[57] **CLAIM**

The ornamental design for a wind chime, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a wind chime showing my new design;

FIG. 2 is an enlarged bottom plan view of the hanger thereof, shown separately for ease of illustration;

FIG. 3 is an enlarged top plan view of the medallion thereof, shown separately for ease of illustration, the bottom plan being identical;

FIG. 4 is an enlarged fragmentary perspective view of FIG. 1.

The undisclosed top plan view of the hanger is plain and unornamented.
