CLAIM

The ornamental design for a road wheel tire, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a road wheel tire showing our new design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a right side elevational view thereof; FIG. 4 is a left side elevational view thereof; and FIG. 5 is a longitudinal sectional view thereof taken along line A—A in FIG. 4.

It is understood that the tread pattern is repeated uniformly throughout the circumference of the tire.
