[57] CLAIM

The ornamental design for a fluid-powered hand punch, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the fluid-powered hand punch showing my new design with the power cord shown broken away to depict indeterminate length; FIG. 2 is an enlarged rear elevational view thereof; FIG. 3 is an enlarged end elevational view thereof; FIG. 4 is an enlarged front elevational view thereof; FIG. 5 is an enlarged side elevational view thereof, the opposite side being a mirror image.
