[57] CLAIM

The ornamental design for a cut-away holster, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of my cut-away holster; FIG. 2 is a front elevational view thereof; FIG. 3 is a right-side elevational view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a left-side elevational view thereof; FIG. 6 is a rear elevational view thereof; FIG. 7 is also a rear elevational view, but with certain context removed to more clearly show the holster; FIG. 8 is a bottom plan view thereof; and FIG. 9 is an elevational view of a blank as shaped for forming said holster.

The phantom representations of the belt clamp, screw heads, and cylindrical spacer are included in the drawings merely for the purpose of illustrating the environment in which the holster of this invention is used. The structure shown in the phantom lines is not part of the design sought to be patented.
