[57] CLAIM

The ornamental design for an air eliminator for plumbing systems, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, one end and one side of an air eliminator for plumbing systems showing my new design;
 FIG. 2 is an elevational view taken from one side thereof, the opposite side being the same as the side shown;
 FIG. 3 is an elevational view taken from one end thereof, the opposite end being a mirror image of the end shown; and
 FIG. 4 is a top plan view thereof.
