[57] CLAIM

The ornamental design for a guard for a water suction pipe, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a guard for a water suction pipe showing my new design; FIG. 2 is a front elevation view thereof; FIG. 3 is a partial sectional view of a side elevation thereof, the opposite side being identical in appearance; FIG. 4 is a rear elevation view thereof; FIG. 5 is a partial sectional view of a side elevation of an alternate embodiment of FIG. 1, the opposite side being identical in appearance and the only difference residing in the proportions and rear configuration, as shown.
