[57] CLAIM

The ornamental design for a combined connector and spacer for use primarily on tubular leg supports, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a combined connector and spacer for use primarily on tubular leg supports of my design.

FIG. 2 is a right side elevational view.

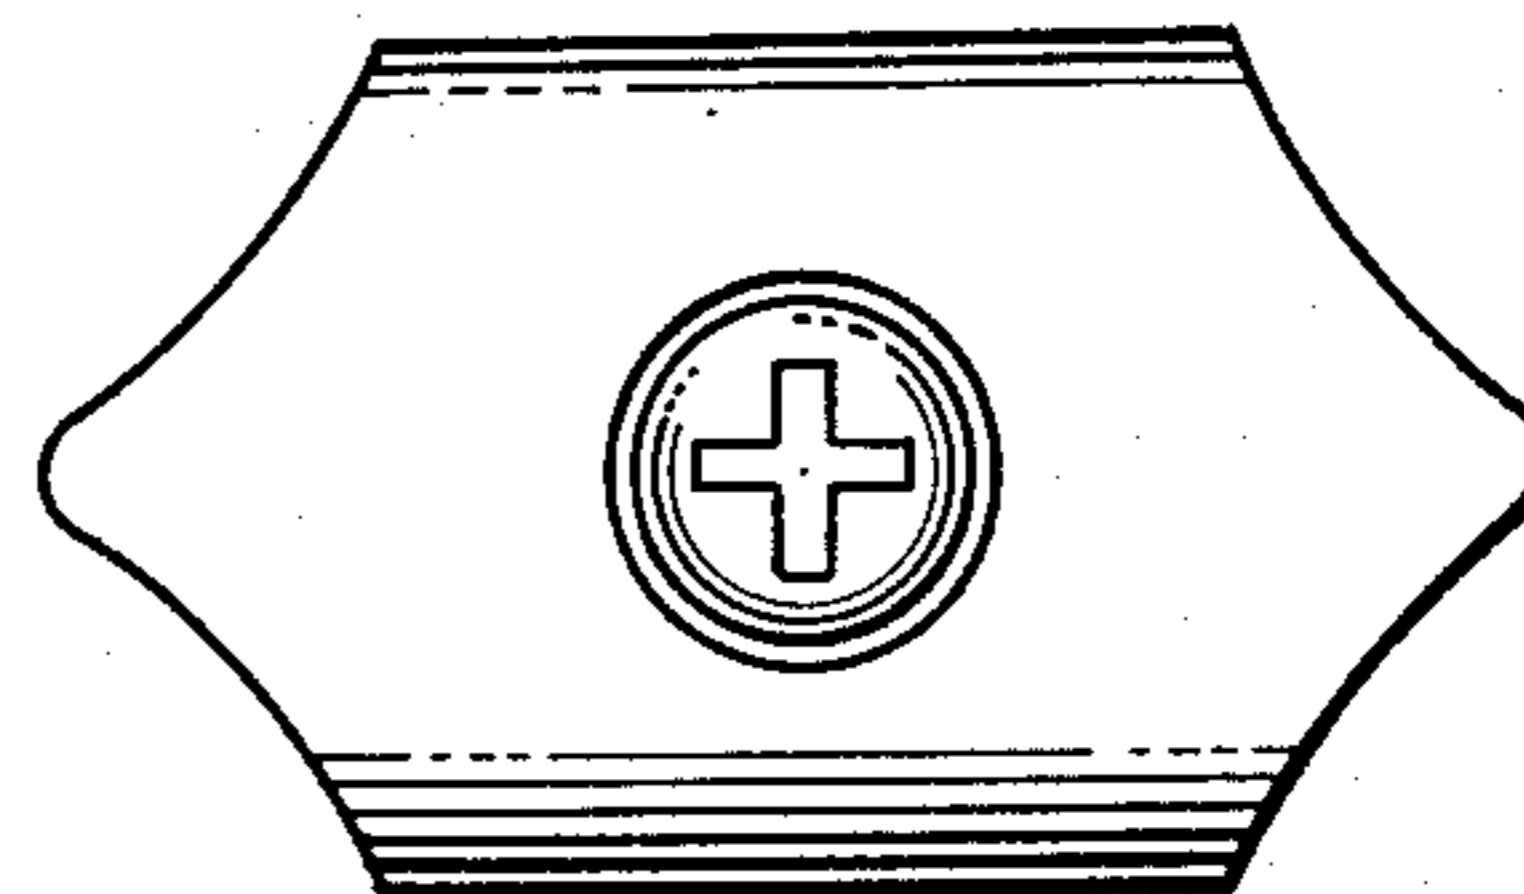

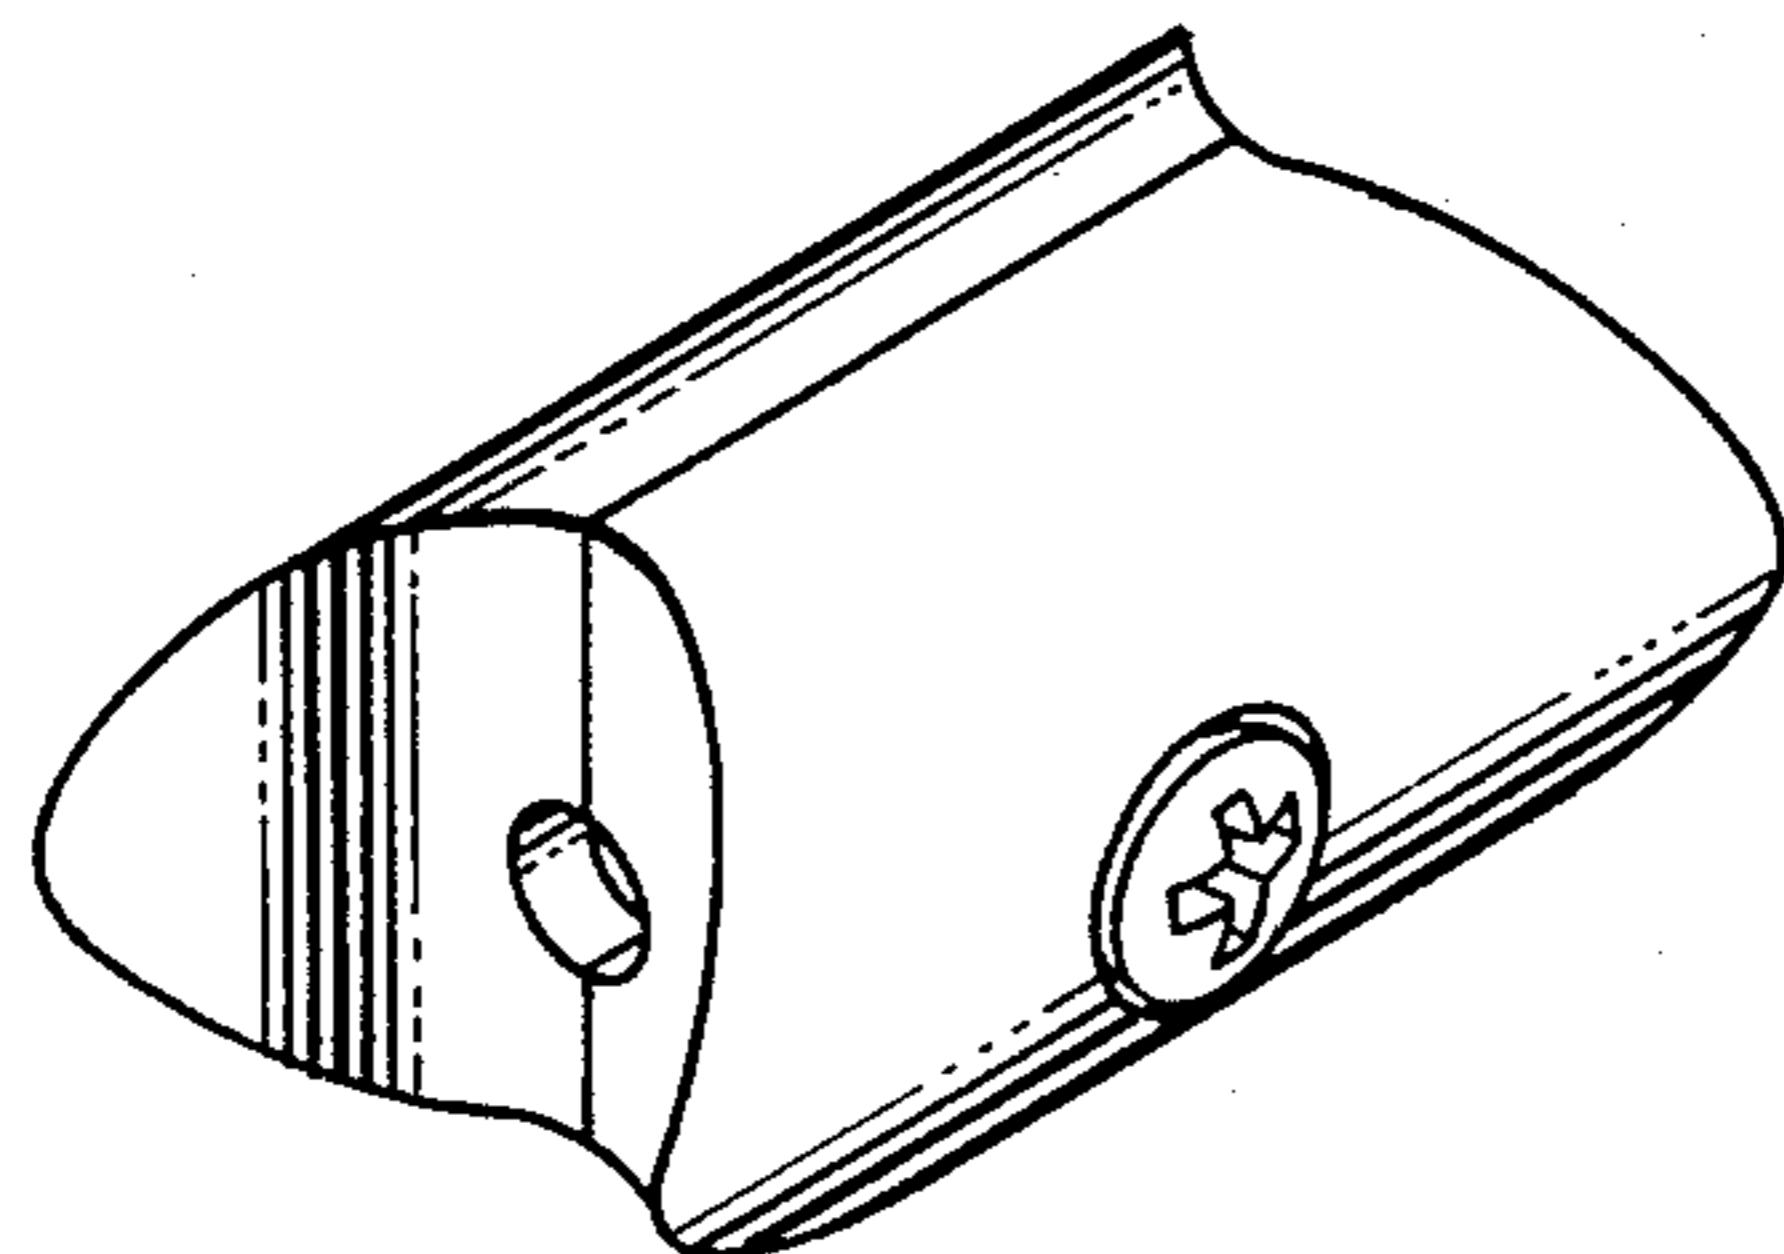

FIG. 3 is a left end elevational view.

