[57] CLAIM

The ornamental design for a telephone, as shown and described.

DESCRIPTION

FIG. 1 is a right side, top and front perspective view of a telephone showing my new design with the lid hinged open upon the stand;

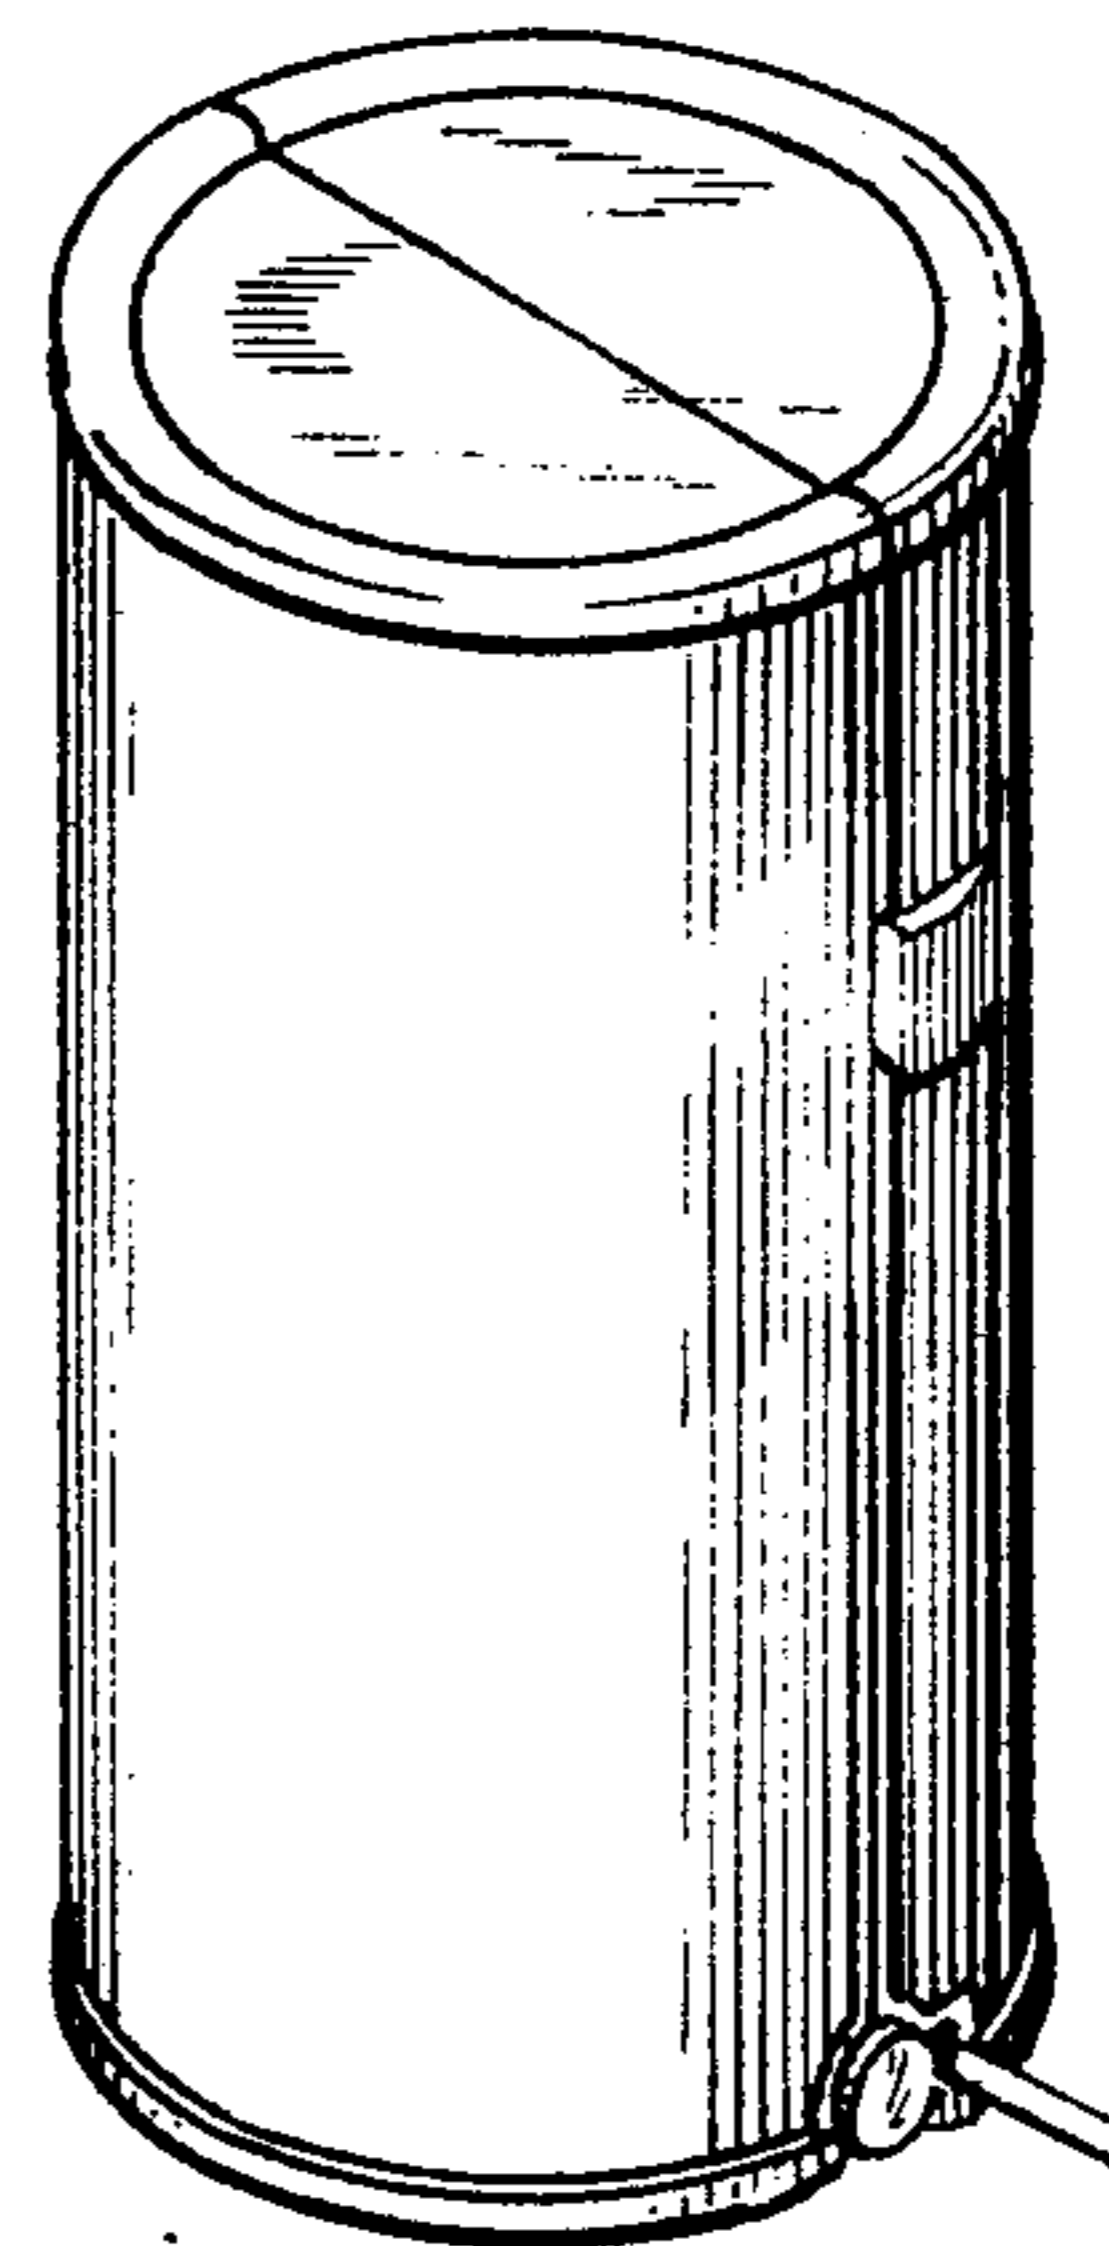

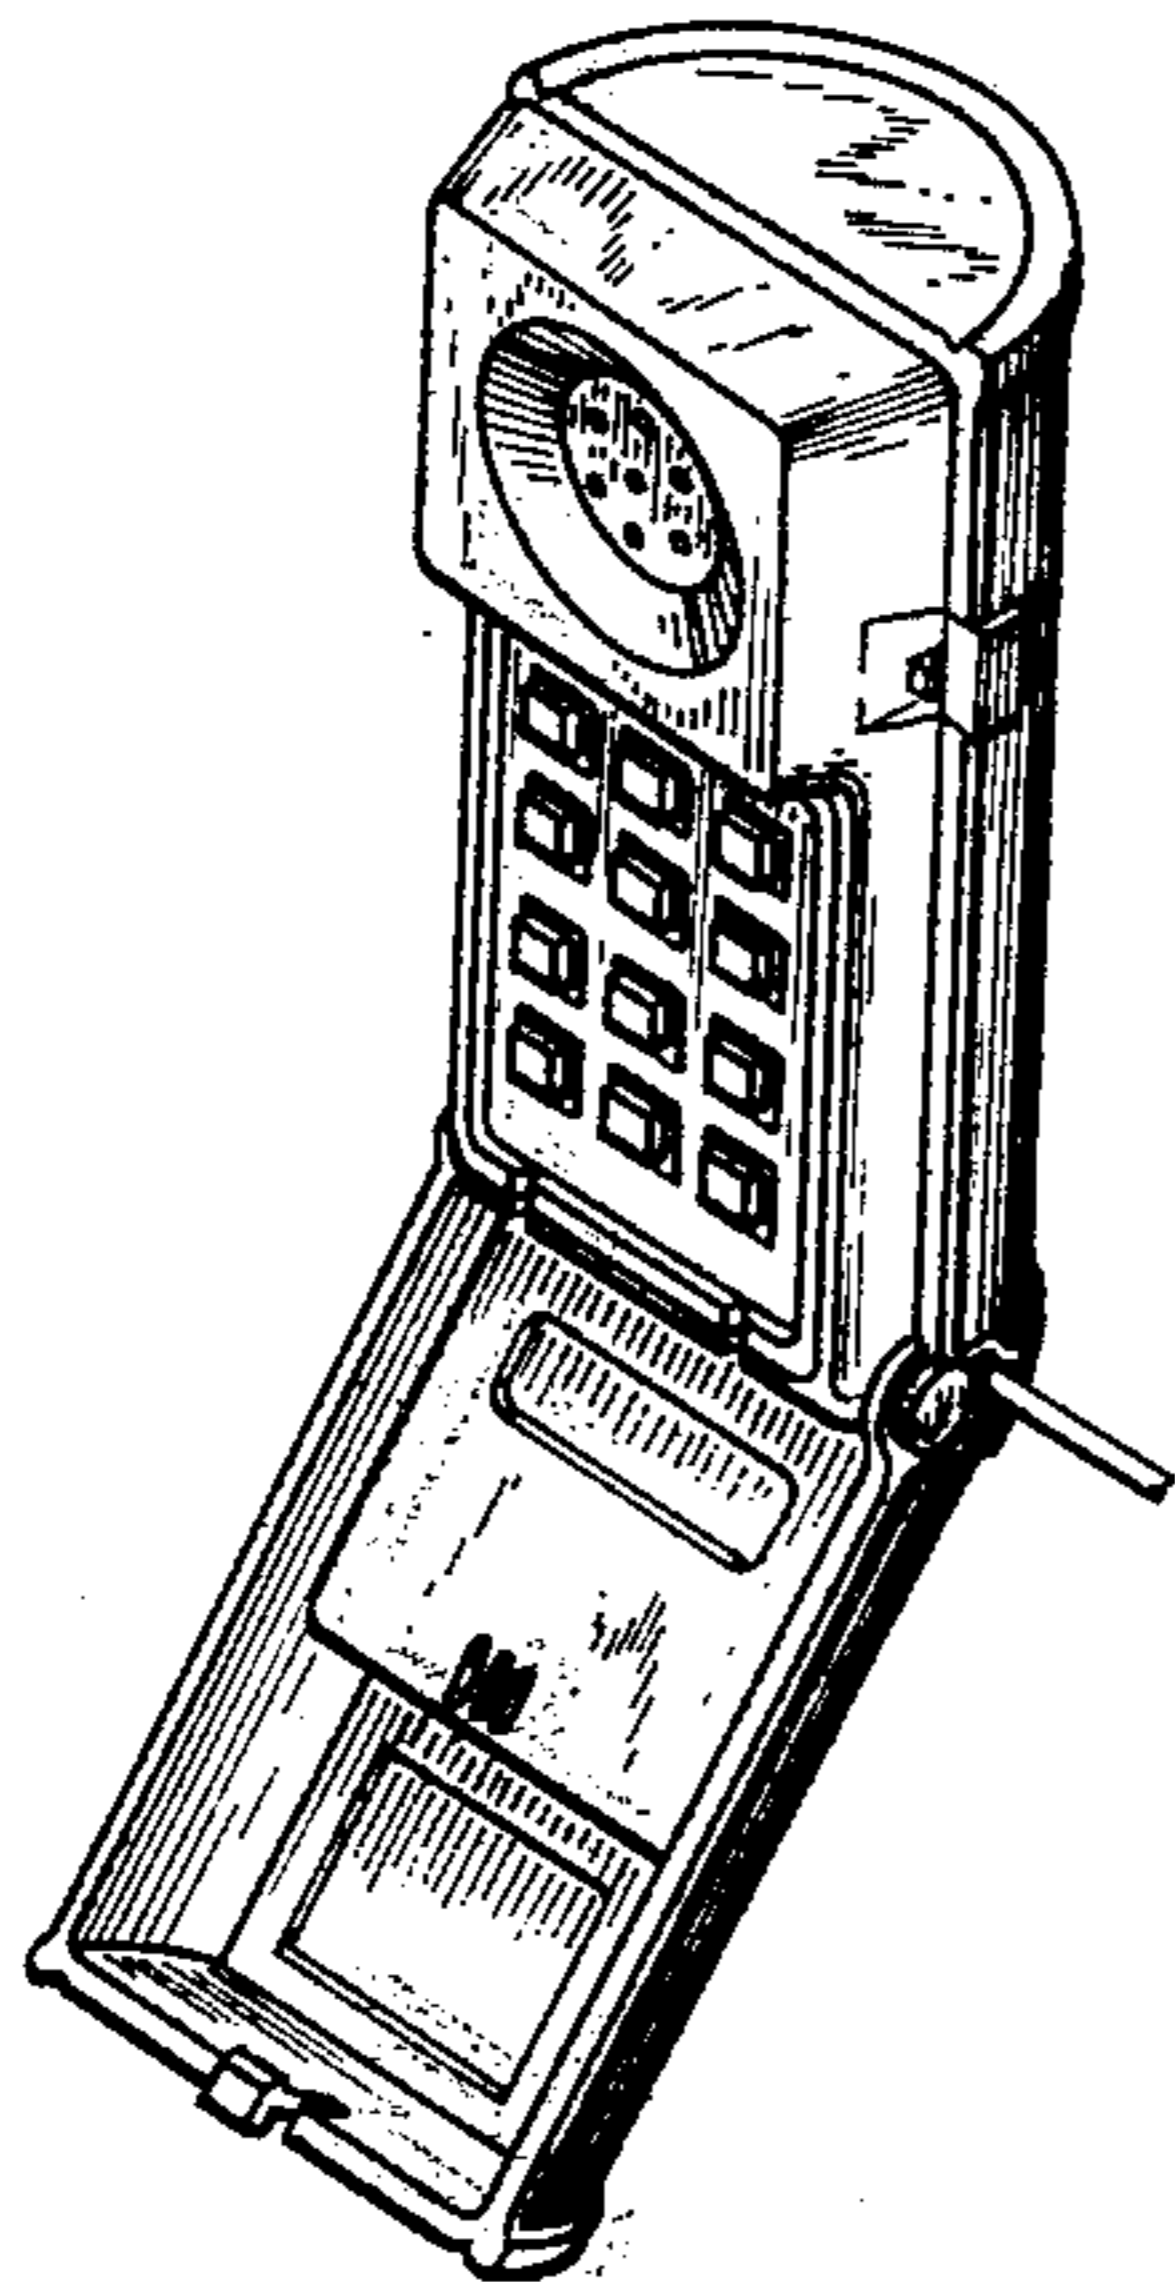

FIG. 2 is a right side elevational view thereof;

FIG. 3 is a bottom plan view thereof;

FIGS. 4, 5 and 6 are top front, right front top, and top rear perspective views, respectively, of the telephone in closed position; and

FIG. 7 is a bottom plan view of the telephone in closed position.

The telephone cord in FIGS. 1-7 is shown in fragmentary form for facility of illustration.
