[57] CLAIM

The ornamental design for a dryer for hair or the like, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a dryer for hair or the like showing our new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

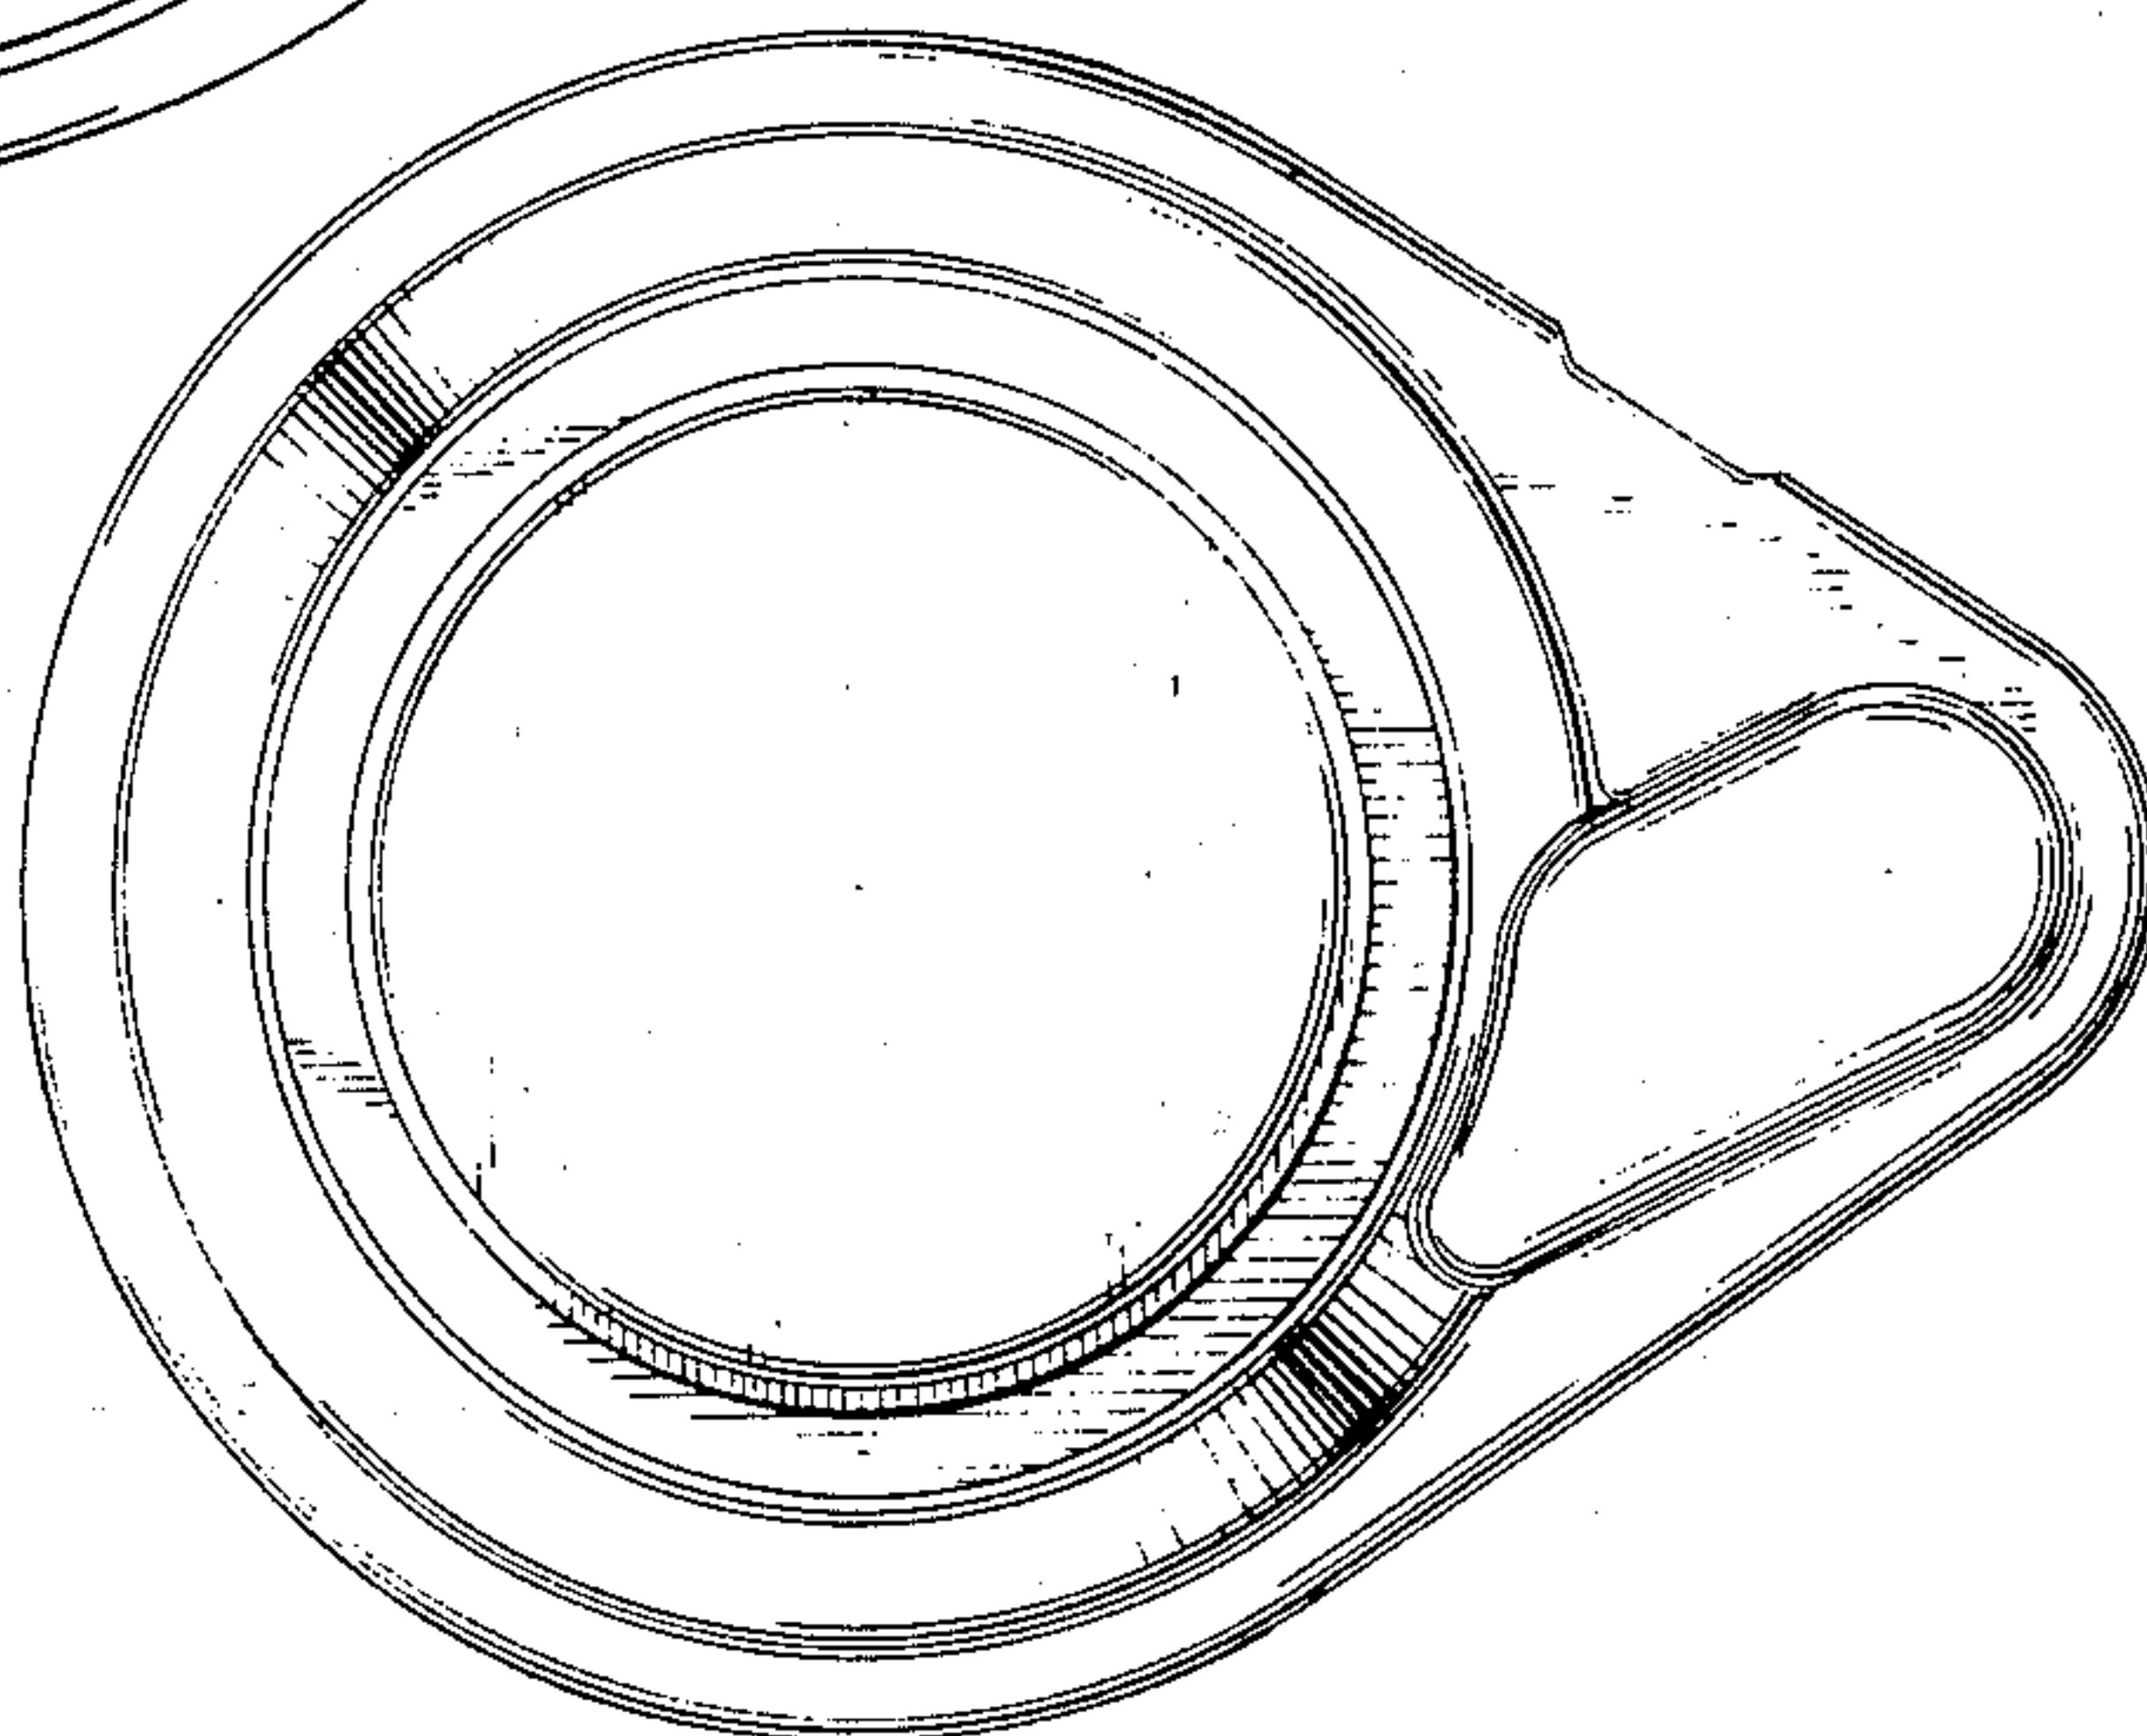

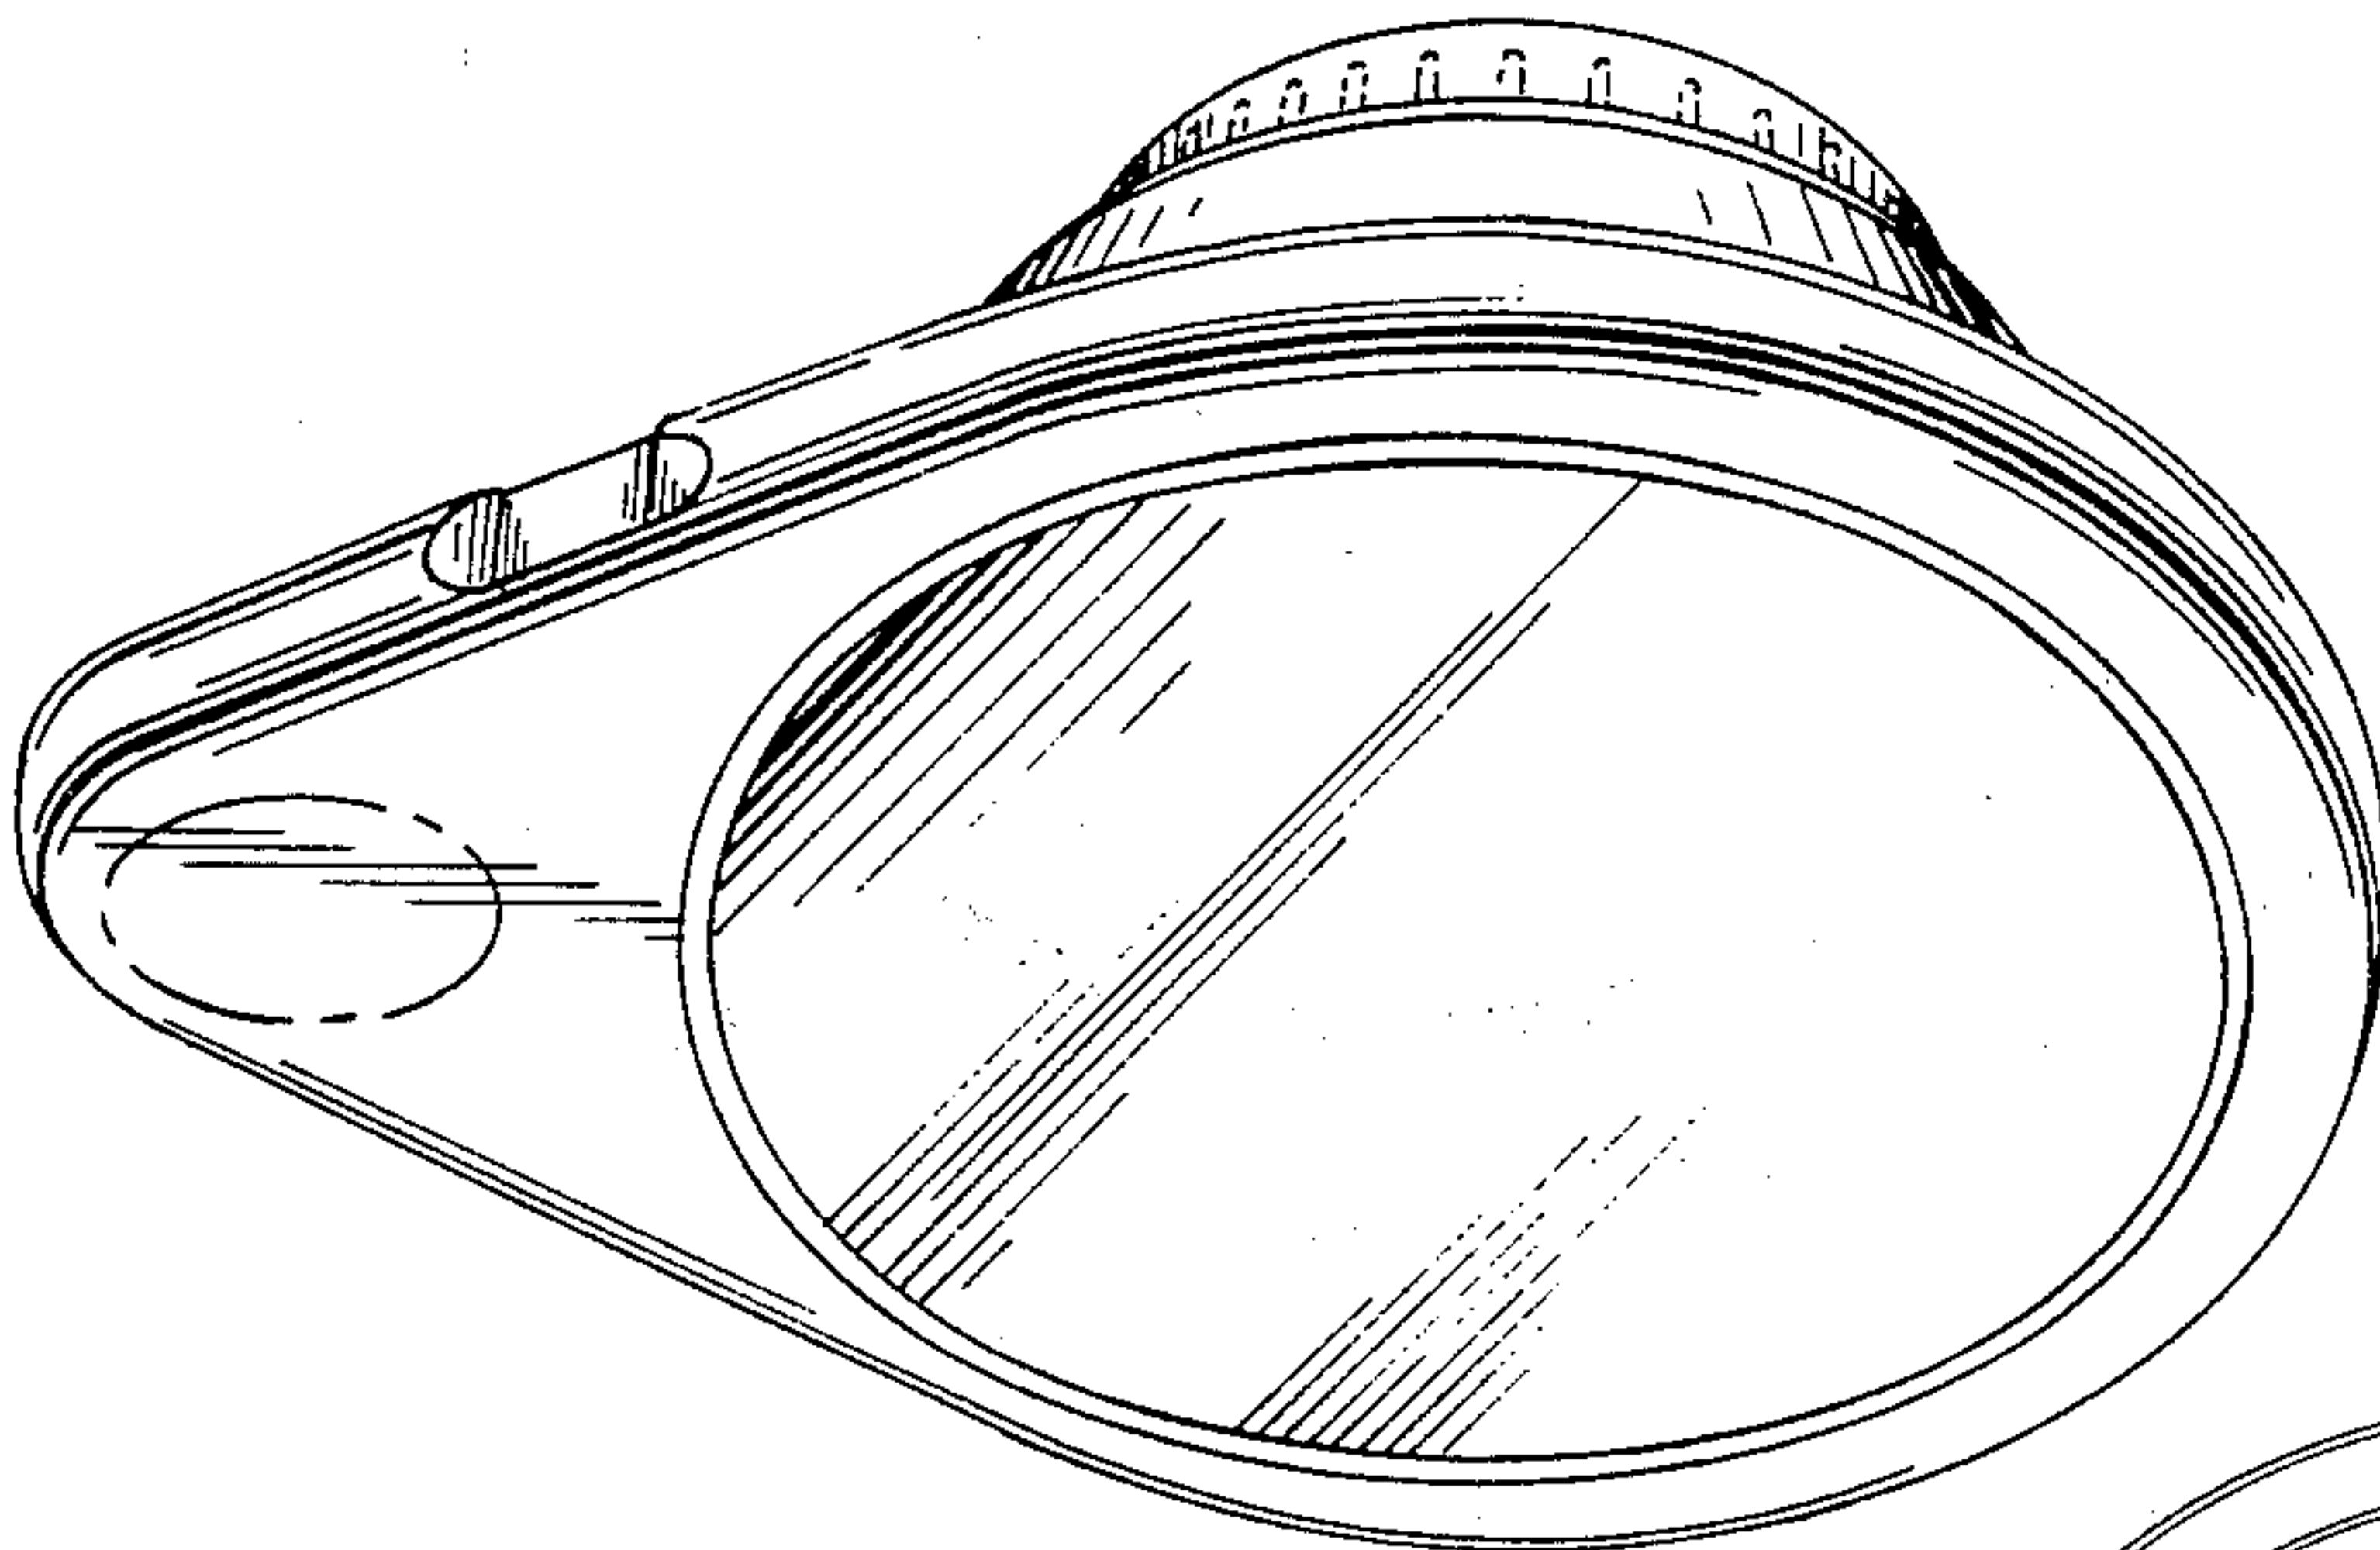

FIG. 5 is a rear elevational view thereof;

