[57] **CLAIM**

The ornamental design for a diesel engine air filter
mount, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of a diesel engine
air filter mount showing my new design;

FIG. 2 is a front side elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof; and,

FIG. 5 is a perspective view thereof, taken from above.
A left side elevational view of my diesel engine air filter
mount is essentially a mirror image of FIG. 1.
