[57] CLAIM

The ornamental design for a belt, as shown.

DESCRIPTION

FIG. 1 is a top and front perspective view of a belt showing my new design;

FIG. 2 is a top and front perspective view of the belt portion thereof, shown in an extended position without the buckle portion for ease of illustration;

FIG. 3 is a top and rear perspective view of the buckle portion thereof, shown without the belt portion for clarity of illustration;

FIG. 4 is a left side elevational view of the buckle portion thereof, shown without the belt portion for clarity of illustration; and

FIG. 5 is a right side elevational view of the buckle portion thereof, shown without the belt portion for clarity of illustration.
