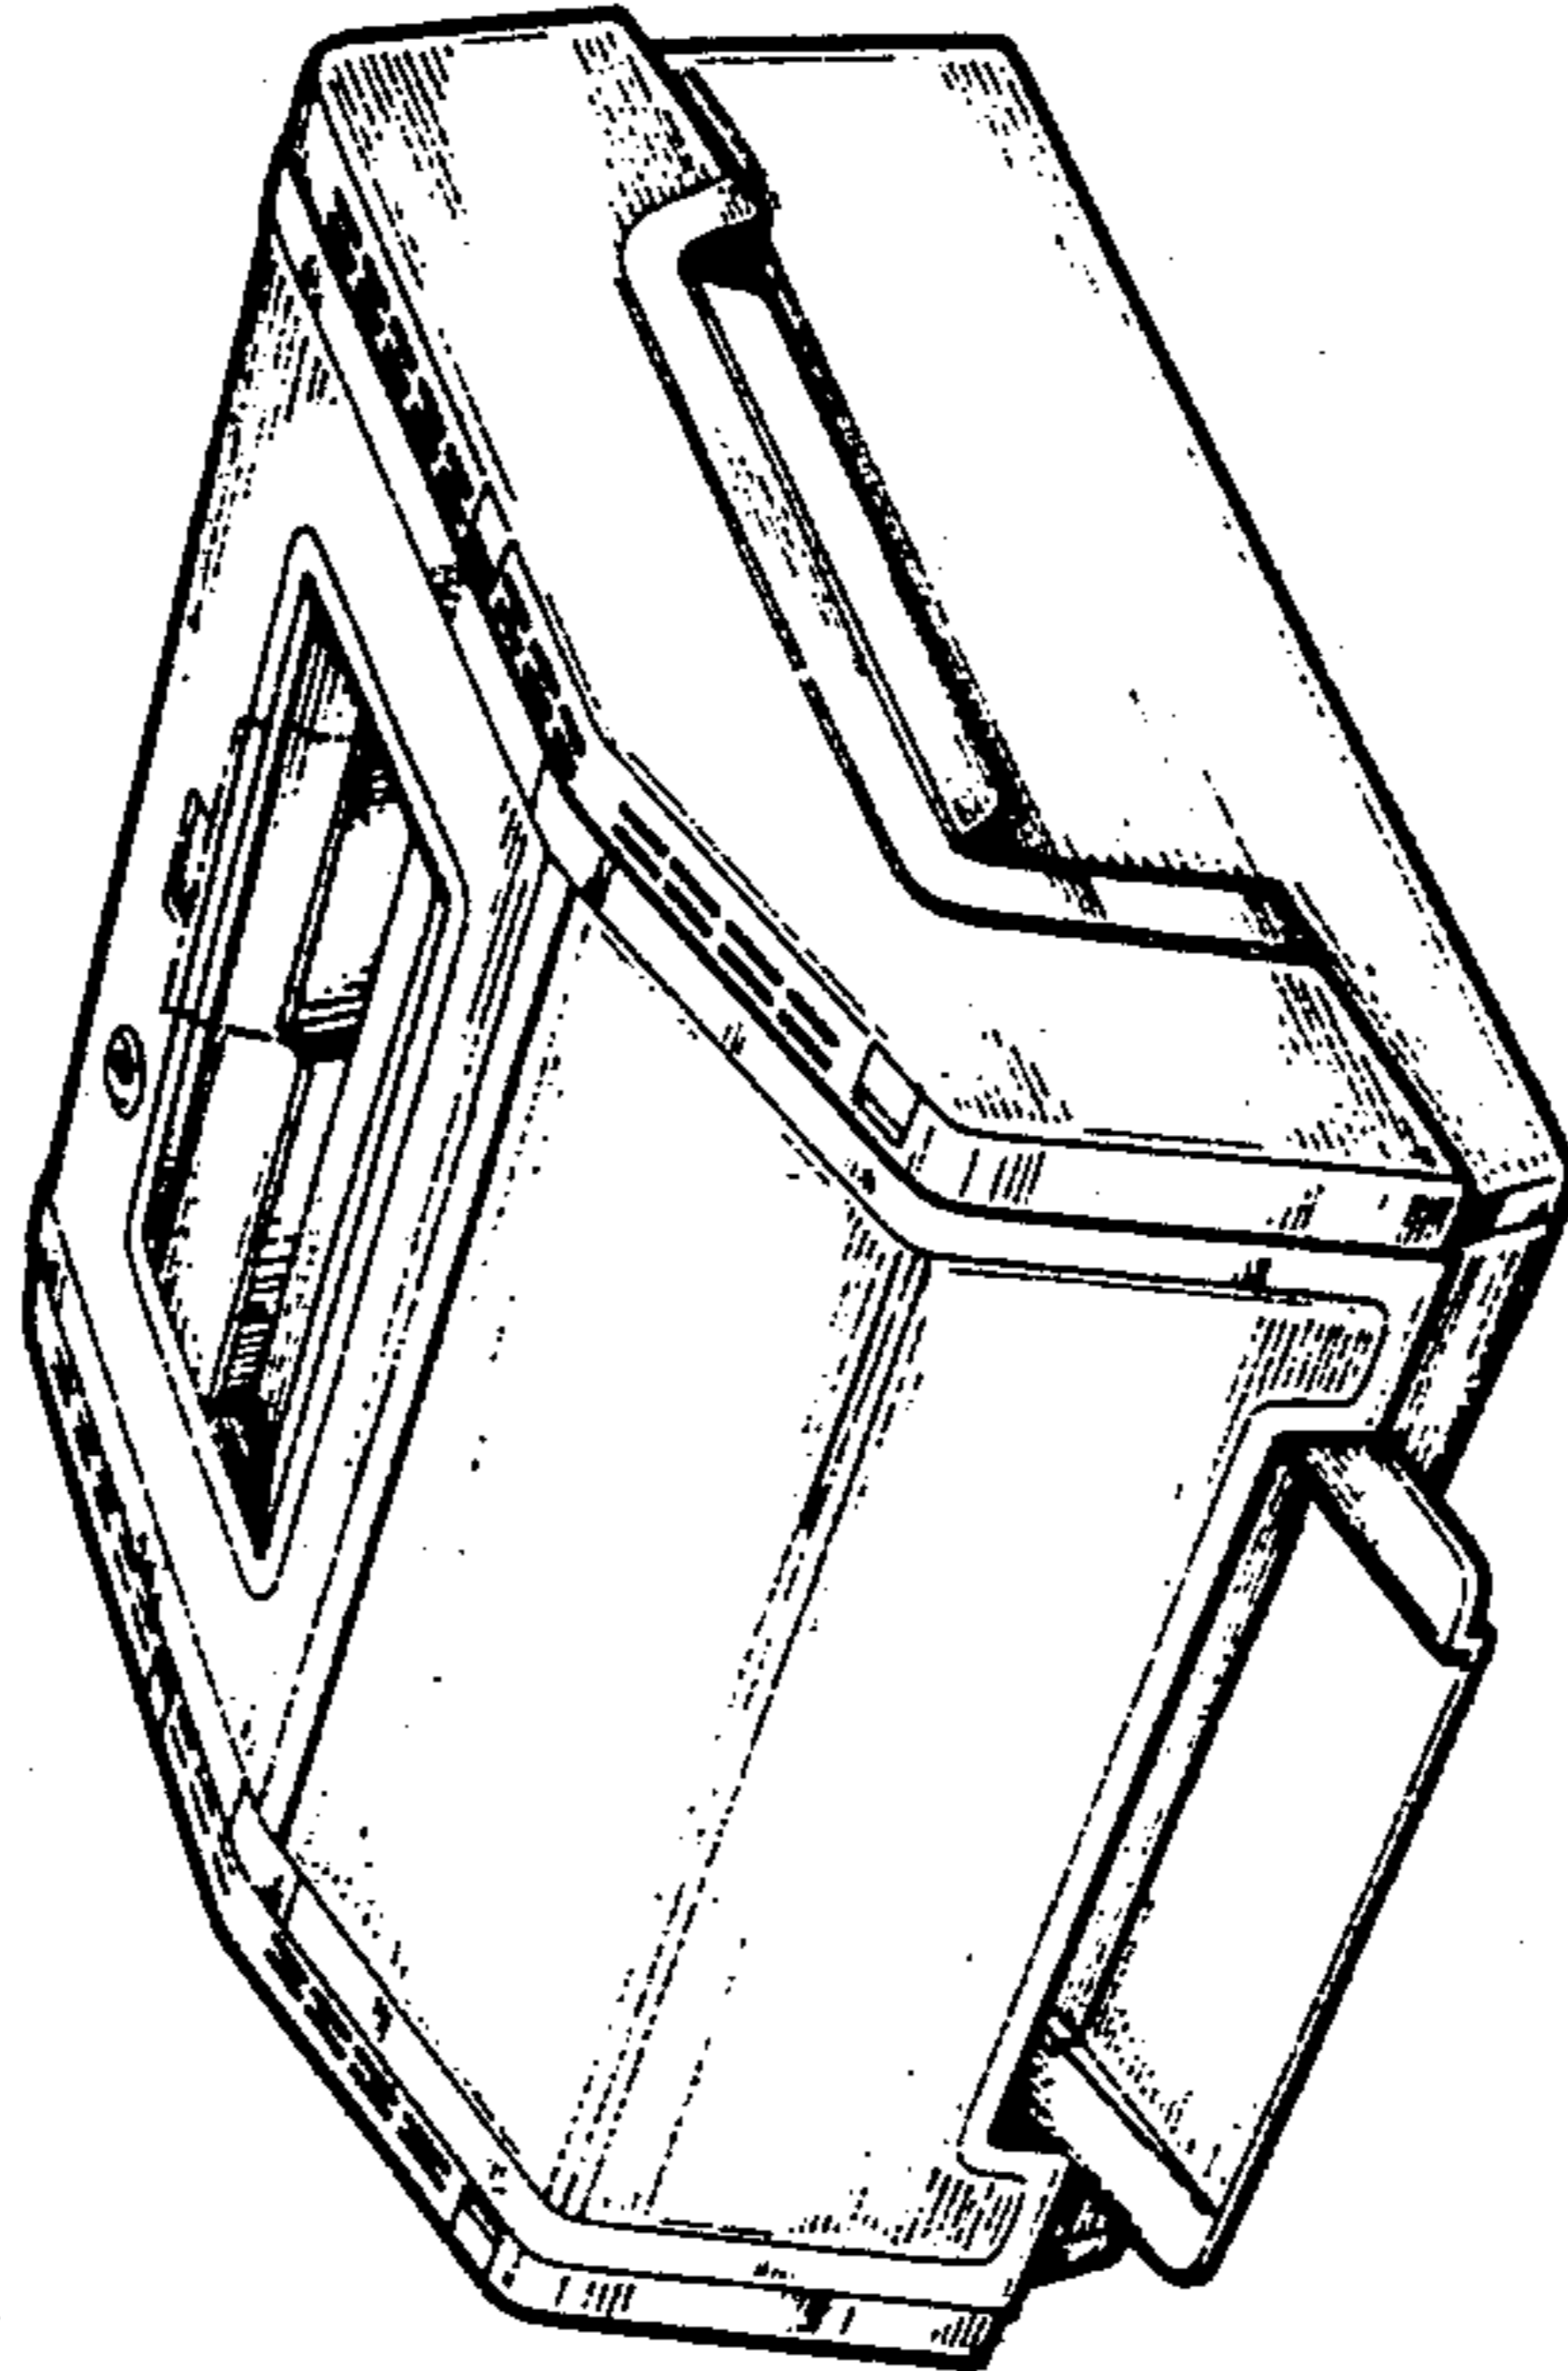

FIG. 1
