[57] CLAIM

The ornamental design of a communications headset, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a headset showing our new design;

FIG. 2 is a fragmental front elevational view thereof showing the left earpiece for ease of illustration;

FIG. 3 is a fragmental left side elevational view thereof showing the left earpiece for ease of illustration;

FIG. 4 is a fragmental front elevational view thereof showing the right earpiece for ease of illustration;

FIG. 5 is a fragmental right side elevational view thereof showing the right earpiece for ease of illustration;

FIG. 6 is a fragmental right side elevational view thereof showing the mounting member for clarity of illustration;

FIG. 7 is a fragmental front elevational view thereof showing the mounting member for clarity of illustration; and

FIG. 8 is a side elevational view of the reverse side of the earpiece illustrated in FIG. 5.
