[57] CLAIM

The ornamental design for the front face of an instrument panel for an airplane, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a front face of an instrument panel for an airplane showing my new design, it being understood that the broken lines are for illustrative purposes only and form no part of the design; FIG. 2 is an enlarged perspective view thereof showing the front face of the instrument panel in greater detail.

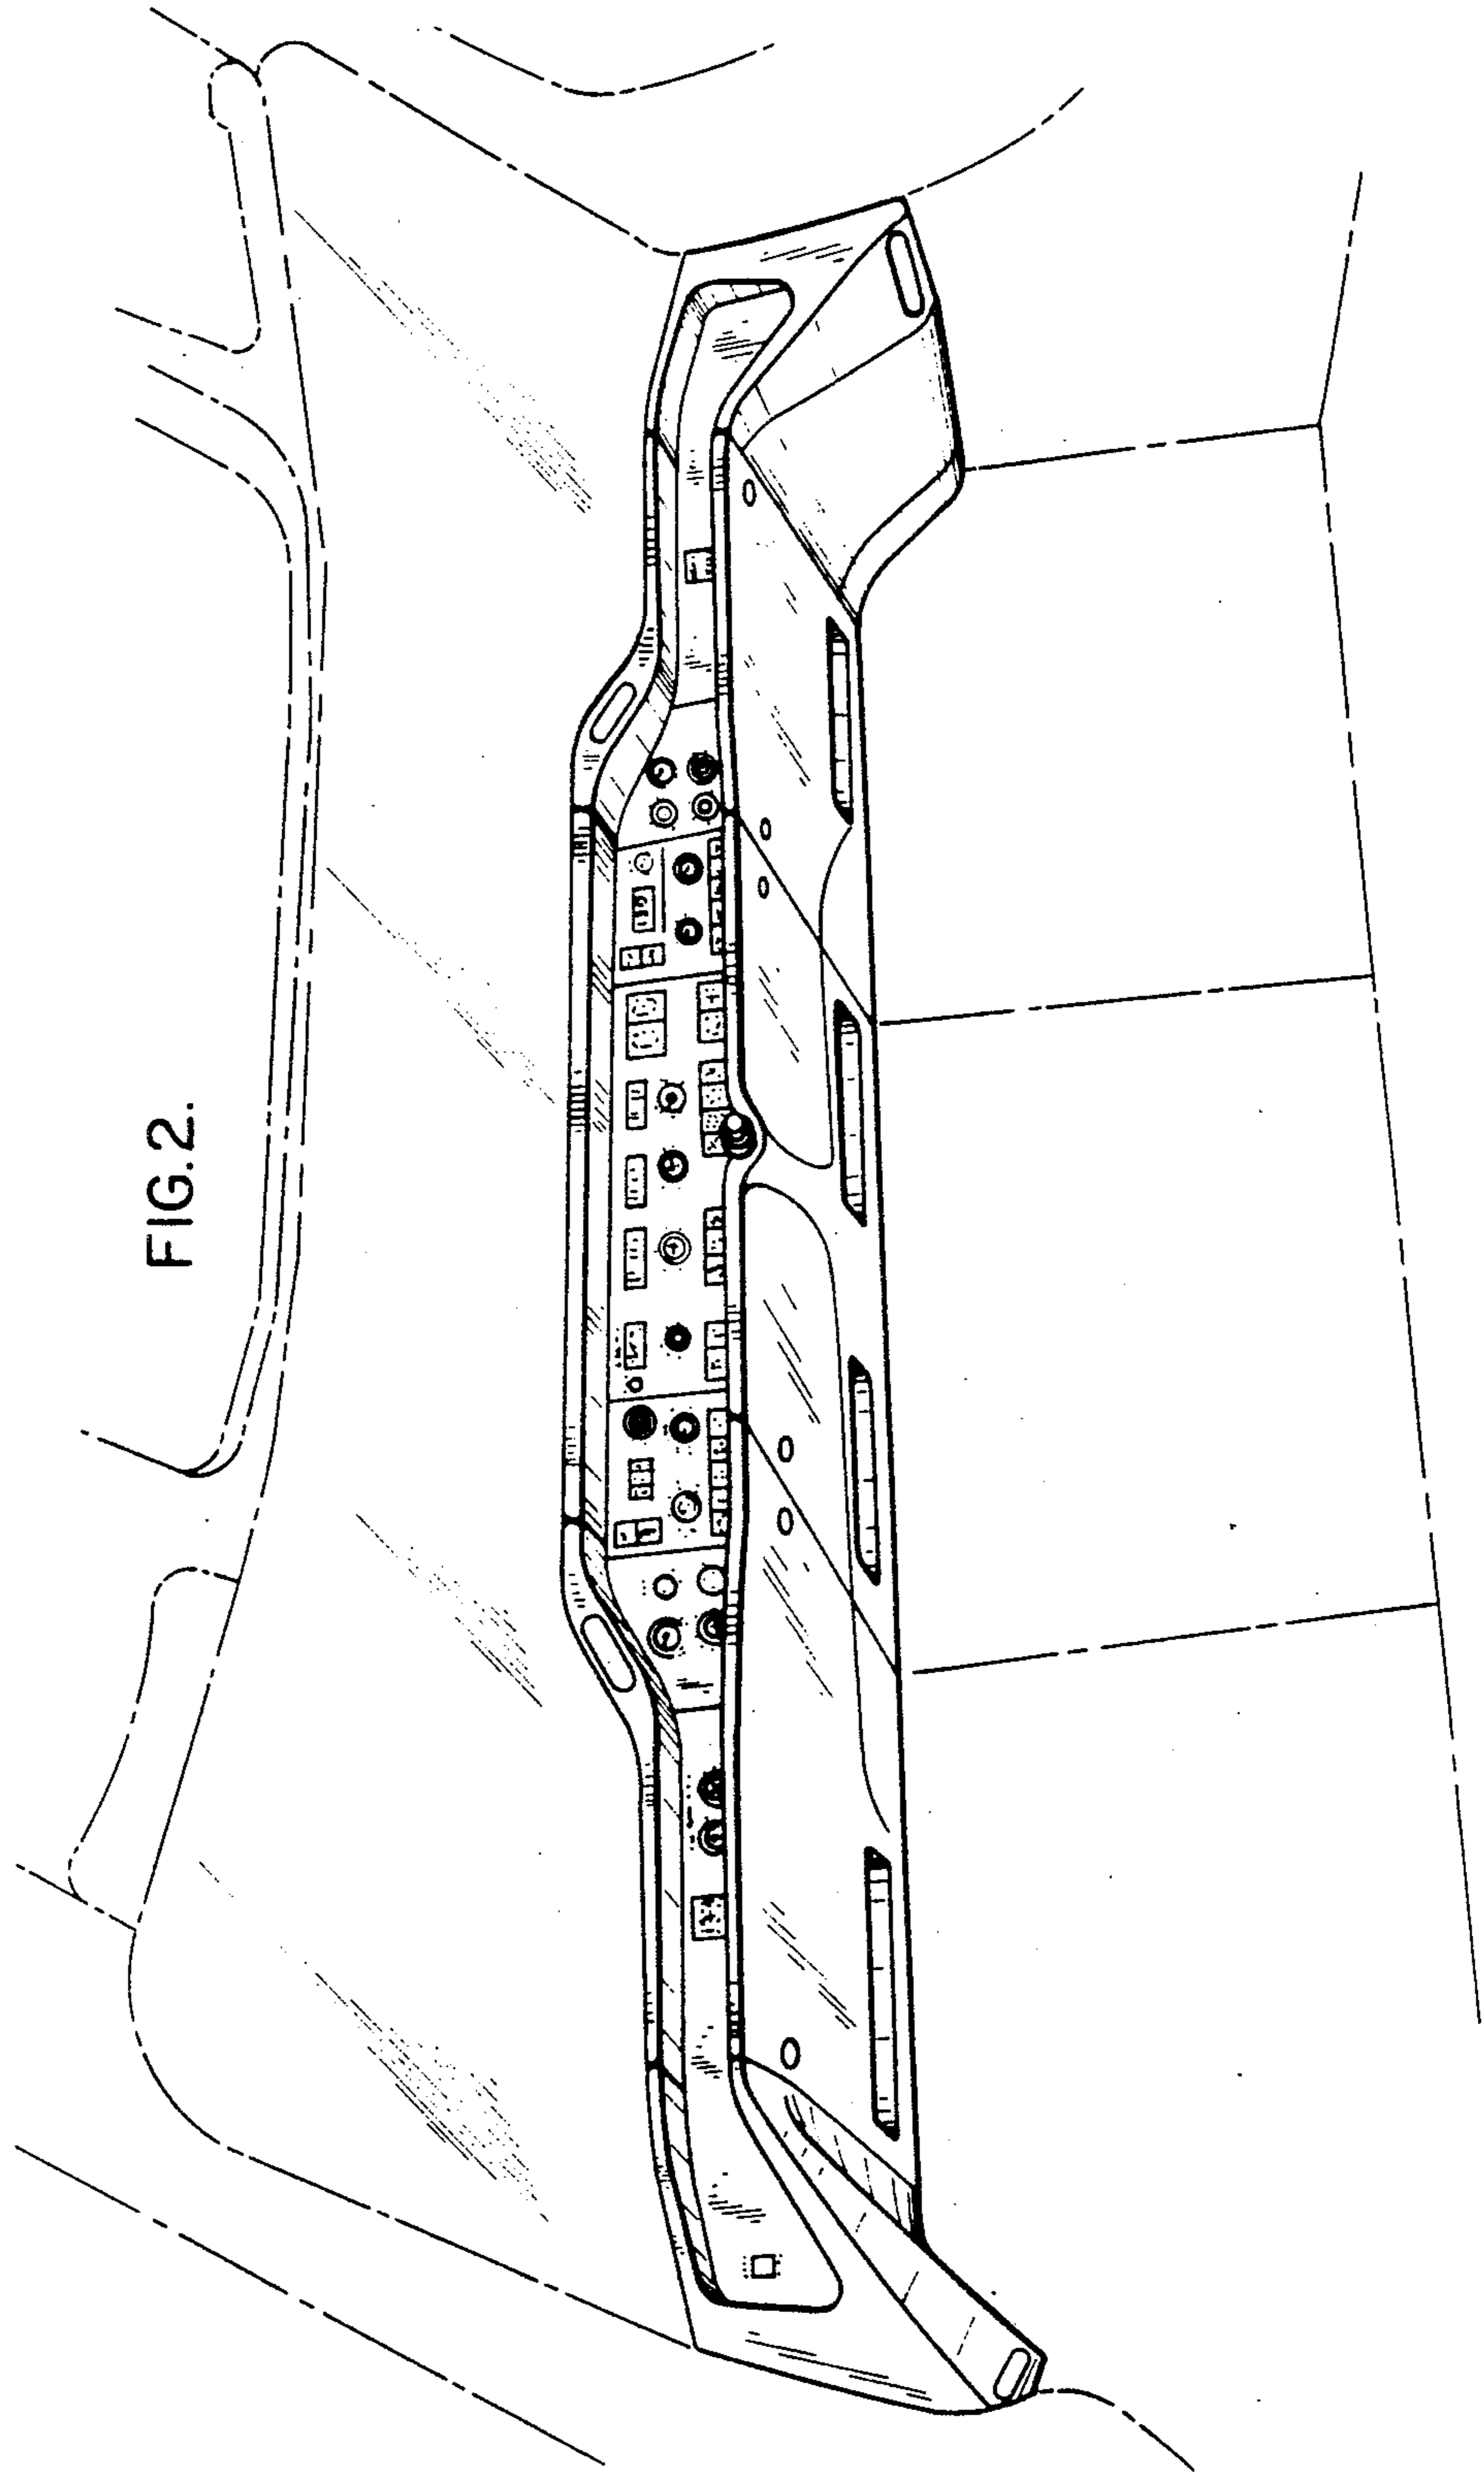

FIG. 2.
