[57] CLAIM

The ornamental design for a sphygmomanometer unit for blood pressure measuring systems, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a sphygmomanometer unit for blood pressure measuring systems, showing my new design;
 FIG. 2 is a right side elevational view thereof;
 FIG. 3 is a left side elevational view thereof;
 FIG. 4 is a bottom plan view thereof;
 FIG. 5 is an end elevational view thereof;
 FIG. 6 is an elevational view of the opposite end thereof.
