[57] **CLAIM**

The ornamental design for a tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tire embodying my new design, it being understood that the pattern is repeated throughout the circumference of the tire, the opposite side being substantially the same as that shown. FIG. 2 is a front elevational view thereof. FIG. 3 is a side elevational view thereof.

FIG. 1

FIG. 2

FIG. 3
