[57] CLAIM

The ornamental design for a telephone dialing base, as shown and described.

DESCRIPTION

FIG. 1 is a left side and top perspective view of a telephone dialing base showing our new design; FIG. 2 is a left side elevational view thereof; FIG. 3 is a front end elevational view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a right side elevational view thereof; FIG. 6 is a rear end elevational view thereof; FIG. 7 is a bottom plan view thereof; FIG. 8 is a perspective view of the base standing in an upright position; and FIG. 9 is a left side and top perspective view of a second embodiment thereof, showing a variation in the design on the inset portion of the top face.