FIG. 6 is a right side elevational view thereof;

FIG. 7 is a left side elevational view thereof; and

FIG. 8 is a right side elevational view of a second embodiment thereof, the other views of the second embodiment being identical to FIGS. 1-5 and 7 except that in views based on FIGS. 1, 3-5, and 7 the middle pistol shaped housing (the middle frustrum shaped housing with extension towards the point of the tear-drop shape) is removed.

The fragmentary broken line representations of holes in FIGS. 1-4 and 6-8 are for purposes of illustration only.

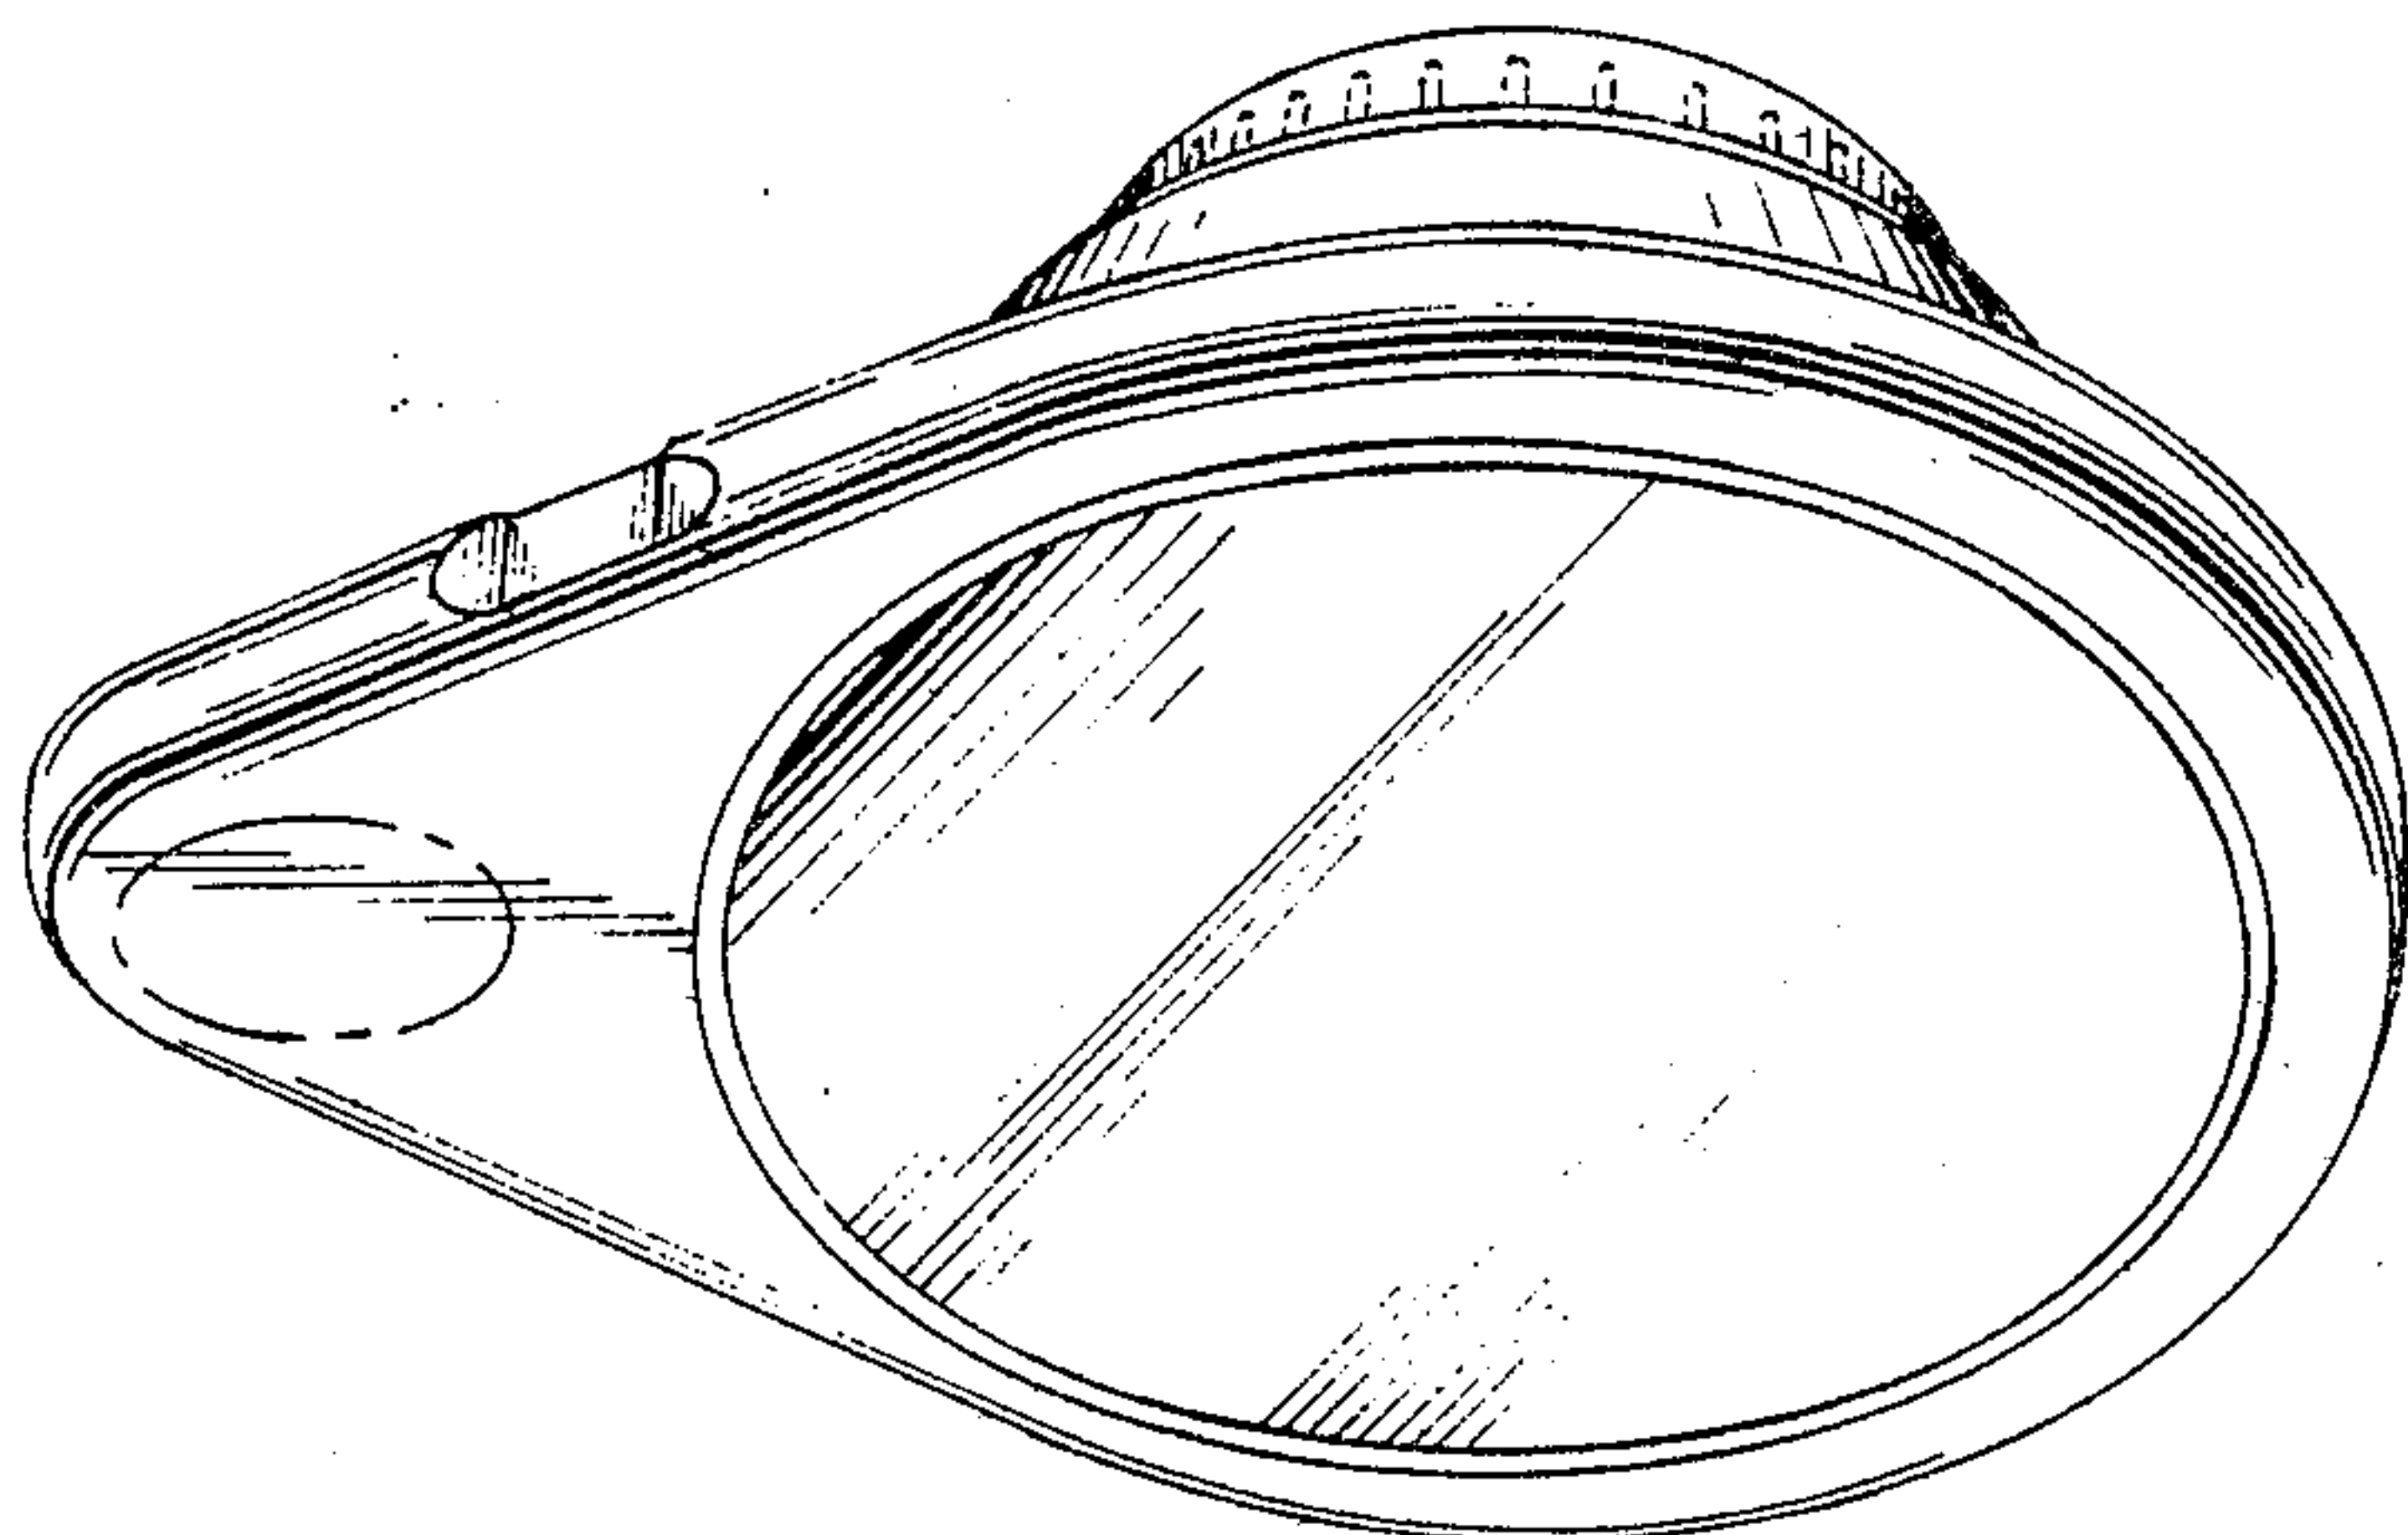

FIG. 1
