[57] **CLAIM**

The ornamental design for a sleeve and cap grommet set for electrical wires, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a sleeve and cap grommet set for electrical wires showing my new design; FIGS. 2, 3 and 4 are respectively top plan, side elevational and bottom plan views of the sleeve component thereof; FIGS. 5, 6 and 7 are respectively top plan, side elevational and bottom plan views of the cap component thereof. The sleeve and cap components of the grommet set are shown independently for ease and clarity of illustration.
