[57] CLAIM

The ornamental design for a frame member for trellises, as shown and described.

DESCRIPTION

FIG. 1 is a fragmentary perspective view of a frame member for trellises showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a side elevational view thereof; and, FIG. 4 is a top plan view of the frame member, the broken line showing of the trellis is for illustrative purposes only and forms no part of the claimed design. The frame member for trellises is of uniform transverse cross-sectional figure and of indeterminate length. The matter shown in dashed lines illustr

The matter shown in dashed lines illustrates environment and forms no part of the design.