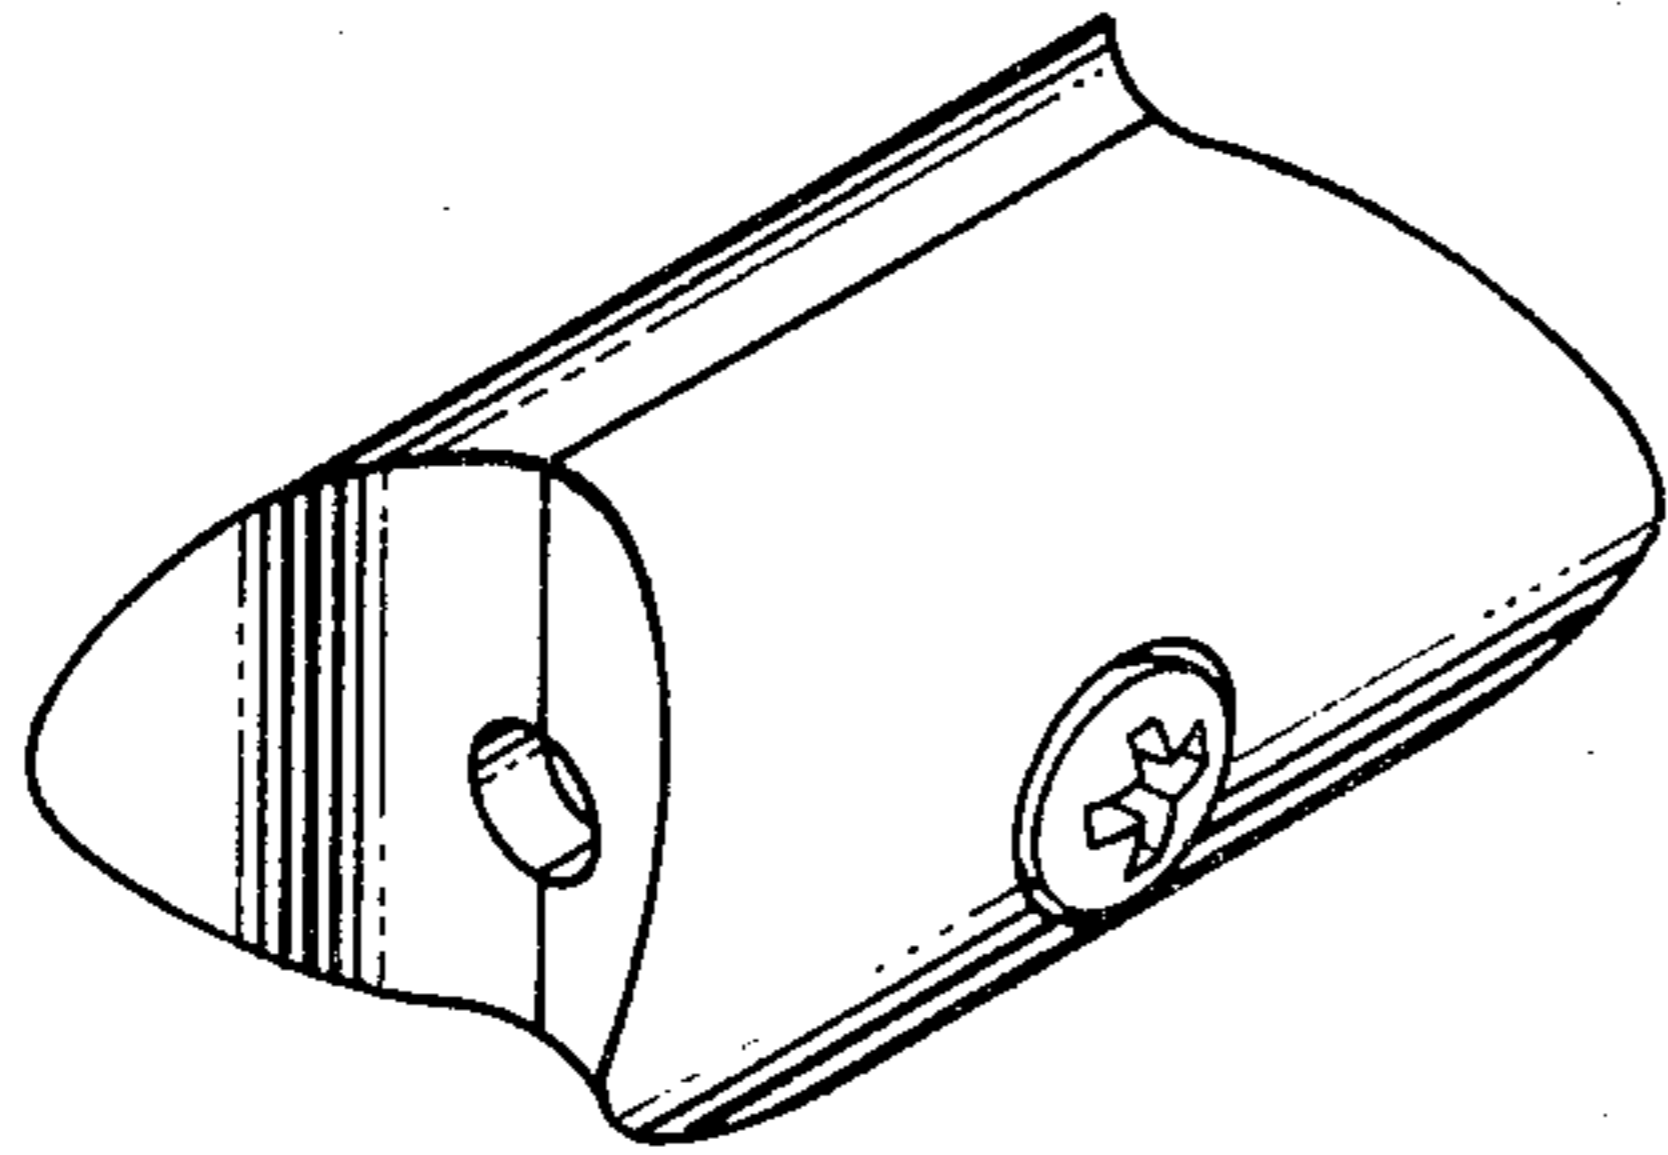

FIG. 4 is a top plan view.

