[57] CLAIM

The ornamental design for a combined handset and base telephone set, as shown and described.

DESCRIPTION

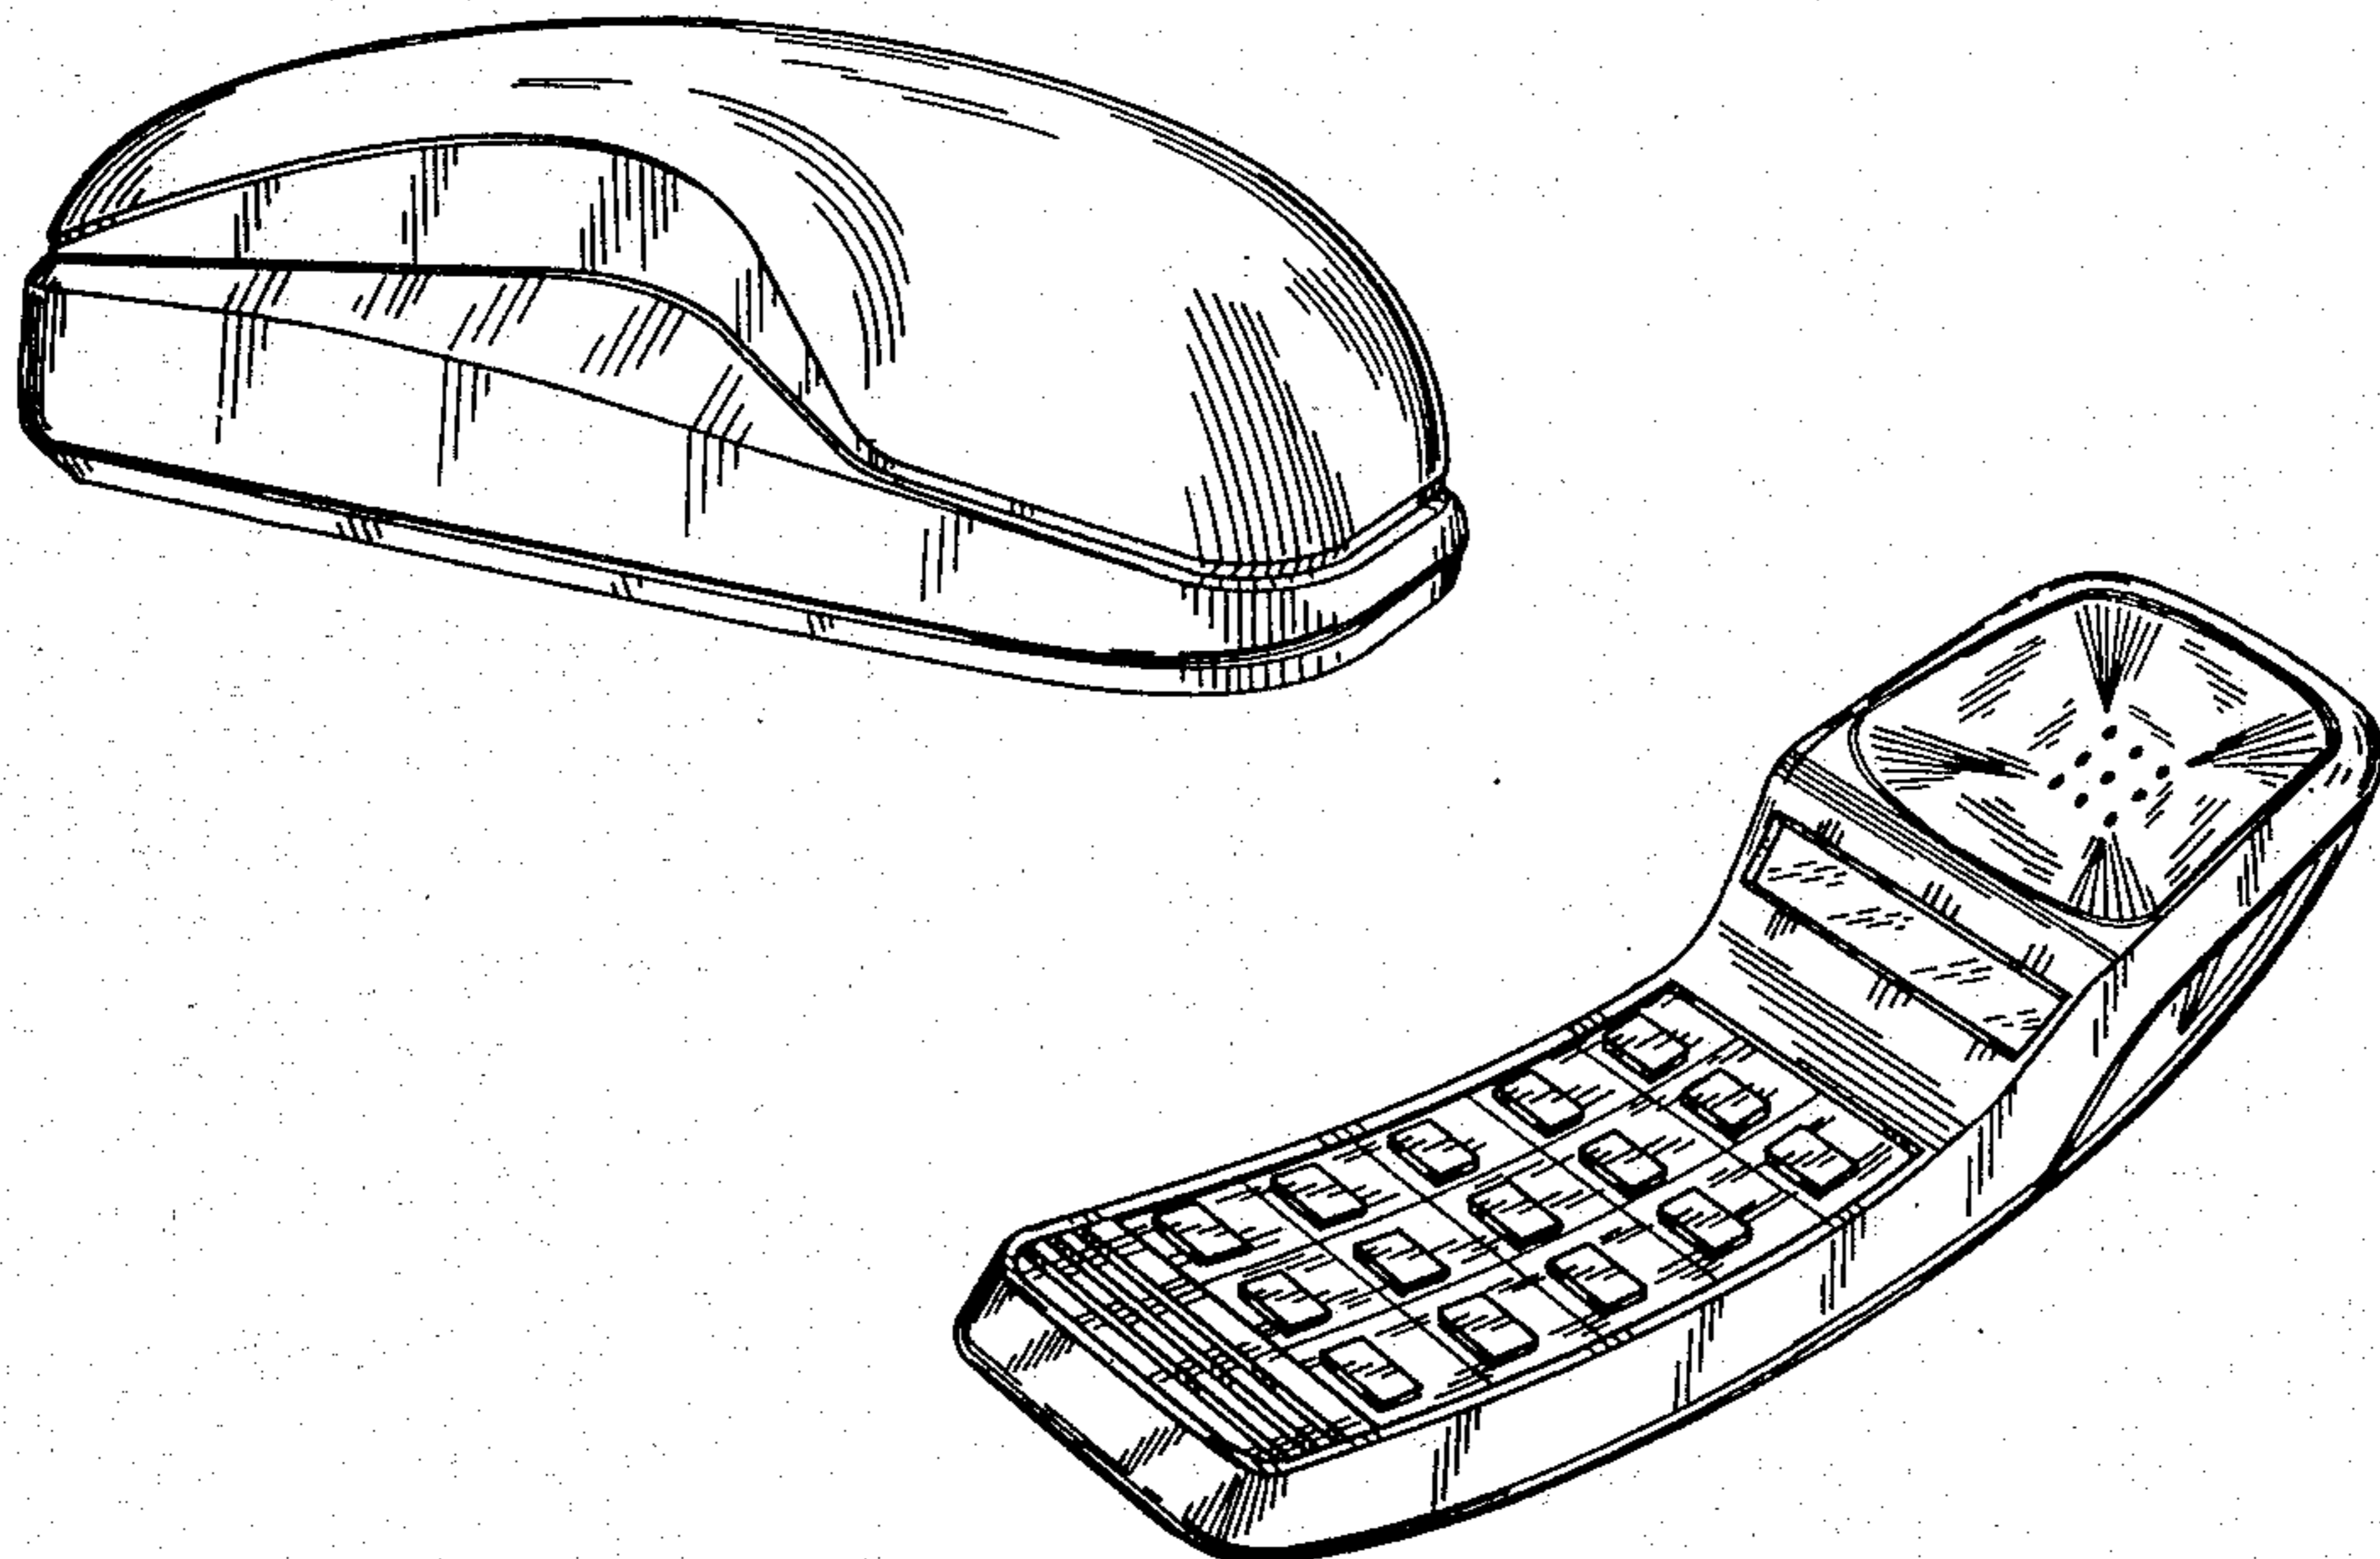

FIG. 1 is a perspective view from above of the top front and one side of a combined handset and base telephone set showing our new design;

FIG. 2 is a perspective view from below of the underside of the handset component thereof;

FIG. 3 is a top plan view of the handset and base in cradle assembly;

FIGS. 4 and 6 are respectively front and rear and elevational views on an enlarged scale; and

FIG. 5 is a side elevational view thereof on an enlarged scale, the side opposite being a mirror image of the side shown.
