[57] **CLAIM**

The ornamental design for a coin-operated telephone box, as shown and described.

DESCRIPTION

FIG. 1 is a left side, top and front perspective view of a coin-operated telephone box showing my new design; FIGS. 2 and 3 are respectively top and bottom plan views thereof;

FIG. 4 is a rear elevational view thereof, with the rectangular upper window being an entry way for telephone wires;

FIGS. 5 and 6 are respectively left and right side elevational views thereof;

FIG. 7 is a left side, top and front perspective view of a second embodiment thereof;

FIGS. 8 and 9 are respectively top and bottom plan views thereof;

FIG. 10 is a rear elevational view thereof; and

FIGS. 11 and 12 are respectively left and right side elevational views thereof.