FIG. 5 is a right end elevational view.

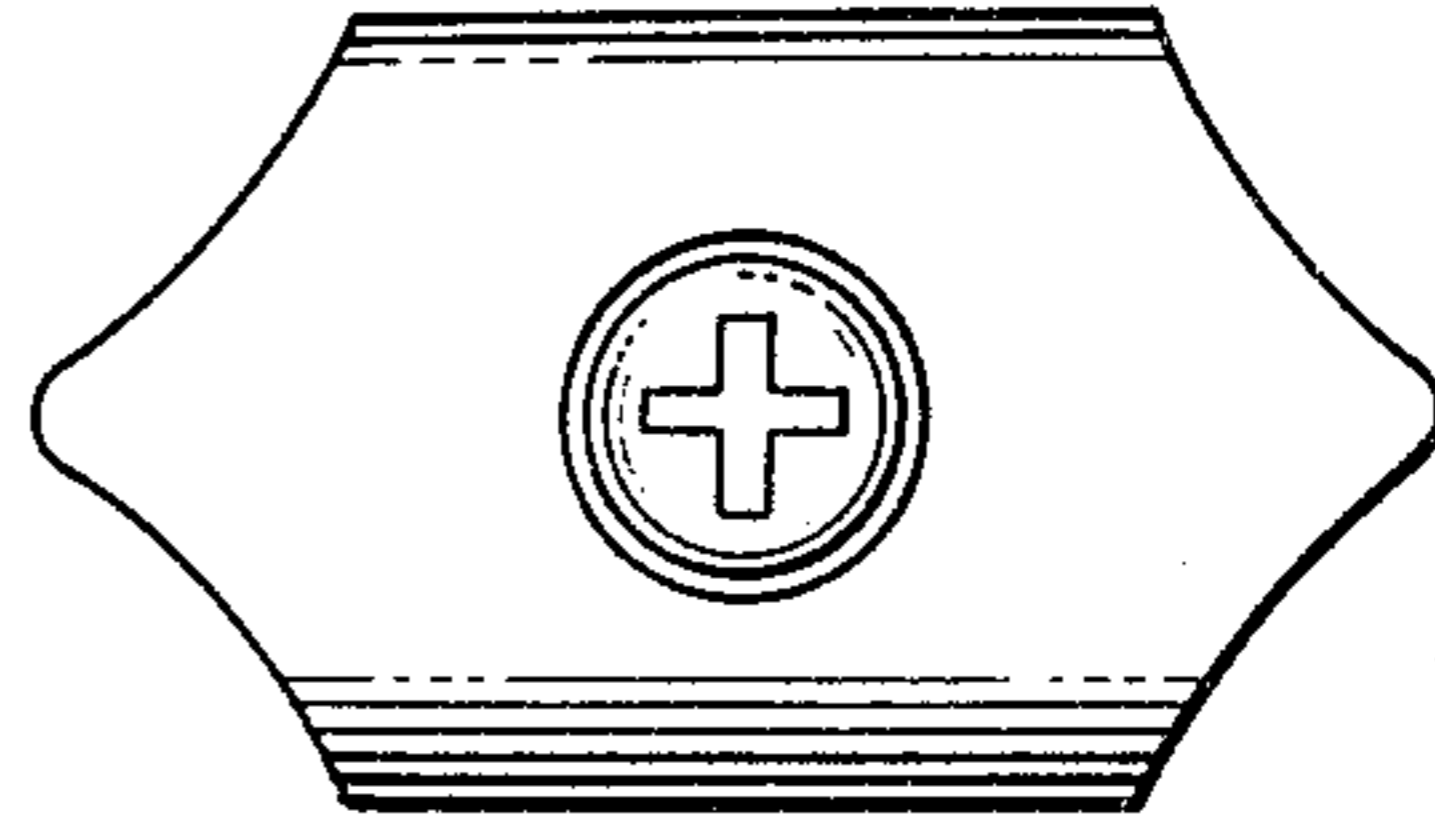

FIG. 6 is a left side elevational view.

FIG. 7 is a bottom plan view.
