[57] **CLAIM**

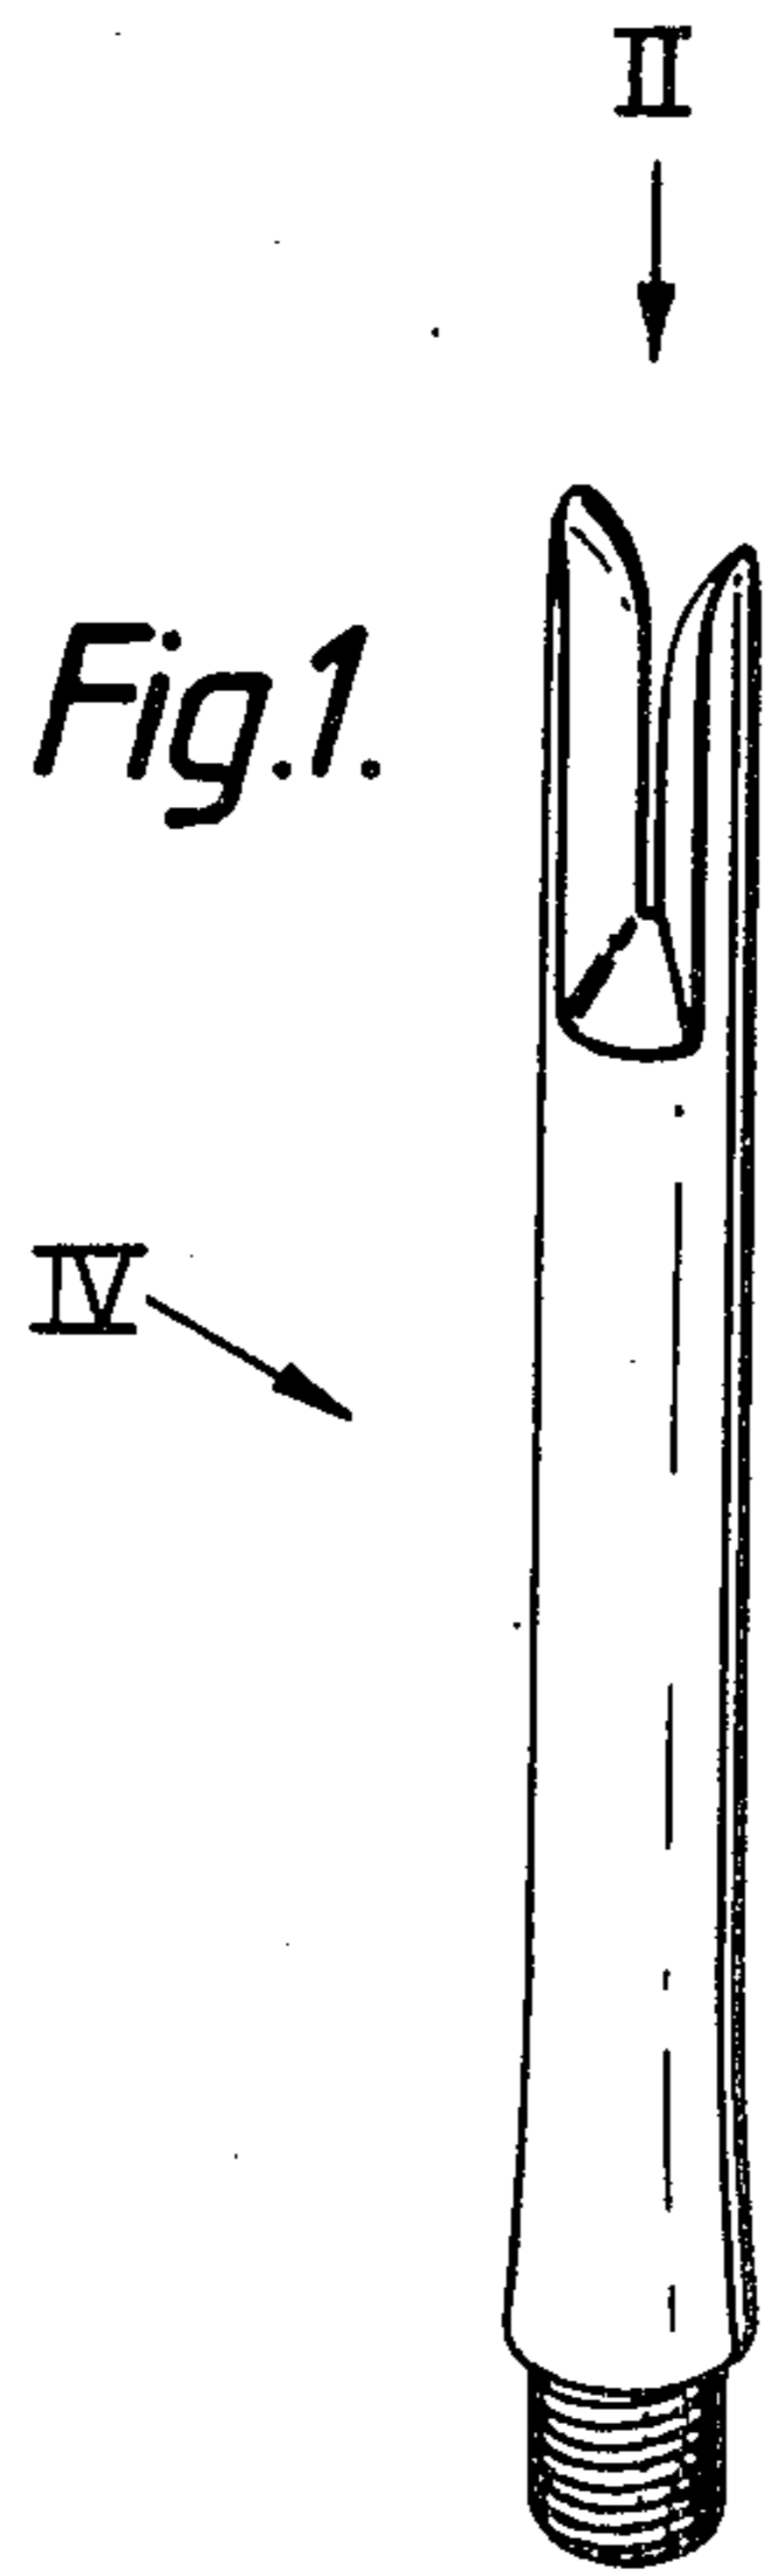

The ornamental design for a dart flight stem, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view from above and one side of a dart flight stem showing my new design; FIG. 2 is a top plan view; FIG. 