[57] CLAIM

The ornamental design for a combined stethoscope head and flexible sound tube, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation of a combined stethoscope head and flexible sound tube showing my new design, the rear and side elevations being identical;
 FIG. 2 is a front elevation thereof, showing the flexible sound tube extended; and
 FIG. 3 is a bottom plan view, the top being flat and plain.

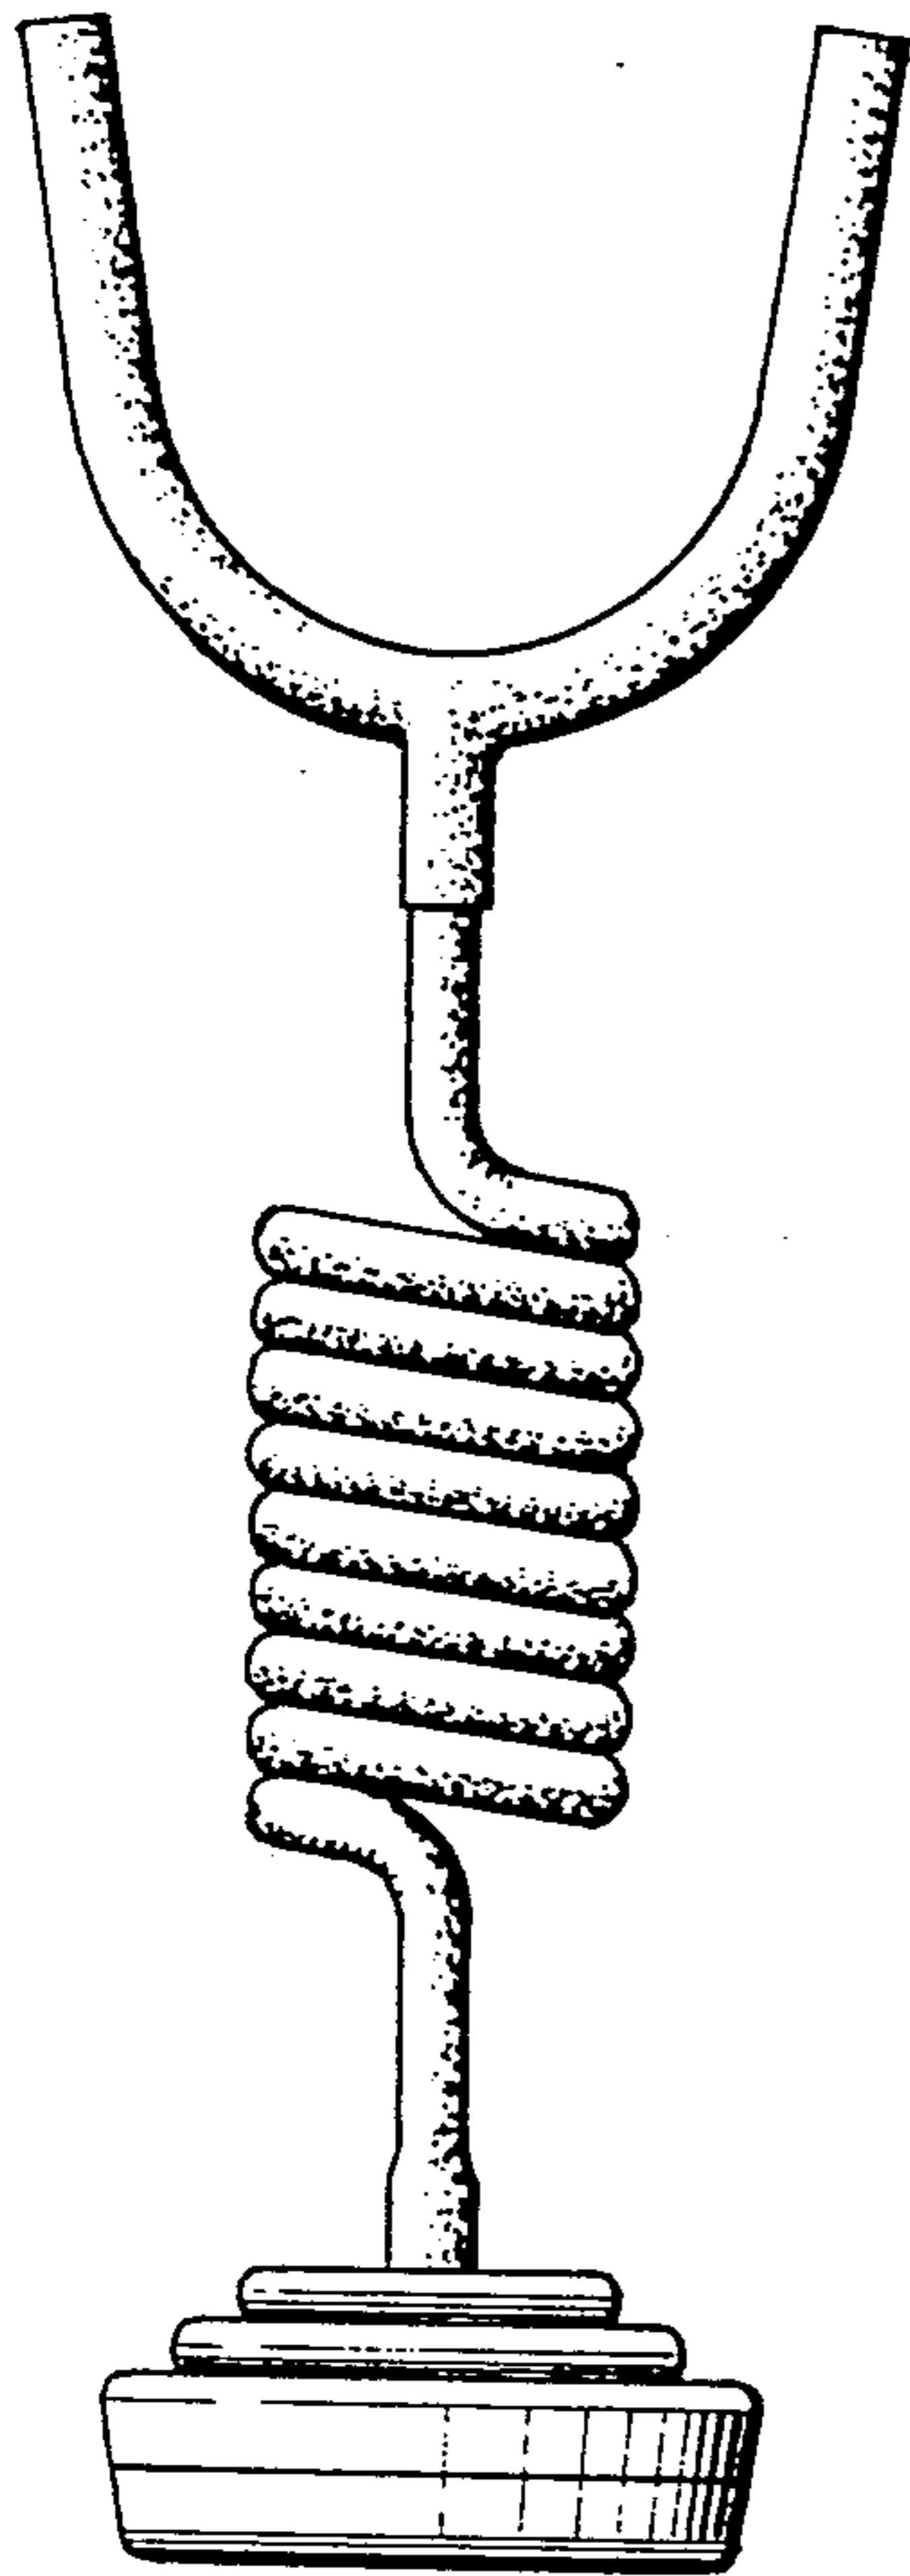

FIG. 1

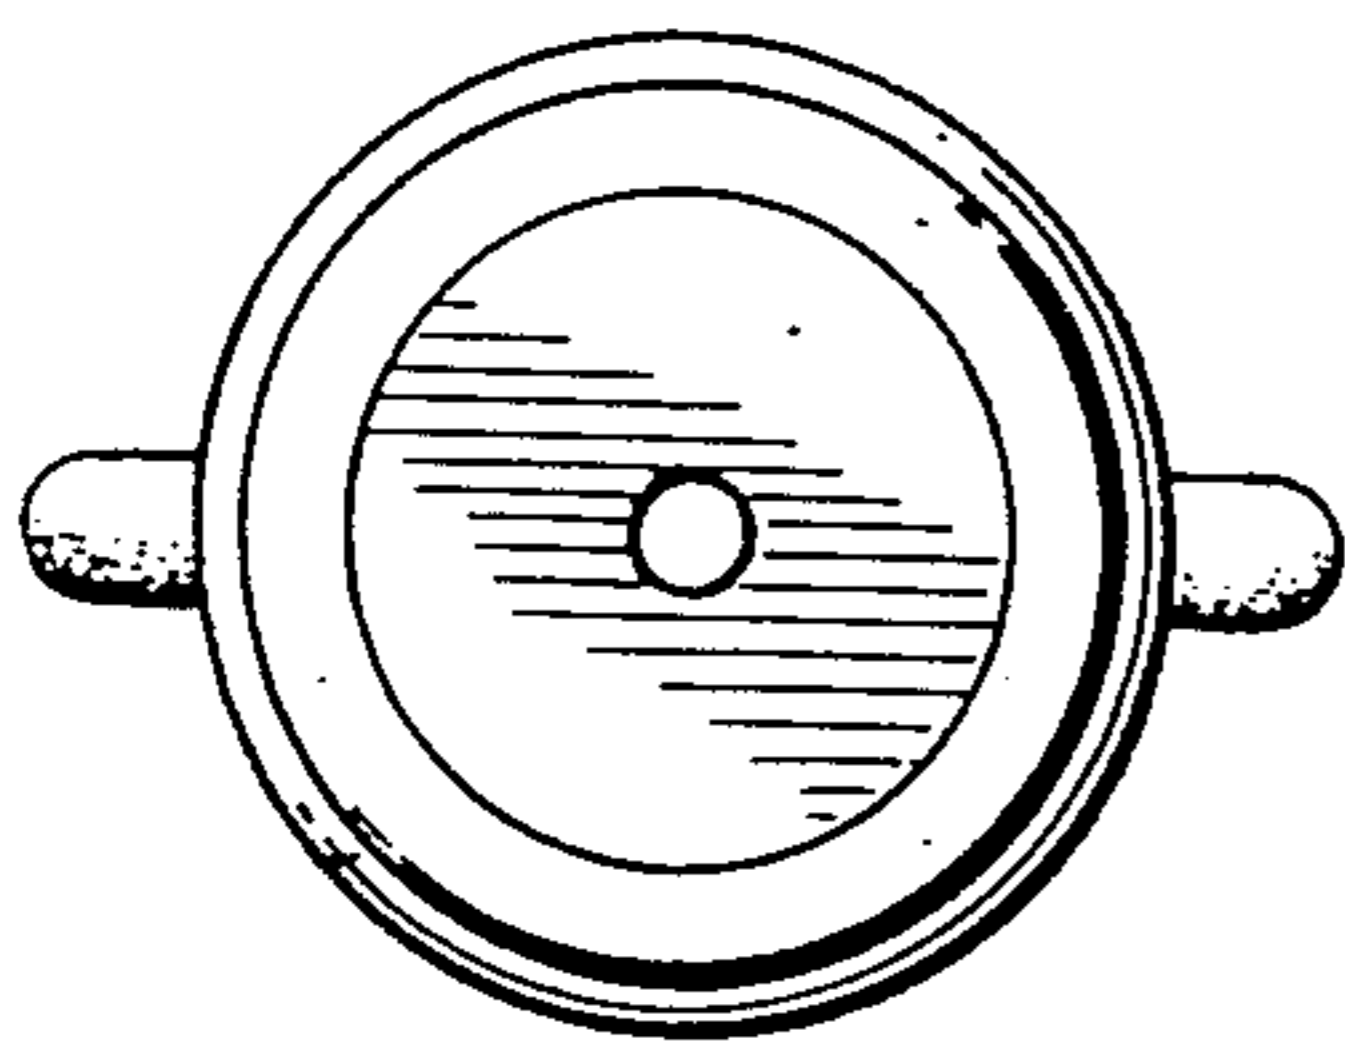

FIG. 3

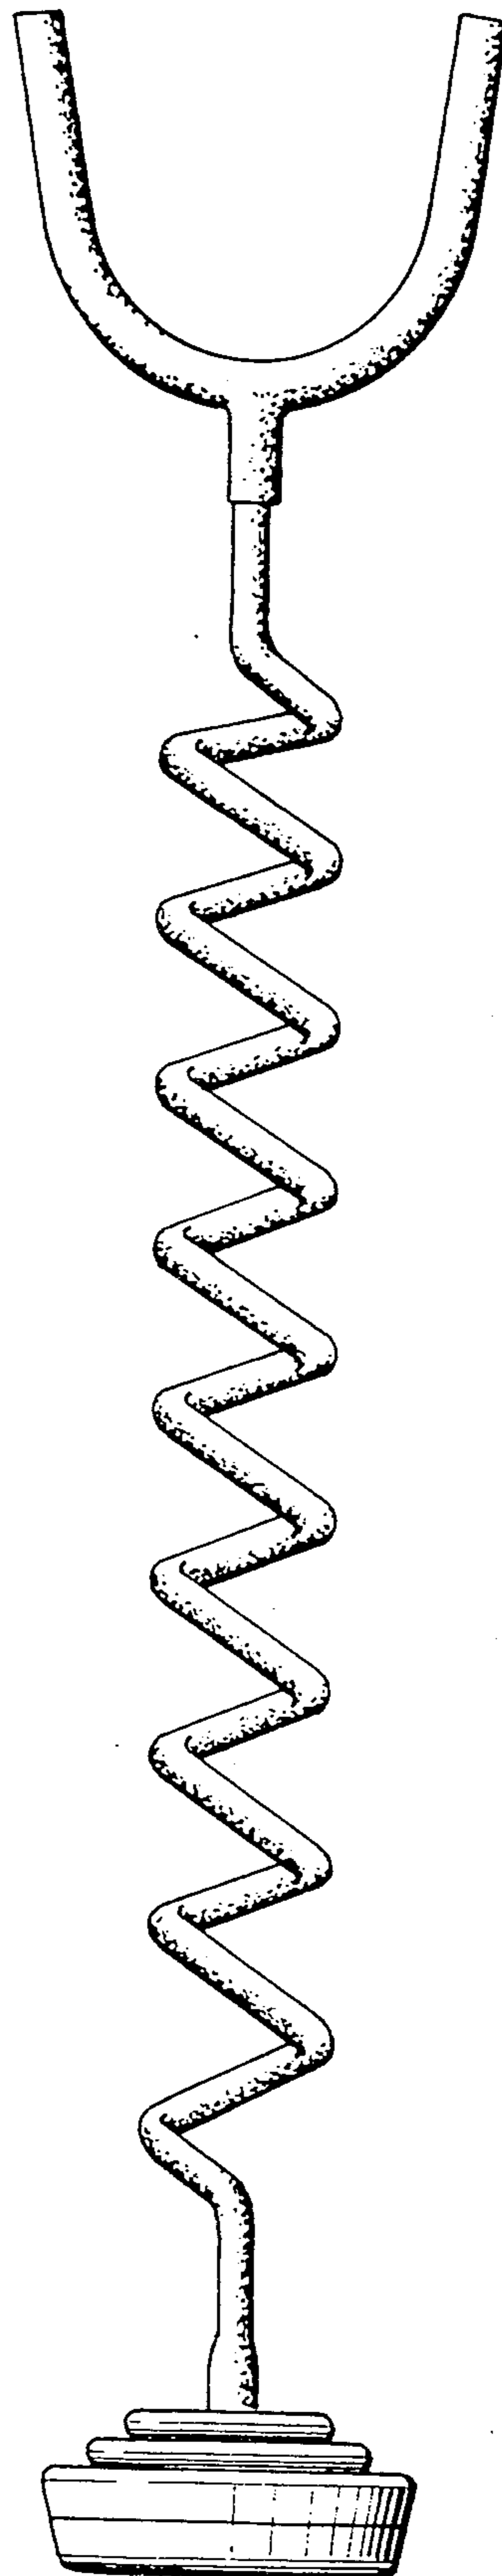

FIG. 2
