[57] CLAIM

The ornamental design for a handset telephone and stand unit, substantially as shown and described.

DESCRIPTION

FIG. 1 is a left side, top and front perspective view of a handset telephone and stand unit showing my new design;
 FIG. 2 is a left side elevational view thereof;
 FIG. 3 is a right side elevational view thereof;
 FIGS. 4 and 5 are respectively top and bottom plan views thereof;
 FIGS. 6 and 7 are respectively rear and front elevational views thereof; and
 FIG. 8 is a front, bottom and left side perspective view of the handset telephone positioned above and spaced apart from a front, top and right side perspective view of the stand.
 The cord in FIG. 7 is shown in broken lines for clarity of representation, and to indicate indeterminate length, in this view.