3 is a front elevation view; and FIG. 4 is a side elevation view.

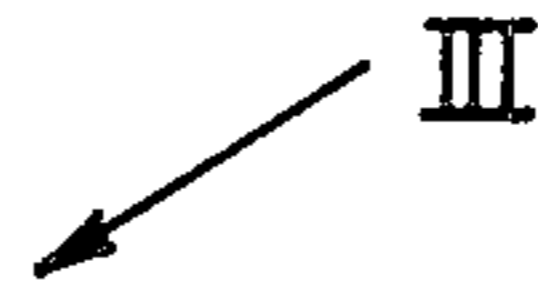

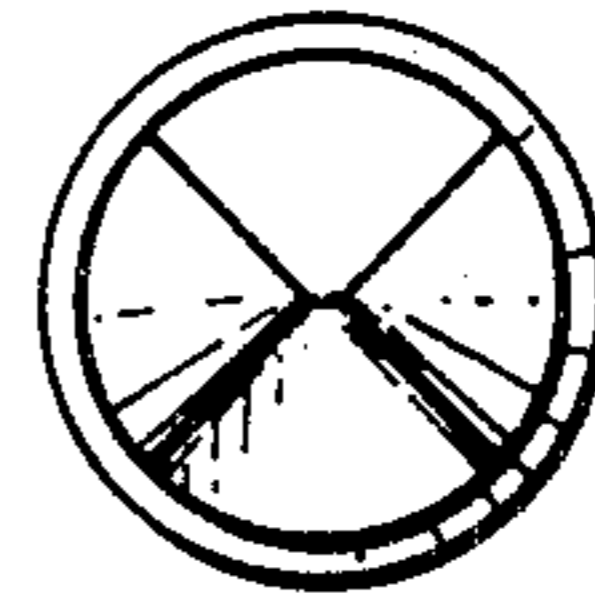

The characteristic feature of my design resides in the particular configuration of the flight holder.
