[57] CLAIM

The ornamental design for magnetic disk storage system, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the magnetic disk storage system showing my new design;  
 FIG. 2 is a top plan view of the smaller module of the system, the larger module being omitted for convenience of illustration;  
 FIG. 3 is a top plan view of the larger module of the system, the smaller module being omitted for convenience of illustration;  
 FIG. 4 is a rear elevational view of the smaller module;  
 FIG. 5 is a rear elevational view of the smaller module;  
 FIG. 6 is a rear perspective view of the system.
