[57] CLAIM

The ornamental design for a key lock mount for telephone, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a key lock mount for telephone showing my new design, with the broken line showing of a telephone outline being for illustrative enviromental associational purposes only and forming no part of the claimed design;

FIG. 2 is a top and rear perspective view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a rear elevational view thereof in locked condition; and

FIG. 6 is a rear elevational view thereof in unlocked condition.

FIG. 1
