[57] CLAIM

The ornamental design for a linear surgical stapler with permanent anvil, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a linear surgical stapler with permanent anvil showing our new design;
FIG. 2 is a rear elevational view thereof;
FIG. 3 is an end elevational view thereof, looking from the right of FIG. 2;
FIG. 4 is an end elevational view thereof, looking from the left of FIG. 2;
FIG. 5 is a top plan view thereof; and
FIG. 6 is a bottom plan view thereof.
