[57] **CLAIM**

The ornamental design for a splash guard for slurry type manure spreaders, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a splash guard for slurry type manure spreaders showing my new design, the manure spreader shown in broken lines is for illustrative purposes only;

FIG. 2 is an end elevational view thereof, the opposite end being identical;

FIG. 3 is a side elevational view thereof, the opposite side being identical;

FIG. 4 is a top plan view thereof.

The undisclosed bottom is unornamented.
