[57] **CLAIM**

The ornamental design of a tubular telephone unit, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tubular telephone unit showing my new design;
 FIG. 2 is a front elevational view thereof;
 FIG. 3 is a right side elevational view thereof the left side view being a mirror image;
 FIG. 4 is a rear elevational view thereof;
 FIG. 5 is a top plan view thereof;
 FIG. 6 is a bottom plan view thereof; and
 FIG. 7 is a perspective view of a second embodiment thereof, which is identical to the first embodiment as shown in FIGS. 2, 4 and 5, and substantially similar in other views except for the absence of the central cut-away opening beneath the midship cylindrical shelf as shown in FIGS. 1, 2, and 3 of the first embodiment.
